

Open Educational Resources Grant Program Awardees 2020

The Division of Academic Quality and Workforce is pleased to announce the 2020 awards under the Open Educational Resources (OER) Grant Program. In May 2020, the Division released a Request for Applications (RFA) that aimed to support faculty at Texas public institutions of higher education to adopt, modify, redesign, or develop courses that use only Open Educational Resources (OER).

Through a competitive process, 20 applicants have been selected for OER Grant Program awards.
