APPENDIX 1: FREQUENTLY ASKED QUESTIONS	9
APPENDIX 2: SACS Program Levels.....	10
APPENDIX 2: QUICK REFERENCES.....	11

TUITION EQUALIZATION GRANT PROGRAM

The Texas Higher Education Coordinating Board (THECB) Program Guidelines are intended to support institutions by highlighting requirements that appear in the Texas Education Code (TEC) and Title 19 of the Texas Administrative Code (TAC). When administering this program, institutions should always refer to the applicable statutes and rules. The information provided in this document is to be used solely as a resource and does not supersede the statute and/or rules for this program.

NEW: Statutes (TEC) and rules (TAC) periodically change and may affect the links referenced in this document. Copies of statutes and rules used to create these guidelines are available in [Appendix 3](#).

PROGRAM AUTHORITY AND PURPOSE ([19 TAC, SECTION 22.21](#))

The Tuition Equalization Grant (TEG) Program was authorized by [TEC, Chapter 61, Section 61.221](#). Rules establishing procedures to administer the subchapter can be found in [Title 19 of the TAC, Chapter 22, Subchapter B](#). The program is funded by appropriations by the Texas Legislature. The purpose of the TEG Program is to promote the best use of existing educational resources and facilities within this state, both public and private, by providing need-based grants to Texas residents attending approved private or independent Texas colleges or universities.

STATE PRIORITY DEADLINE ([TEC, SECTION 56.008](#) AND [19 TAC, SECTION 22.6](#))

The THECB provides a uniform priority deadline for applications that qualify for state-funded financial assistance in an academic year. General Academic Teaching Institutions (GATIs) (*including* Lamar State College-Orange and Lamar State College-Port Arthur) in Texas, as defined in [TEC, Section 61.003\(3\)](#), must publicize and use **January 15** as the state priority deadline for identifying eligible students to be given priority in receiving awards through the state financial aid programs. Institutions may define how their students must meet the priority deadline and are encouraged to adopt a policy describing the actions that students must take to meet the deadline.

ELIGIBLE INSTITUTIONS ([19 TAC, SECTION 22.23](#))

Any colleges or universities, defined in [TEC, Section 61.003\(15\)](#) as a private or independent institution of higher education, are invited annually to participate in the TEG allocation process. Those choosing not to participate will not be considered in the allocation calculation for the applicable award year. Institutions that participate will have a single allocation in which first and subsequent awards can be made.

ELIGIBILITY

ELIGIBILITY REQUIREMENTS ([19 TAC, SECTION 22.24](#))

TO RECEIVE A FIRST AWARD, A STUDENT MUST:

- ✓ be classified by the institution as a Texas resident
- ✓ be registered with Selective Service, or be exempt (see [Selective Service Statement](#))
- ✓ have financial need
- ✓ be enrolled at least 3/4 time
- ✓ be an undergraduate **or** graduate student enrolled in a degree plan leading to a **first** associate, baccalaureate, master's, professional, or doctoral degree (excluding degree plans that are intended to lead to religious ministry)
- ✓ maintain satisfactory academic progress as determined by the institution
- ✓ not have earned a degree for which they are currently enrolled
- ✓ not be a recipient of an athletic scholarship (i.e., the student is obliged to play an intercollegiate sport as a result of receiving the scholarship) during the semester(s) TEG is awarded
- ✓ be required to pay more tuition than is required at a comparable public college or university and be charged no less than the tuition required of all similarly situated enrolled at the institution

TO RECEIVE A SUBSEQUENT AWARD, A STUDENT MUST:

- ✓ meet all the first award requirements
- ✓ maintain satisfactory academic progress (SAP) (see [SAP section](#))

DISCONTINUATION OF ELIGIBILITY ([19 TAC, SECTION 22.26](#))

Unless an extension of eligibility (due to a hardship circumstance) is granted, a student's eligibility ends if any of the following maximums have been met:

