RE: FY 2020 and FY 2021 Texas Educational Opportunity Grant (TEOG) 10-Day
Allocation Data Review

The Texas Higher Education Coordinating Board (THECB) announces the 10-day allocation data review for the 2019-20 (FY 2020) and 2020-21 (FY 2021) TEOG program for public community colleges, public state colleges, and public technical institutes. As part of the allocation rule ([TAC, Section 22.262](#) and [TAC, Section 22.264](#)), a 10-day review period is required, allowing institutions to review the data that is provided in the enclosed attachments, "**TEOG Preliminary Allocation Calculation Data**". The source of data used for the FY 2020 preliminary allocation calculation is based on the data submitted from institutions on the FY 2018 Financial Aid Database (FAD). The source of data used to forecast the FY 2021 preliminary allocation calculation is based on the data submitted from institutions on the FY 2016, FY 2017 and FY 2018 FAD.

Please review the enclosed data and advise Financial Aid Services staff of any discrepancies by the close of business on **April 18, 2019** by sending an online inquiry to [CONTACT US](#) (select the "Financial Aid Question" option in the drop-down selection under **Contact Reason**). **Failure to respond will be interpreted as confirmation that the school's data is accurate.**

This announcement does not imply any official allocation of funds for an institution. Tentative allocation levels have been provided based on the General Appropriations Act, Committee Substitute for House Bill (C.S.H.B) 1, 86th Texas Legislature. Of that appropriation amount, a small portion has been tentatively reserved to fund the analysis of the TEOG program as proposed in recent amendments to C.S.H.B 1, pending successful passage of enacting legislation. Any institution offering aid prior to official allocation announcements from the THECB does so at its own risk. Once a General Appropriations Act has been signed by the Governor, official TEOG allocations will be disseminated to the institutions.
