Academic Quality and Workforce
March 26, 2019

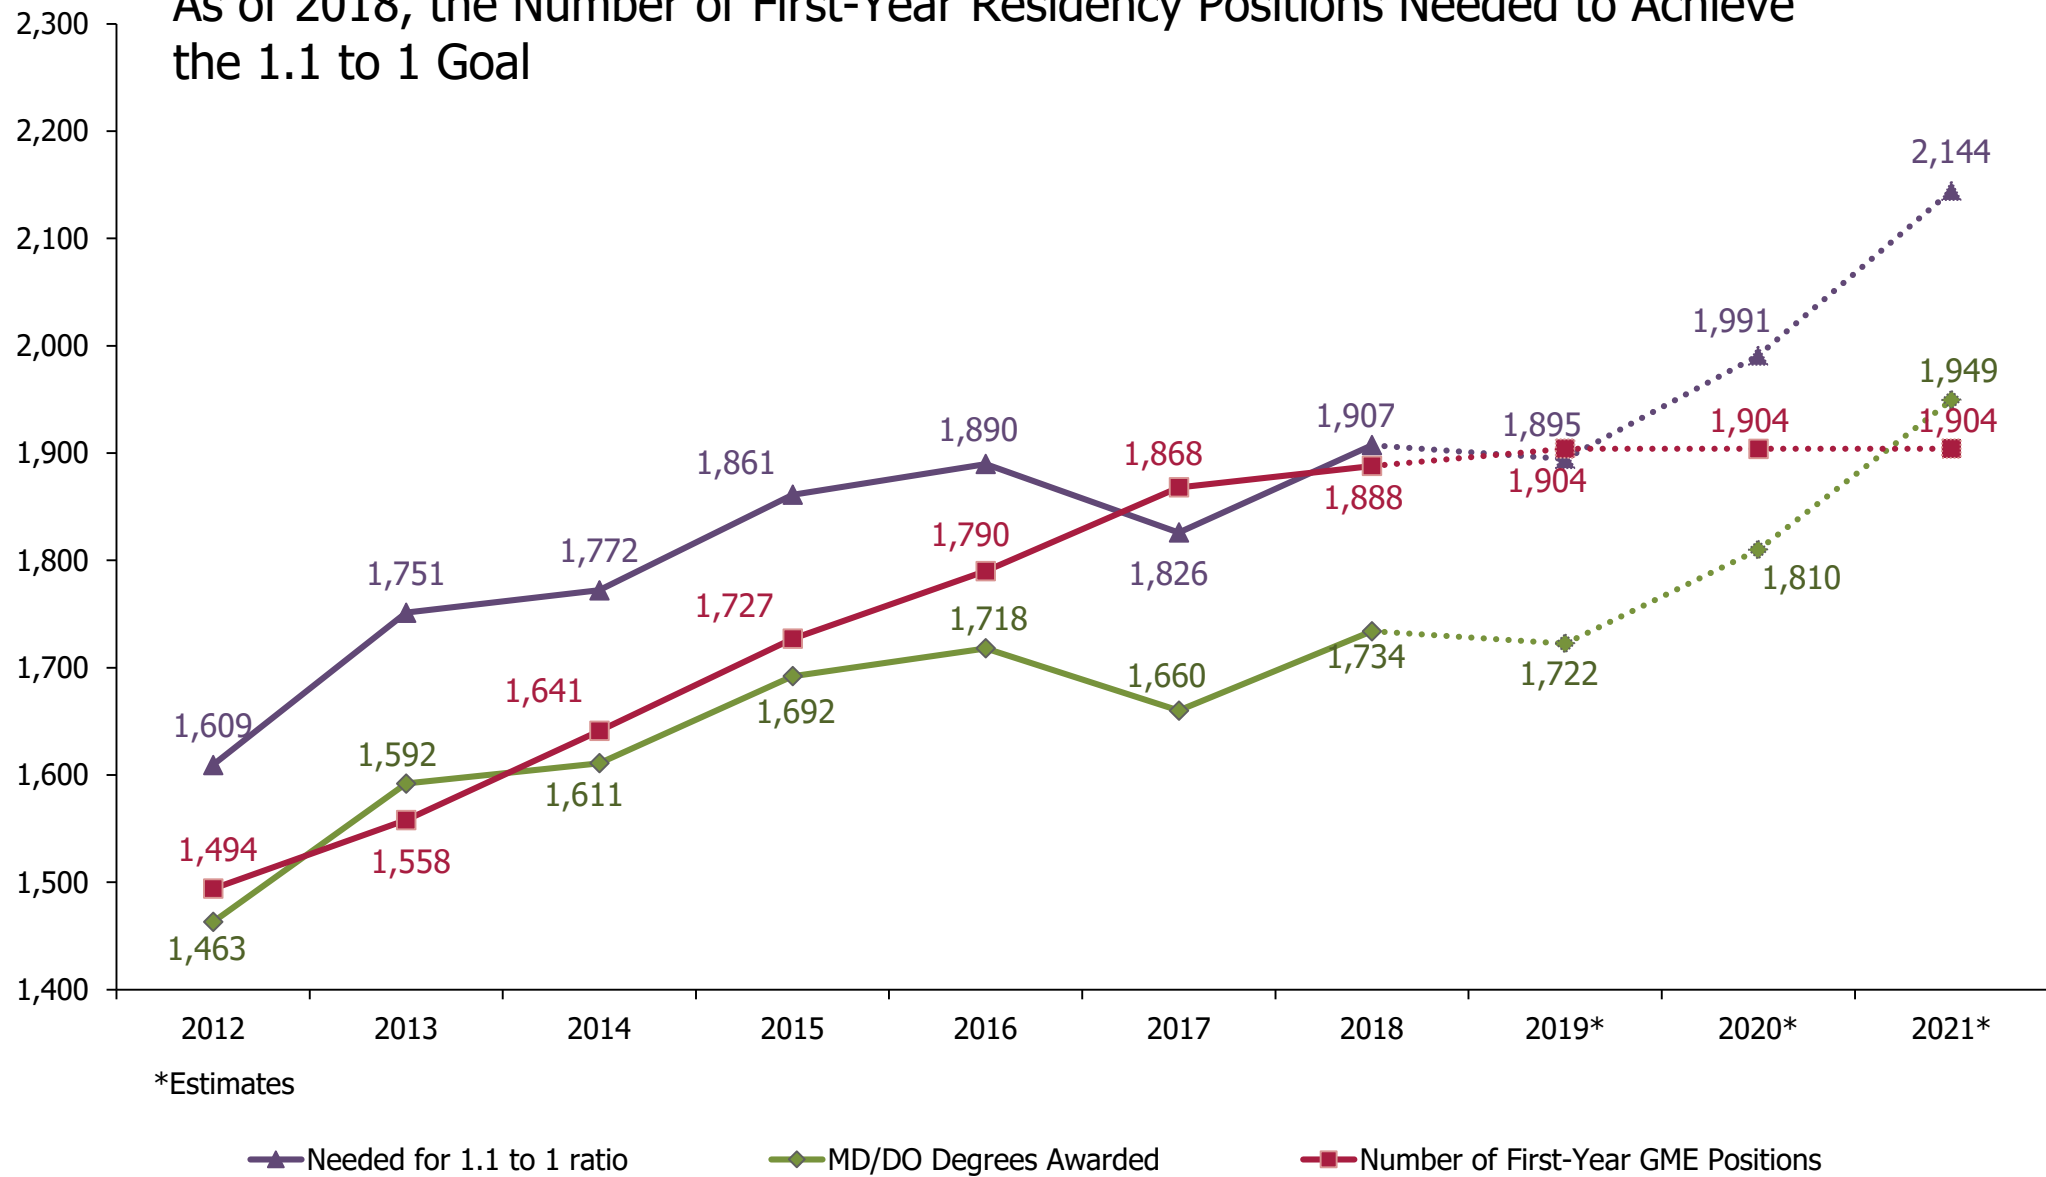

Pending Medical Schools include LCME and AOA Pre-accreditation, Applicant and Candidate Accreditation Status.