DEGREE TYPE	IF ENROLLED IN A DEGREE OR CERTIFICATE PROGRAM OF 4 YEARS OR LESS	IF ENROLLED IN A DEGREE OR CERTIFICATE PROGRAM OF MORE THAN 4 YEARS
RECIPIENT WORKING TOWARD AN ASSOCIATE OR BACCALAUREATE DEGREE	5 years from the first semester awarded	6 years from the first semester awarded
RECIPIENT WORKING TOWARD A MASTER'S, PROFESSIONAL, OR DOCTORAL DEGREE	No maximum time limit	

NOTE: An award cannot be granted to a student pursuing a second degree of one already earned.

HARDSHIP PROVISIONS ([19 TAC, SECTION 22.27](#))

A student who is ineligible for a TEG award based on grade point average (GPA), completion rate, or number of completed hours for satisfactory academic progress, or enrollment less than three-quarter time may be deemed eligible under a hardship provision. Each institution must adopt a hardship policy and have the policy available for public review. All hardship decisions must be documented in the student's record and be available for submission to the THECB, upon request.

SATISFACTORY ACADEMIC PROGRESS (SAP) ([19 TAC, SECTION 22.25](#))

At the end of the first academic year, a student must meet the SAP requirements set by the institution to be eligible for a subsequent award.

At the end of the second academic year, and all years thereafter, undergraduates must have completed 24 semester credit hours (SCH) in the most recent academic year with a 75% completion rate for hours attempted in that year, and they must have a minimum 2.5 cumulative GPA or its equivalent. Graduate students must have completed 18 SCH in the most recent academic year with a 75% completion rate for hours attempted in that year, and they must have a minimum 2.5 cumulative GPA or its equivalent.

The chart below reflects requirements, which must be monitored to ensure compliance.

ACADEMIC YEAR	SAP REQUIREMENTS		
END OF 1ST ACADEMIC YEAR	Institutional SAP policy		
END OF 2ND ACADEMIC YEAR OR LATER – UNDERGRADUATE STUDENTS	Completion of at least 24 SCH in the most recent academic year	75% completion rate	2.5 cumulative GPA on a 4-point scale or its equivalent
END OF 2ND ACADEMIC YEAR OR LATER – GRADUATE STUDENTS	Completion of at least 18 SCH in the most recent academic year		

STOP: Summer Satisfactory Academic Progress (SAP) Requirements

If the student *receives* state grant funding for the summer term(s), institutions **must** include credits attempted for summer coursework when calculating the satisfactory academic progress (SAP).

If a student *does not receive* state grant funding for the summer term(s), a student could take summer coursework to re-establish eligibility if they failed to meet SAP requirements during the last term or semester. Summer coursework (not funded using state grants) should not be used to recalculate SAP if the attempted credits will result in the student losing their eligibility for the fall term.

ADDITIONAL INFORMATION

FIRST YEAR APPEALS

If a student completes the first year on academic warning, probation, or on an approved plan, the student can be considered meeting SAP if the institution's policy includes such provisions. However, at the end of the second year, the student must meet the program SAP requirements for continued eligibility, unless deemed eligible by the institution under a hardship provision.

GPA REQUIREMENT

A student who does not meet the GPA requirement at the end of the academic year may appeal to have courses taken at other institutions included in the GPA calculation. In this case, all grade points previously earned must be included in the overall GPA calculation. If the resulting GPA meets or exceeds the program's academic progress requirement, an otherwise eligible student may receive an award in the following term.

FAILING COURSES

The intent of the 24/18 SCH requirement is to encourage timely progression toward a degree. Since a grade of F is not earned toward a degree, it should not be considered when calculating the student's completed hours. Failing grades must be considered attempted hours and therefore counted in the calculation of a student's completion rate.

