

College Readiness and Success Standards

June 20, 2018

Texas Higher Education
Coordinating Board

R. Jerel Booker, J.D.
Assistant Commissioner,
College Readiness and Success
Texas Higher Education Coordinating Board

CCRS Review and Revision

Phase 1

- Review and revise English Language Arts (ELA) and Math College and Career Readiness Standards - contracted with Texas Tech University to coordinate the content vertical teams, facilitate the review process
- Proposed changes to the CCRS for ELA and Math were posted to the Texas Register; comments have been reviewed and responded to by the respective vertical teams
- Request for approval of revised CCRS during the June CAWS/July Board
- Following Board approval, revised CCRS will be forwarded to the Commissioner of Education; The CCRS should be integrated into the Texas Essential Knowledge and Skills (TEKS)

Phase 2

- Review and revise Social Studies, Science, and Cross-Disciplinary standards
- Request approval to post an RFP to solicit a new vendor to facilitate the review and revision of the standards (June CAWS)
- Contract will be funded by FY19 budget
