

NEW STUDENT LOAN MANAGEMENT SYSTEM LAUNCHING IN OCTOBER 2026

**Texas Higher
Education**
COORDINATING BOARD

The new system will provide a more modern, secure, and user-friendly experience for borrowers, institutions, and scholarship recipients. It will support the administration and servicing of the College Access Loan (CAL), Future Occupations & Reskilling Workforce Advancement to Reach Demand (FORWARD) Loan, and Texas Armed Services Scholarship Program (TASSP).

KEY BENEFITS

End-to-End Application Tracking

Monitor application progress from submission through certification, disbursement, and servicing.

Streamlined Certification Process

Certify and update loan information online through a dedicated institution portal.

Real-Time Status Updates

Access current application, eligibility, and disbursement information without waiting for manual updates.

Automated Notifications

Receive system-generated updates when borrower information changes or actions are required.

Reporting and Data Access

Generate and download reports to support financial aid administration and reconciliation activities.

Improved Student Loan Visibility

Online access to loan details from application through repayment.