SELECTIVE SERVICE STATEMENT ([19 TAC, SECTION 22.3](#))

Male students must be registered with or exempt from Selective Service (SS) in order to be eligible to receive federal or state financial assistance. In accordance with [TEC, Section 51.9095](#), male students must file the required **Selective Service Statement of Registration Status** (found below) with their institution or other entity granting or guaranteeing financial assistance. This includes grants, scholarships, loans, or other assistance funded by state revenue, including federal funds or gifts and grants accepted by the state.

When is the statement NOT Required?

- **When the SS registration is confirmed through the Institutional Student Information Record (ISIR):** The ISIR confirmation serves as the student's official, signed statement because the Department of Education validates registration directly with the Selective Service System (SSS).
- **When the SS registration is confirmed through the [SSS.gov website](#):** The institution can save the confirmation directly from the website to serve as the student's official, signed statement on record.
- **When the ISIR confirms that a student is under the age of 18:** No statement or documentation is needed for the applicable award year, even if the student turns 18 during that year.

When is the statement REQUIRED, including all supporting documentation?

- When the student completes a Free Application for Federal Student Aid (FAFSA) but is flagged "not registered" on the ISIR and SS status **cannot** be confirmed on the [SSS.gov website](#).
- **When the student completes a Texas Application for State Financial Aid (TASFA):** The required statement is embedded in the TASFA and must be completed by the student.
- When the student does not complete a FAFSA or TASFA but applies for state financial aid, such as through exemptions or waivers, and SS status **cannot** be confirmed on the [SSS.gov website](#).

Institutions may collect the required status statement and documentation either electronically or on paper.

([English Statement](#) or [Spanish Statement](#))

Male students must verify their current Selective Service registration status by marking one of the statements below and providing proof of their registration status to their current institution. Failure to do so may result in the loss of eligibility for state financial aid.
For more information about Selective Service System, visit [sss.gov](#).

☐ I am under the age of 18 and not currently required to register.

☐ I am **REGISTERED** with the Selective Service and,
Check the following box that applies:
☐ I have already submitted proof of registration to my current institution.
☐ Proof of registration is included with this statement.
☐ I will submit proof of my registration.
NOTE: Proof is required to be considered eligible for financial aid.

☐ I am **EXEMPT** from registration and,
Check the following box that applies:
☐ I have already submitted proof of my exemption to my current institution.
☐ Proof of my exemption is included with this statement.
☐ I will submit proof of my exemption.
NOTE: Proof is required to be considered eligible for financial aid.

☐ I am over the age of 18. I am not registered with Selective Service and I am not exempt from registration with Selective Service.
NOTE: Choosing this option may result in the loss of eligibility for state financial aid.

I, _____, hereby certify that the Selective Service status statement provided above is true and accurate.

Student ID: _____ Signature: _____ Date: _____

ADDITIONAL INFORMATION

FREQUENCY COLLECTING THE STATEMENT

If the student's status will NOT change, the statement and supporting documentation can be used for subsequent semesters. (Example: The student entered the U.S. after the eligible age to register.)

If the student's status is temporary, the statement must be collected each academic year until the student is registered or determined exempt. (Example: Student is under age 18 but did not complete a FAFSA or TASFA.)

RETENTION SCHEDULE

The status statement and all documentation must be retained in the student's record for 7 years after the date of completion of the award period ([TEC, Section 441.1855](#)).

REPROCESSED ISIRS

If the student's most recent ISIR transaction has been reprocessed by the Central Processing System (CPS) and the registration with the SSS was confirmed, the institution does not need to collect the status statement or any documentation.

AWARDING

A TEG award amount for a term or semester may not exceed a student's financial need or tuition differential for that term or semester, or the program maximum for the academic year, whichever is least. Undergraduate students with exceptional financial need may receive up to 150% of the program maximum award. Exceptional financial need is defined as the need an undergraduate student has if his or her expected family contribution (EFC) is less than or equal to \$1,000.

