RE: FY 2019 Texas Educational Opportunity Grant (TEOG) 10-Day Allocation Data Review

The Texas Higher Education Coordinating Board (THECB) announces the 10-day allocation data review for the 2018-19 TEOG program at public community colleges, public state colleges, and public technical institutes. As part of the allocation rule (TAC, Section 22.262), a 10-day review period is required, allowing institutions to review the data that is provided in the enclosed attachment, “TEOG Preliminary Allocation Calculation Data.” The source of data used for the preliminary allocation calculation is based on the data submitted from institutions on the FY 2017 the Financial Aid Database report.

Please review the enclosed data and advise Financial Aid Services staff of any discrepancies by the close of business on May 29, 2018 by contacting (844) 792-2640 or at CONTACT US (select the “State and Federal Grant and Scholarships” option in the drop-down selection under Contact Reason). Failure to respond will be interpreted as confirmation that the school’s data is accurate.

As part of the 10-day review process, tentative allocation levels have been provided based on funds appropriated by the General Appropriations Act for the TEOG program. Final allocation amounts will reflect the appropriated amount and any possible carry forward amounts from fiscal year 2018. This announcement does not imply any official allocation of funds for an institution at this time. Any institution offering aid prior to official allocation announcements from the THECB does so at its own risk.
