The Texas Higher Education Coordinating Board has received the following questions concerning RFP No. 781-0-22731:

1. We have a follow up questions regarding the Compensation/Fee Structure (TAB 4); what is the requisite level of detail expected for this section of the proposal? There does not appear to be a specific budget template or format to submit with the response, and want to make sure that sufficient information is provided.

We expect the Respondent to consider and include all applicable major budget line items typical for this type of project as part of its best and final offer. The Respondent should base the budget on its experience with similar types of projects as described in the RFP.
