SUBJECT: Reopening of Campus Operations

Governor Greg Abbott recently announced the second phase of the State's ongoing plan to safely and strategically open Texas while minimizing the spread of COVID-19.

Working in close consultation with the Governor's office, the Coordinating Board has published guidance on how institutions of higher education may begin to reopen certain campus operations in a gradual and phased manner consistent with Governor Abbott's Executive Order No. GA-23. The information is now available on our Coronavirus Resources Webpage at:

Should you or your institution have questions, you may direct them to Ray Martinez, Deputy Commissioner for Academic Affairs and Workforce Education, at ray.martinez@highered.texas.gov.

Thank you for the critical work you are doing to keep our campuses safe and functioning during this difficult time.
