

1) To access the Interactive reports, please use this direct link to accountability:

[THECB Accountability System \(txhigheredaccountability.org\)](http://txhigheredaccountability.org)

2) Please choose "Interactive" in the top right hand corner

3) Data can be accessed interactively to produce customizable reports (Enrollment By Curriculum is used as an example below):

Select and Filter

After you select Interactive, click on the "Download Data" link. There will be a set of options that you can choose from to select your report (please see [screenshot](#) below):

Under **Institution Type**, please choose: Public Universities or Community Colleges. You can choose to see Lamar Colleges and Texas State Technical Colleges separately OR there is also an option for "All Public 2 Year Colleges" if you'd like see TSTC, Lamar and Community Colleges all together.

Under **Select Institution**: you can select individual institution, peer group, system, district, statewide, or ALL

Under **What Data You Would Like to See**: please choose Enrollment by Curriculum

Under **Select Year (s)**: please choose the year(s) you are interested in

Under **Select Semester**: select ALL or choose a specific semester (Fall, Spring, or Summer)

Under **Select Classification, CIP Groups, CIP**: select ALL (by default)

Select Institution Type:
Public Universities

Select Institution:
41 selected

What data would you like to see?
Enrollment by Curriculum Area

Select Year(s) to Filter
All selected (10)

Select Semester(s) to Filter
All selected (3)

Select Classification(s) to Filter
All selected (13)

Select CIPGroup(s) to Filter
All selected (39)

Select CIP(s) to Filter
All selected (715)

View and Download

Once you have selected the data, confirm or modify any pre-selected filters that appear and click the "View Report" button. The report will display at the bottom of the screen, along with options to create a CSV (Excel) file or a PDF (screenshot below). **To download the report, click on either "Create CSV" or "Create PDF."** This will open a prompt that will allow you to either open or save the file.

Select CIP(s) to Filter
All selected (715)
