RE: Good Neighbor Program (2020-21) - Selected Students

The Texas Higher Education Coordinating Board (THECB) has completed the selection process for the 2020-21 Good Neighbor Program (GNP). A list of selected recipients was emailed to program officers on **May 22, 2020**. Each institution is responsible for notifying all students who submitted a GNP application whether they were selected or not.

NOTE: If multiple program officers at an institution submitted applicants for the program, each officer was emailed a list of results for only those students the officer submitted. The submitting officers would combine their individual lists to get the school's comprehensive results.

Here are a few reminders about the administration of the Good Neighbor Program:

- Each GNP-selected student listed in the email to program officers may be exempted from the payment of tuition by the institution for the 12-month period beginning with the fall semester.
- An exemption of tuition applies only to courses for which an institution receives formula funding.
- If a selected student **does not start school in fall 2020 or becomes ineligible** for the award, the institution **must notify the THECB** through [CONTACT US](#) (select "Financial Aid Question" as the Contact Reason) **by October 15, 2020**. The THECB will select the next statewide alternate from that country and notify the appropriate institution.

If you have any questions, contact Financial Aid Services through [CONTACT US](#) (select "Financial Aid Question" as the Contact Reason).