UPDATED: Enrollment in Degree Programs Leading to Religious Ministry (19 TAC, SECTION 22.22(8))

Enrollment in a degree program *leading to religious ministry* makes a student **ineligible** for a TEG award. If a TEG recipient adds a degree *leading to a religious ministry*, there is no uniform method or procedure available that gives institutions the capability to separate funds for an eligible program versus a religious ministry program. The institution must determine when the new program was added and either return TEG funds to the THECB or follow the procedure for timely distribution of funds for ineligible aid.

NOTE: The THECB does not approve degree plans for TEG award eligibility. Institutions will determine if the student's degree plan is intended to lead to religious ministry.

NEW SUMMER AWARDING

All basic eligibility requirements remain the same for summer terms, including the student's minimum enrollment status. Since summer terms vary in length and in the number of hours a student can enroll, summer terms or modules can be combined to establish the student's enrollment hours for eligibility purposes.

ANNUAL MAXIMUM (19 TAC, SECTION 22.28)

Students receiving a TEG cannot exceed the **annual** maximum.

- A student may receive up to the annual maximum amount of \$3,497 (Undergraduates with exceptional need may receive up to \$5,246).
- Total awards for fall, spring, and summer terms cannot exceed the **annual** maximum.
- TEG does **NOT** have a semester maximum.

2021-22 AWARD MAXIMUMS

Total awards for fall, spring, and summer terms cannot exceed the annual maximum.

INSTITUTION TYPE	AWARD MAX PER YEAR	EXCEPTIONAL NEED AMOUNT PER YEAR
PRIVATE/INDEPENDENT INSTITUTIONS	\$3,497	\$5,246

Undergraduate students whose EFCs are \leq \$1,000 may receive up to the Exceptional Need award amount.

TUITION DIFFERENTIAL ([19 TAC, SECTION 22.22](#))

Tuition differential is defined as the difference between the tuition paid at a private or independent institution and the tuition the student would have to pay to attend a comparable public institution in Texas. Fees are not included in this calculation, only tuition rates. The Southern Association of Colleges and Schools (SACS) identifies institutions by the highest levels of degrees they offer. These levels are used by the THECB to identify “comparable” institutions for the purpose of calculating tuition differentials, regardless of accreditation.

The following table shows average resident undergraduate and graduate tuition rates per SCH for public institutions at various SACS levels for the 2021-22 academic year. These amounts should be used by the institution to derive tuition differentials by using the student’s total SCH and multiplying the tuition rate provided (see **Appendix 2** for individual institutional program levels).

SACS LEVEL	UNDERGRADUATE TUITION RATE PER SCH	GRADUATE TUITION RATE PER SCH
ASSOCIATE DEGREE LEVEL 1	\$67	n/a
BACCALAUREATE DEGREE LEVEL 2	\$58	n/a
MASTER’S DEGREE LEVEL 3	\$200	\$282
THREE OR FEWER DOCTORAL DEGREES LEVEL 5	\$207	\$260
FOUR OR MORE DOCTORAL DEGREES LEVEL 6	\$257	\$343
PUBLIC INSTITUTION RATES FOR LAW SCHOOL STUDENTS = \$959 PER SCH		

OVER AWARDS ([19 TAC, SECTION 22.11](#))

If an award has been disbursed and a student receives other assistance that exceeds the student’s financial need, the institution is **not** required to adjust the award unless the sum of the excess resources is greater than \$300.

AWARD ADJUSTMENTS ([19 TAC, SECTION 22.11](#))

Institutions may be required to make award adjustments in the following circumstances:

- Student officially withdraws from enrollment.
 - The institution will use the general refund policy to determine the amount of financial aid to be reduced.
 - A refund is not owed to the program if a student drops or withdraws after the end of an institution’s refund period.
- Student’s disbursement exceeds his/her eligibility amount.
 - Recalculate eligibility amount.

NOTE: If funds are available after an award has been adjusted, they can be re-awarded to other eligible students at the institution. If the funds cannot be re-awarded, they must be returned to the THECB based on the [Timely Distribution of Funds](#).

