## Survey Requirements

All students who are eligible to receive a TEG award for fall 2017 should be included in this survey (even if the student will not receive an award).

### Eligibility Requirements ([19 TAC, Section 22.24](#))

#### TO RECEIVE A FIRST AWARD, A STUDENT MUST:

- ✓ Be classified by the institution as a Texas resident
- ✓ Be registered with Selective Service, or be exempt
- ✓ Have applied for financial aid assistance
- ✓ Demonstrate financial need
- ✓ Be enrolled at least 3/4 time
- ✓ Be an undergraduate **or** graduate student enrolled in a degree plan leading to a **first** associate, baccalaureate, master's, professional, or doctoral degree (excluding degree plans that are intended to lead to religious ministry)
- ✓ Not have earned a degree for which they are currently enrolled
- ✓ Not be a recipient of an athletic scholarship (i.e. the student is obliged to play an intercollegiate sport as a result of receiving the scholarship) during the semester(s) TEG is awarded
- ✓ Be required to pay more tuition than is required at a comparable public college or university and be charged no less than the tuition required of all similarly situated enrolled at the institution

#### TO RECEIVE A SUBSEQUENT AWARD, A STUDENT MUST:

- ✓ Meet all the **FIRST AWARD** requirements
- ✓ Maintain satisfactory academic progress

**Stop:** National Merit Scholarship finalists are no longer eligible for a TEG award and there is no grandfather clause in the provision.

### Satisfactory Academic Progress (SAP) ([19 TAC, Section 22.24](#))

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a continuation award.

At the end of the second academic year, and all years thereafter, undergraduates must have completed 24 semester credit hours (SCH) in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA. Graduate students must have completed 18 SCH in the most recent academic year, with a 75% completion rate for hours attempted in that year, and must have a minimum 2.5 cumulative GPA.

**Note:** A student who is ineligible for a TEG award based on the general requirements, may be deemed eligible under a hardship provision.

## Tuition Differential ([19 TAC, Section 22.22](#))

Tuition differential is defined as the difference between the tuition paid at a private or independent institution and the tuition the student would have to pay to attend a comparable public institution in Texas. Fees are not included in this calculation, only tuition rates.

The Southern Association of Colleges and Schools (SACS) identifies institutions by the highest levels of degrees they offer. These levels are being used by the THECB to identify “comparable” institutions for the purpose of calculating tuition differentials. The following table shows average resident undergraduate and graduate tuition rates per SCH for public institutions at various SACS levels for the 2017-18 academic year. These amounts should be used by the institution to derive tuition differentials by using the student’s total SCH and multiplying the tuition rate provided.

SACS LEVEL	UNDERGRADUATE TUITION RATE PER SCH	GRADUATE TUITION RATE PER SCH
Associate Degree <b>Level 1</b>	\$57	n/a
Baccalaureate Degree <b>Level 2</b>	\$66	n/a
Master’s Degree <b>Level 3</b>	\$194	\$268
Three or fewer Doctoral Degrees <b>Level 5</b>	\$182	\$239
Four or more Doctoral Degrees <b>Level 6</b>	\$232	\$329

The average public institution rates for law school students are as follows:

- Resident: \$918 per SCH
- **Non-Resident Not Applicable**

### For Example:

- Levels 2, 3, 5 and 6 independent institutions (other than Southwestern Christian College) should compare the charges to the average charges of public institutions at the same levels.

**Note:** Remember to compare a student’s calculated tuition differential to the maximum TEG award, to ensure the annual award does not exceed it.

## TEG Need Survey Template

THECB will provide institutions with an Excel spreadsheet template to input student data.  
The chart below provides a description of the fields required on the template for each student.

Column	Field Names	Descriptions
A.	<b>*Record Number</b>	Each row is pre-numbered to reflect the student data record in the survey roster.
B.	<b>**Student ID</b>	Report the social security number (SSN) or a school assigned number for a student with no SSN.
C.	<b>Name</b>	Report the student's name in the following format: <b>Last Name, First Name, Middle Initial</b>
D.	<b>Student Classification</b>	Report the student's classification: <b>1 = Undergraduate</b> (student seeking a <b>First</b> associate or bachelor's degree) <b>2 = Graduate</b> (student seeking a <b>First</b> master's, doctoral, or professional degree)
E.	<b>Cost of Attendance (COA)</b>	The student's 9-month COA based on enrollment status.
F.	<b>Expected Family Contribution (EFC)</b>	Report the calculated 9-month EFC based on enrollment status.
G.	<b>*Gross Need</b>	This is an auto-calculated entry based on the student's reported <b>COA</b> minus the reported <b>EFC</b> .
H.	<b>Pell Grant</b>	Report the amount of Pell Grant the student is or could be eligible to receive based on the student's enrollment status.
I.	<b>Categorical Aid</b>	Report the amount of aid brought to the institution by the student and not packaged by the financial aid office (e.g. private scholarships, Texas Rehabilitation Commission funds, Workforce Investment Act (formerly JTPA), VA benefits,)
J.	<b>*Adjusted Gross Need</b>	This is an auto-calculated entry based on the student's <b>Gross Need</b> minus <b>Pell Grant</b> and <b>Categorical Aid</b> .
K.	<b>Tuition Differential</b>	Report: <b>Y</b> = If the Student's Tuition Differential limits the TEG award maximum <b>N</b> = If the Student's Tuition Differential does not affect the TEG award maximum
L.	<b>TEG Need</b>	Report the <b>least</b> of the following: <ul style="list-style-type: none"> <li>▪ Student's Adjusted Gross Need</li> <li>▪ Student's Tuition Differential</li> <li>▪ TEG maximum award amount \$3,364</li> </ul>
M.	<b>Exceptional Need</b>	Report the <b>least</b> of the following: <ul style="list-style-type: none"> <li>▪ Student's Adjusted Gross Need minus TEG Need</li> <li>▪ Student's Tuition Differential minus TEG Need</li> <li>▪ TEG maximum exceptional need award amount of \$1,682</li> </ul> <p>Note: Exceptional Need is defined as students with expected family contributions (EFCs) less than or equal to \$1,000 (Undergraduates only).</p>

## Data Record Issues

An edit-check system is embedded in the template to help institutions identify data record issues.

- **Total Issues Count** provides the institution with cumulative number of **Issues** found in the records provided.
- If a student record is flagged, the worksheet will highlight the record green in the **Edit** column.
- For each student that has an **Edit**, the associated **Issue** will be listed in the appropriate edit-check column for that specific record.

Above each column, there is a link to the **Error Check (EC) Table code**.

The **Error Check Table** provides a detailed description of the issue, with the record and the edits needed to resolve the issue. Institutions can refer to the table for methods to resolve **Student Data Record Issues**.
