

INSTITUTIONS WILLING TO ASSIST VISTA COLLEGE STUDENTS CONTINUE THEIR EDUCATION

Students should contact the institutions directly for more information. Students are encouraged to research and determine their best option for continued education.

Questions regarding Texas-based programs may be directed to these state agencies:

- *Degree programs: Texas Higher Education Coordinating Board*
- *Non-degree programs: Texas Workforce Commission*
- *Nursing programs: Texas Board of Nursing*
- *Cosmetology programs: Texas Department of Licensing & Regulation*

The list is divided by location. Under each location, information is provided for each institution which has indicated it is willing to assist students from that location. Institution background information is provided, including name of institution, business type of institution and whether institution teaches on-ground or online. Vista College programs are listed and comparable programs, as identified by the transferring institution, are provided. Special arrangements for Vista College students are noted.