**ADDITIONAL
INFORMATION****TUITION DIFFERENTIAL EXAMPLE**

- Charges for an independent 2-year institution (e.g., Jacksonville College) should be compared to public community college charges (Level 1).
- A Level 2 institution that only awards TEG to associate degree students (e.g., Southwestern Christian College) should compare its charges to those of public community colleges (Level 1).
- Levels 2, 3, 5, and 6 independent institutions (other than Southwestern Christian College) should compare their charges to the average charges of public institutions at the same levels.

Tuition Differential Calculation

- Institution Current Tuition Rate per SCH = \$515
- Institution SACS Level 5 = \$200
- Undergraduate student is enrolled in 12 SCH for fall and 15 SCH for spring.

To calculate tuition differential:

Institution Current Tuition Rate -
SACS Level Rate = Difference
 \times Total SCH = **Tuition Differential**

For Example:

$\$515 - \$200 = \$315$
 $\$315 \times 27 \text{ SCH} = \$8,505$

This student is eligible for a TEG award since the tuition differential (\$8,508) is more than the maximum award (\$3,420).

PRORATION REQUIREMENT REMOVED

In November 2020, TAC provisions pertaining to proration were removed.

Proration requirements were removed to provide institutions with flexibility to address the needs of their student population and to eliminate an unnecessary level of complexity in the administration of the program.

Institutions now have the discretion to determine grant amounts for previously prorated circumstances.

EXAMPLE: Annual Maximum = \$3,497 or up to \$5,246 (undergraduates with exceptional need)

- **Student A:** Undergraduate student is enrolled less than 3/4 time due to a hardship circumstance:
 - award amount: \$1 - \$3,497 or up to \$5,246 (those with exceptional need)
- **Student B:** Graduate student is enrolled less than 3/4 time due to a hardship circumstance:
 - award amount: \$1 - \$3,497

NOTE: Total awards for fall, spring, and summer terms cannot exceed the annual maximum.

⚠️ ALERT: The following section related to proration from the **2020-21** Program Guidelines was removed:

- Awards must be prorated if the student has been approved for an exception to the 3/4-time enrollment requirement due to a hardship circumstance.

UNDERGRADUATE HARDSHIP PRORATION SCHEDULE	ENROLLED 6-8 HOURS	ENROLLED < 6 HOURS
	50% of the maximum award amount	25% of the maximum award amount
GRADUATE HARDSHIP PRORATION SCHEDULE	ENROLLED 4-5 HOURS	ENROLLED < 5 HOURS
	50% of the maximum award amount	25% of the maximum award amount

PROCESSING FUNDS

REQUESTING AND RETURNING PROGRAM FUNDS

Institutions must submit a form online through the [Grant Payment System](#) application (app) to request or return funds.

- **Requesting Funds:** Institutions can begin submitting requests for funding on **August 2, 2021**. The THECB will begin processing funds *after* **September 1, 2021**. Institutions have *until* the close of business on **August 1, 2022** to request program funds.
- **Returning Funds:** Institutions that submit a return of funds through the Grant Payment System should use the [Electronic Funds Transfer](#) process.

NOTE: Each biennium (the two-year state budget period), funds not requested in the first year can be carried forward for use in the second year. Any funds not requested in the second year of the biennium become available for redistribution as determined by the THECB.

TIMELY DISTRIBUTION OF FUNDS ([19 TAC, SECTION 22.2](#))

Institutions **must** follow these requirements when processing program funds:

- Institutions have **3** business days after receiving the funds to apply the funds to a student's account.
- Institutions have **6** business days after receiving the funds to return undisbursed funds.
- Institutions have **45** calendar days from the date a student becomes ineligible to return disbursed funds.
- Institutions have **120** calendar days to return funds after a student has notified the institution of a decision to cancel the award.

LATE DISBURSEMENTS ([19 TAC, SECTION 22.11](#))

Funds that are disbursed after the end of a student's period of enrollment must be used either to pay the student's outstanding balance for the period of enrollment, or to make a payment on an outstanding loan received during that period of enrollment. The institution is required to document the reason for a student's late disbursement. All late disbursements must be processed prior to the end of the state's fiscal year, unless granted an extension by the THECB. Under no circumstances should funds be released directly to the student in this situation.

