EDUCATIONAL AIDE EXEMPTION PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the relevant statutes and rules. The information in this document is to be used solely as a resource and does not override the statute or rules for this program.

PROGRAM AUTHORITY AND PURPOSE (TAC, Title 19, Section 21.1080)

The Educational Aide Exemption (EAE) Program is authorized by TEC, Title 3, Chapter 54, Section 54.363. Rules for administering the program can be found in TAC, Title 19, Chapter 21, Subchapter II. The purpose of the EAE Program is to encourage certain Educational Aides to complete full teacher certification by providing need-based exemptions from the payment of tuition and certain mandatory fees at Texas public institutions of higher education.

ELIGIBLE INSTITUTIONS (TAC, Title 19, Section 21.1082)

All public institutions, as defined by TEC, Title 3, Section 61.003(8), are invited annually to participate in the EAE allocation process. Those choosing not to participate will not be considered in the allocation calculation for the applicable award year.
ELIGIBILITY

ELIGIBILITY REQUIREMENTS (TAC, Title 19, Section 21.1083)

TO RECEIVE AN INITIAL AWARD, A STUDENT MUST:

✓ be classified by the institution as a Texas resident;
✓ be registered with Selective Service, or be exempt (see Selective Service Statement);
✓ have financial need;
✓ meet the institution’s satisfactory academic progress (SAP) requirements;
✓ have been employed by a public school district in Texas working in the classroom directly with the students on a full-time basis as one of the following:
  • an Educational Aide* for at least one school year, during the five years preceding the term or semester for which the student received the initial award
  • a substitute teacher for 180 or more full days during the five years preceding the term or semester for which the student received the initial award as defined in 19 TAC, Section 21.1081(5);
✓ be employed in some capacity by a public school district in Texas during the full term for which the student receives the award; and
✓ be enrolled in courses required for teacher certification in one or more subject areas experiencing a critical shortage of teachers at public schools in Texas, as determined by the Texas Education Agency (TEA).

The 2022-23 critical shortage areas include the following:

• Bilingual/English as a Second Language – Elementary and Secondary Levels
• Special Education – Elementary and Secondary Levels
• Career and Technical Education – Secondary Level
• Technology Applications and Computer Science – Elementary and Secondary Levels
• English Language Arts and Reading – Elementary and Secondary Levels
• Mathematics – Secondary Level
• Science – Secondary Level

*Certified by TEA as an Educational Aide I,II,III

TO RECEIVE A CONTINUATION AWARD, A STUDENT MUST:

✓ meet all initial award requirements;
✓ meet the institution’s financial aid grade point average (GPA) requirement for making satisfactory academic progress (SAP) towards a degree or certificate in accordance with the institution’s policy; and
✓ if classified as an undergraduate, have not completed an excessive number of semester credit hours as defined in TEC, Title 3, Section 54.014.

If the student received an EAE award before fall 2012, the student must:

✓ meet all initial award requirements (excluding the critical shortage area obligation); and
✓ be enrolled in courses required for teacher certification or, if enrolled in lower-level coursework, sign a statement indicating an intention to become certified as a teacher in Texas.

GRADUATE STUDENT ELIGIBILITY

Students enrolled in graduate courses leading to teacher certification in a teacher shortage area are eligible for the EAE.

FINANCIAL NEED

The EAE Program does not have an expected family contribution limitation or a maximum adjusted gross income requirement. To qualify, applicants must have financial need as defined in TAC, Title 19, Section 21.1081(8).

An eligible applicant can be awarded the amount required to exempt the student from payment of resident tuition and fees for courses taken during the applicable term, even if the award amount exceeds the student’s financial need.

SCHOOL DISTRICT EMPLOYEE ELIGIBILITY

Eligible applicants can be employed in any capacity at a Texas public school district (e.g., bus driver), provided the applicant has the required educational aide work experience. Awarded students must remain employed for the full term.

APPLICATION DEADLINE

Students must submit the 2022-23 EAE Application to the financial aid office before the end of the semester in which they are enrolled to be considered for an award.
ALERT: Child Support Arrearages

Per Texas Family Code, Title 5, Section 231.006, a student who is obligated to pay child support and is more than 30 days delinquent is not eligible to receive a state-funded grant or loan.

Institutions determine how to best comply with this state requirement and should work with their legal counsel on questions related to this statutory mandate.

Note: A student who fails to meet GPA to satisfy the institution’s SAP requirement may have the ability to regain eligibility for this exemption if they meet the GPA requirement during a subsequent term or semester in which the exemption was not awarded. The student may also be granted a hardship exception by the institution.

DISCONTINUATION OF ELIGIBILITY (TAC, Title 19, Section 21.1083)

A student may NOT continue to receive this exemption in a subsequent semester or term if the student:

- has attempted a number of undergraduate hours considered to be excessive under TEC, Section 54.2001(a)(2).

Note: At the start of a semester or term, if an undergraduate student is attempting hours considered to be excessive, the student may continue to receive this exemption if granted a hardship extension by the institution.