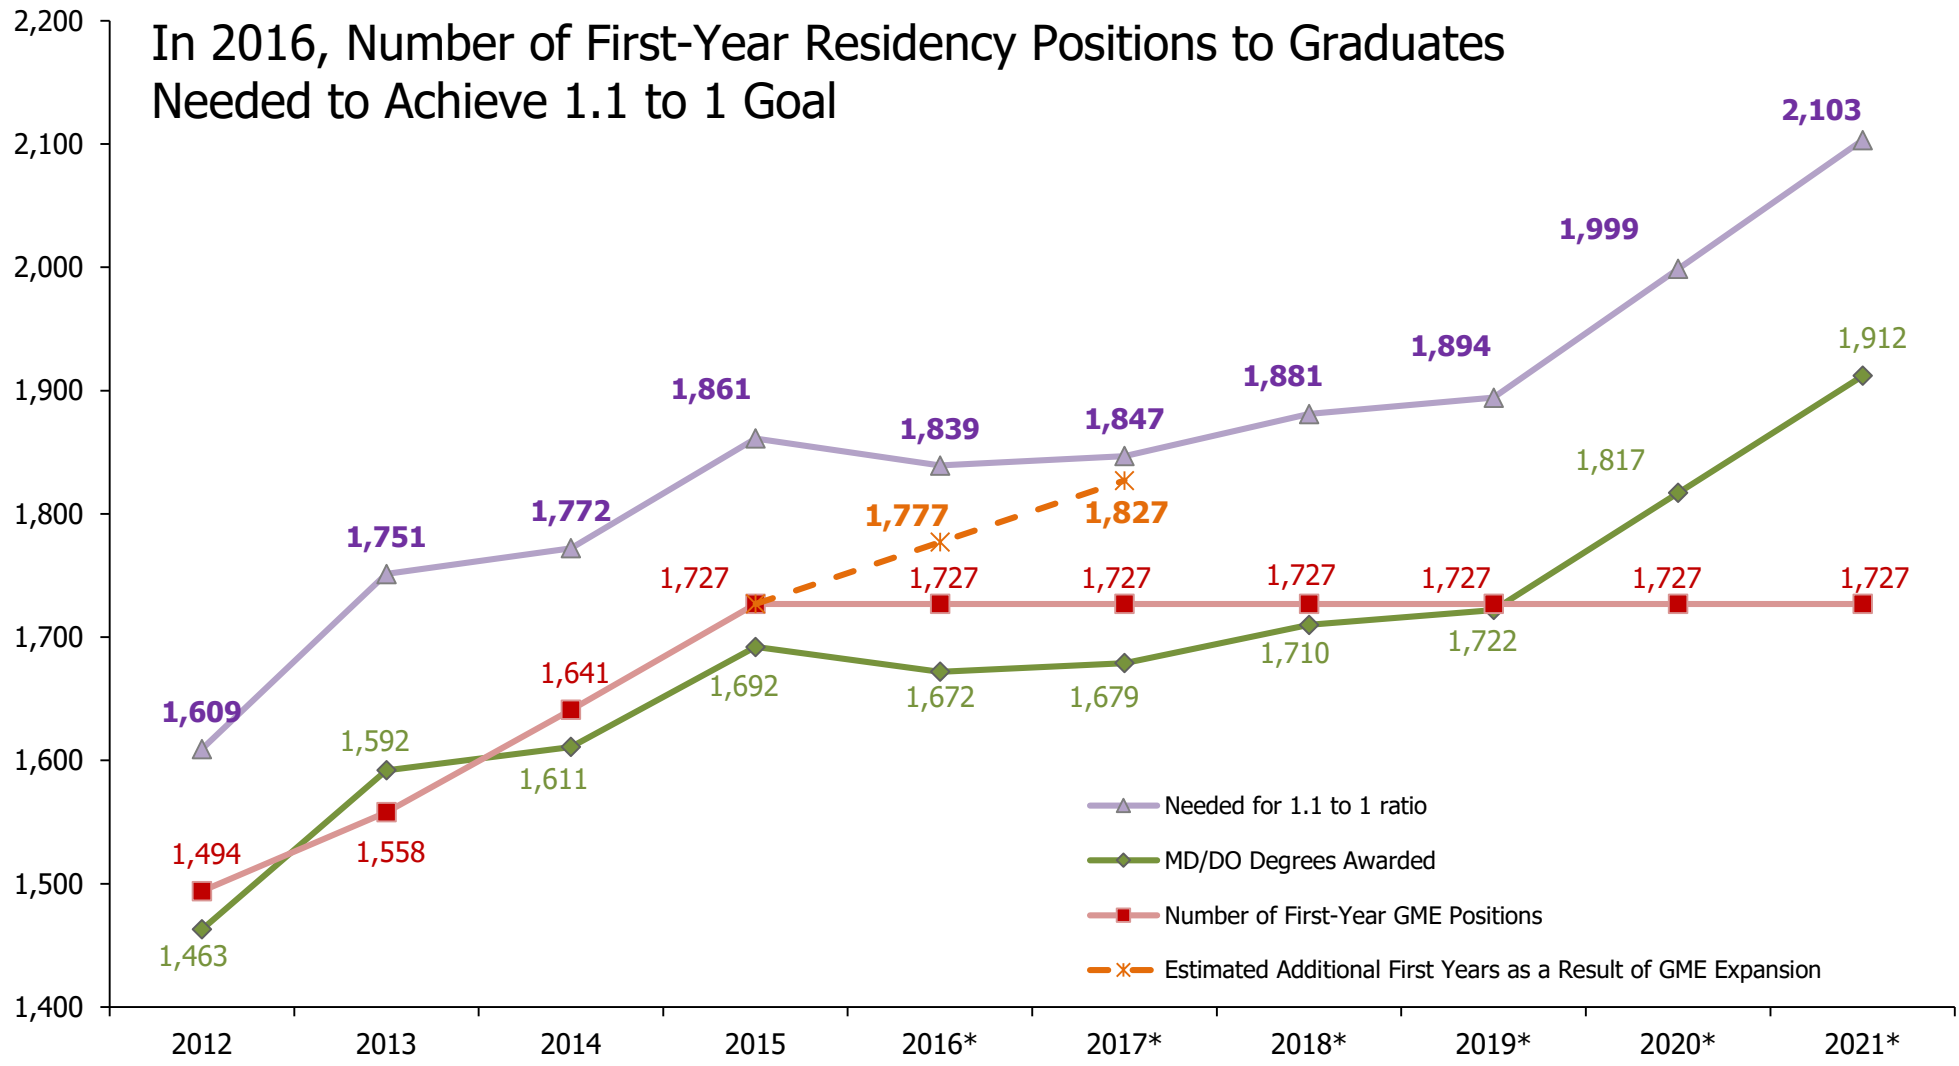

Sources: Accreditation, Liaison Committee on Medical Education (MD-granting) and American Association of Colleges of Osteopathic Medicine, Commission on Colleges Accreditation (DO-granting), 2019.

* Florida has one institution with one additional location; Ohio has one institution with two additional locations; and, Pennsylvania has one institution with one additional location.

As of 2018, the Number of First-Year Residency Positions Needed to Achieve the 1.1 to 1 Goal

In 2016, Number of First-Year Residency Positions to Graduates Needed to Achieve 1.1 to 1 Goal