AUTHORITY TO TRANSFER FUNDS ([19 TAC, SECTION 22.11](#))

Institutions participating in a combination of Texas College Work-Study (TCWS) or Work-Study Student Mentorship Program (WSMP) and TEG may transfer up to **10%** of the institution's total annual program allocation or **\$20,000** (whichever is less) between programs within the relevant fiscal year.

Transfer requests are submitted online through [CONTACT US](#) (select "Financial Aid Question" under Contact Reason). Institutions requesting a transfer of funds must submit a request by **July 1, 2022**. The Financial Aid Services staff will respond to the institution to provide next steps for the process.

 **ALERT NEW:** During the 87th Legislative Session, the amounts for the Authority to Transfer Funds process were changed, effective for the 2021-22 award year. Institutions participating in a combination of TCWS or Work-Study Student Mentorship Program (WSMP) and one of the three state grant programs (TEXAS Grant, TEOG, and TEG), may transfer up to **25%** of the institution's total annual program allocation or **\$60,000** (whichever is less) between programs within the relevant fiscal year. Administrative rules for the Authority to Transfer Funds are being updated and will be available in 2022 for [19 TAC, Section 22.11](#).

APPENDIX 1: FREQUENTLY ASKED QUESTIONS

1. Can TEG funds be awarded to a student in the same term/semester as an athletic scholarship?

No, a student who is obliged (contractually bound) to play an intercollegiate sport as a condition of the scholarship, regardless of the funding source or amount, is not eligible to receive a TEG award during the same term/semester for which the scholarship funds are being paid.

2. Are institutions required to verify that a student is a Texas resident to issue a TEG award?

Yes, institutions are required to verify that all TEG recipients are Texas residents based on the data collected using the required Core Residency Questions. The core questions are also collected and certified through the ApplyTexas application process, which is an additional resource an institution can use to determine a student's residency status.

3. How is the tuition differential calculated to determine TEG eligibility?

Tuition differential is defined as the difference between the tuition paid at a private or independent institution and the tuition the student would have to pay to attend a comparable public institution in Texas. Fees are not included in this calculation.

To calculate the tuition differential, the institution must first identify its designated Southern Association of Colleges and Schools (SACS) level. SACS identifies institutions by the highest levels of degrees they offer. The THECB publishes average resident undergraduate and graduate tuition rates per semester credit hour for public institutions at various SACS levels each year in the TEG Program Guidelines. These amounts should be used by the institution to derive tuition differentials by using the following equation:

$$\text{Institution Hourly Tuition Rate} - \text{SACS Average Hourly Tuition} = \text{Difference} \times \# \text{ Total Hours Enrolled} = \text{Tuition Differential}$$

4. How long does an institution have after determining a student is ineligible to return TEG funds?

An institution must return funds to the THECB within 45 calendar days of a student becoming ineligible for the funding, except when the funds can be disbursed to a different eligible student (for whom funds have not yet been requested) within the 45-day period.

NOTE: If funds are disbursed after the end of a student's period of enrollment, the funds must be used to pay the student's outstanding balance at the institution or to make a payment on an outstanding student loan for that period. Under no circumstances are funds to be released to the student.

5. Can an institution continue to prorate awards now that the Texas Administrative Code provisions were removed?

Yes, institutions can continue prorating awards but are **no longer required**. Institutions now have the discretion to determine grant amounts if the student meets all eligibility criteria.

APPENDIX 2: SACS PROGRAM LEVELS

INSTITUTION NAME	SACS LEVEL	UNDERGRADUATE TUITION RATE PER SCH	GRADUATE TUITION RATE PER SCH
Abilene Christian University	5	\$207	\$260
Austin College	3	\$200	\$282
Baylor University	6	\$257	\$343
Concordia University Texas	5	\$207	\$260