HARDSHIP PROVISIONS (TAC, Title 19, Section 21.1088)

Institutions must adopt a hardship policy that may grant a student an exception from meeting the GPA requirement to satisfy the institution’s SAP, or an extension of eligibility for excess undergraduate hours, when a student provides proof of a hardship or other good cause, including:

- a severe illness or other debilitating condition that could affect the student’s SAP;
- an indication that the student is responsible for the care of a sick, injured, or needy person and that the provision of care could affect the student’s SAP;
- the student’s active duty or other service in the United States armed forces or active duty in the Texas National Guard; or
- any other cause considered acceptable by the institution.

All hardship decisions must be documented in the student’s record and be available for submission to the THECB, if requested.

EXEMPTION FROM STUDENT TEACHING (TAC, Title 19, Section 21.1087)

- An individual who receives a bachelor’s degree required for a teaching certificate based on higher education coursework completed while receiving an EAE award is not required to participate in any field experience or internship consisting of student teaching to receive a teaching certificate.
- An individual who receives a bachelor’s degree before receiving a first EAE award is not eligible for a student teaching exemption.
ELIGIBILITY

**SELECTIVE SERVICE STATEMENT (TAC, Title 19, Section 22.3)**

Under TEC, Title 3, Section 51.9095, an individual must file a statement of their selective service status with the institution confirming registration or exemption.

**ALERT: Proof of Selective Service Status No Longer Required**

Institutions are no longer required to collect “proof” of registration or exemption from students or to verify the accuracy of the statement against external databases or other resources if conflicting information does not exist (see Updated Guidance on Statutory Requirements that Impact Financial Aid Memo).

Note: The THECB approved an amendment to TAC, Title 19, Section 22.3 during their quarterly meeting held on April 28, 2022.

Any of the following can be used to meet the statutory statement requirement:

- THECB Selective Service Statement of Registration Status (English Statement or Spanish Statement)
- Printout from SSS.gov website

Selective Service Statement of Registration Status

As of 09/28/2021

ADDITIONAL INFORMATION

**COLLECTION METHOD**

The institution has flexibility to create an online, paper, or alternate method to collect the statement as long as it uses the content developed and required by the THECB.

**FREQUENCY COLLECTING THE STATEMENT**

If the student’s status will NOT change, the statement collected can be used for subsequent semesters at the same institution.

If the student is NOT registered for selective service, a statement must be collected each time they apply for financial aid or a student loan until the statement indicates registered or exempt.

**MALES AGE 26 OR OLDER**

Individuals older than the maximum age at which an individual is required to be registered with the Selective Service System under federal law are not required to complete this status statement.

**RETENTION SCHEDULE**

The status statement must be retained in the student’s record based on the retention schedule outlined in the institution’s Program Participation Agreement (PPA).
AWARDING

Students enrolled in courses required for teacher certification in a critical shortage area and who meet all other eligibility requirements can be awarded EAE. Students receiving awards through the EAE Program will be exempted from the payment of the total resident tuition and required fees, other than laboratory and class fees, for courses taken during the applicable term. Institutions must determine the applicant’s eligibility to receive the exemption and notify both the applicant and the school district employing the applicant.

REQUIRED MATCHING

Participation in the EAE Program requires that institutions use institutional funds (non-federal or state aid) to cover at least 10% of each recipient’s exemption.

**NOTE:** Institutions can contribute beyond the 10% minimum requirement.

APPENDIX 1: FREQUENTLY ASKED QUESTIONS

1. If an applicant obtains one school year of full-time Educational Aide experience outside of Texas, does the experience count toward the eligibility requirements?

No. Applicants must obtain their Educational Aide experience at a public school district or eligible charter school in Texas. While private charter school employees do not qualify, some charter schools in public school districts may qualify.

2. Is a volunteer at a school district eligible to participate?

No. The student must be employed by a Texas public school district for the full term in which the exemption is received.

3. Are there a certain number of hours in which the applicant must be enrolled?

No. The EAE award amount is based on the tuition and required fees for formula-funded (tax-supported) hours for which the applicant is enrolled (TEC, Section 54.2002).

4. If a student did not meet satisfactory academic progress requirements in the fall, are they eligible for a spring award?

No. Students must meet institutional SAP requirements for each term a student is awarded. Therefore, a student who is not meeting institutional SAP requirements at the end of fall is not eligible for the spring award, unless granted a hardship. A student may have the ability to regain eligibility for a future award if they meet the GPA requirement during a term in which the exemption was not awarded.

5. Can the EAE application be used as employment verification for more than one term?

No. An application that includes the verification of employment must be completed for each term awarded.

6. Can a student receive the exemption if they enrolled in hours that are considered excessive as defined in TEC, Section 54.014?

No. However, at the start of a semester or term, if an undergraduate student is attempting hours considered to be excessive, the student may continue to receive this exemption if granted a hardship extension by the institution.