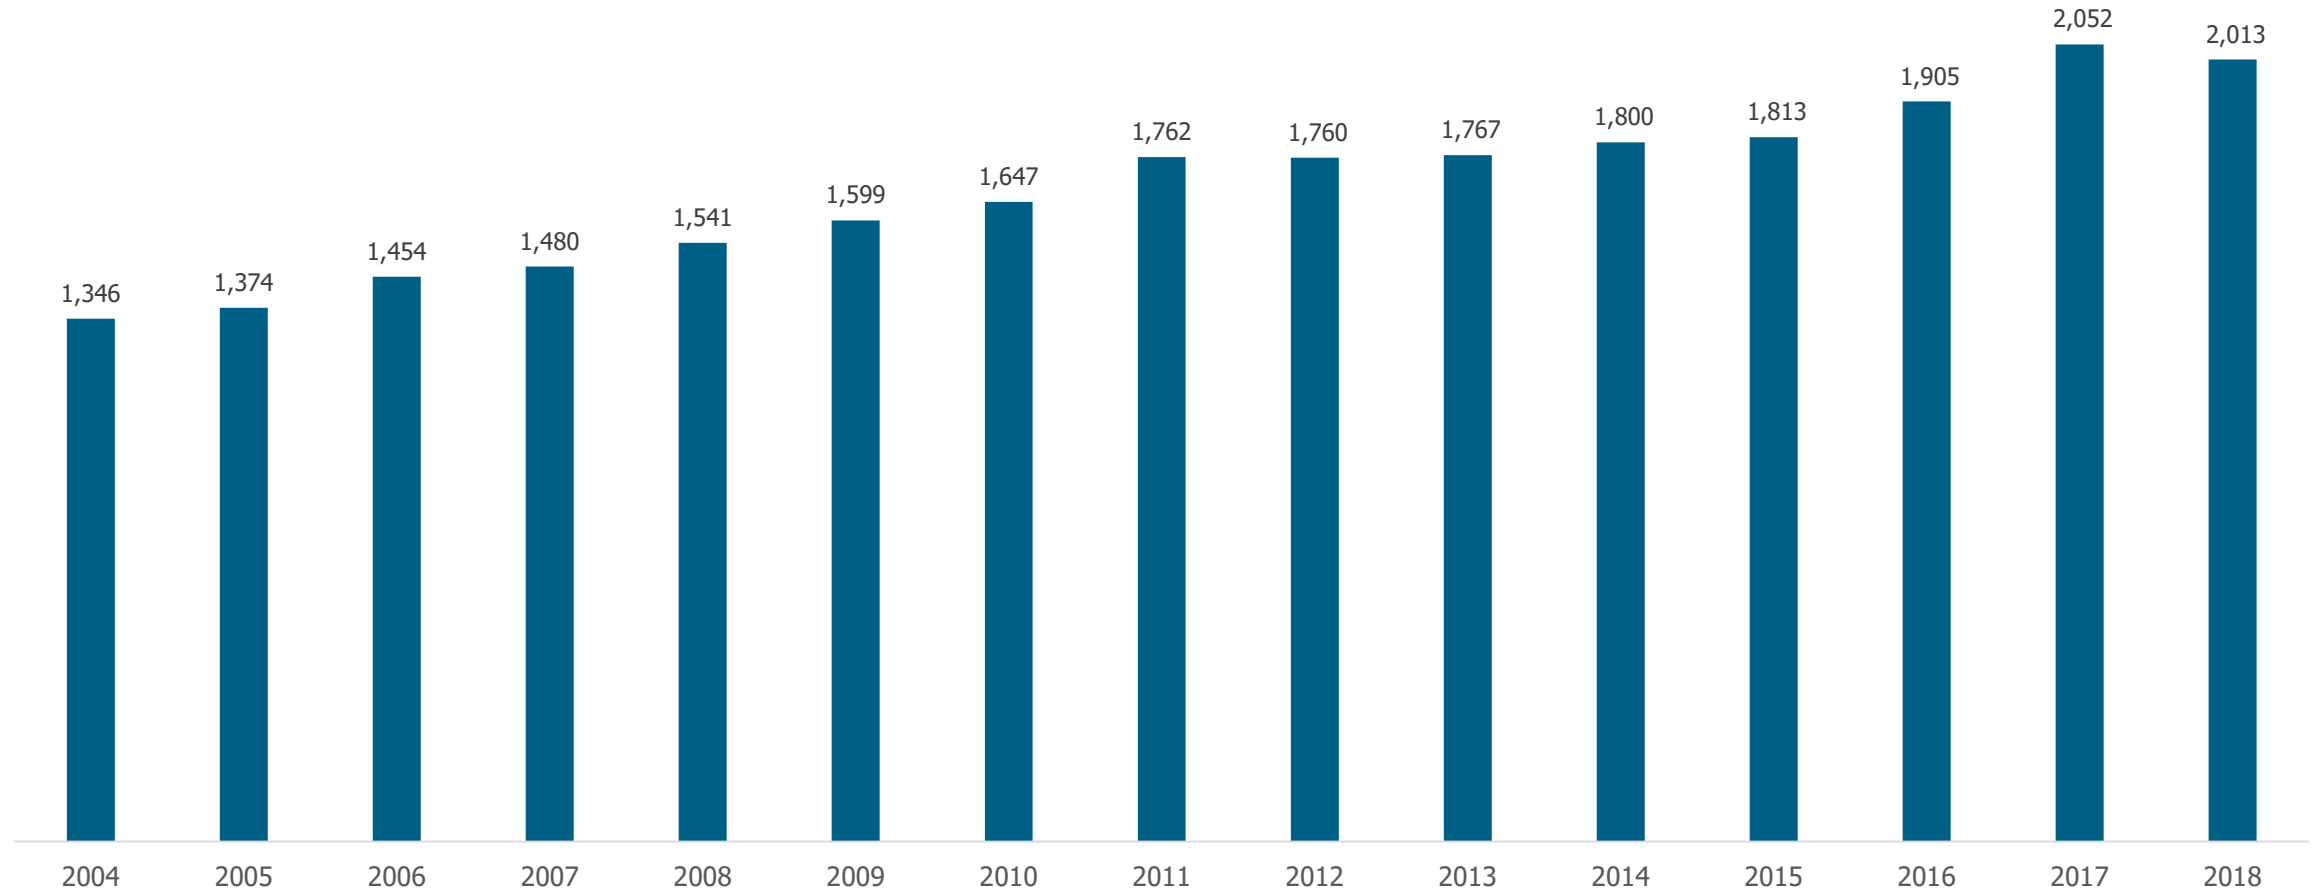

Source: Coordinating Board, ***Estimates only**

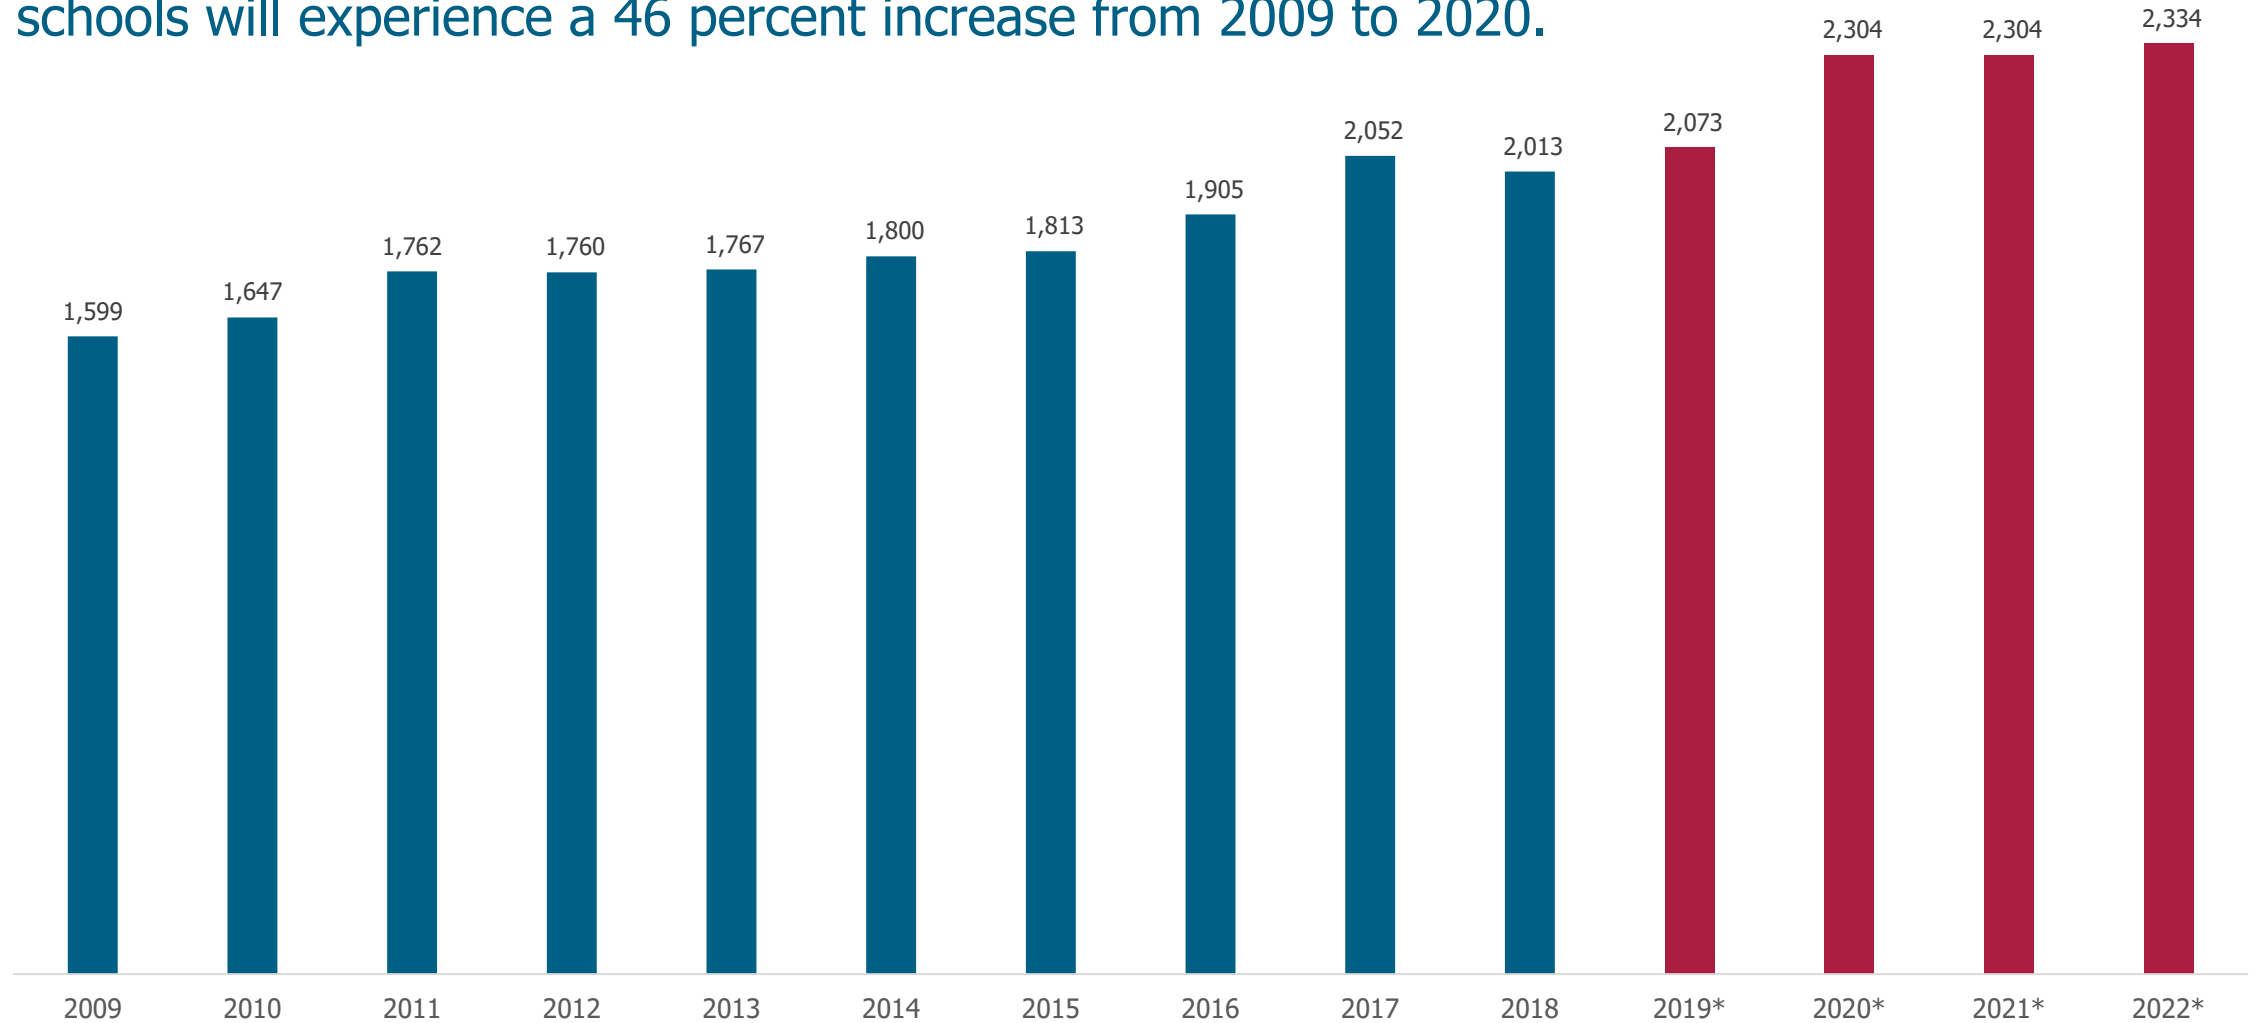

Note: Projections of medical school graduates are based on a 95 percent graduation rate and includes two new medical schools that admitted students summer/fall 2016 and one new medical school scheduled to open in fall 2017. Texas Education Code 61.0661 established the goal of 1.1 to 1 ratio.

Updated August 2016.

Texas Medical School First-Year enrollment steadily increasing for several years, down a little in fall 2018

The number of First-Year Medical Students Enrolled in Texas public and private schools will experience a 46 percent increase from 2009 to 2020.

*Estimated.
