

Texas Core Curriculum Courses most taken by transfer students 2017-2019

An Applicant that proposes to redesign a Texas Core Curriculum course or courses with high transfer rates may receive up to 10 additional points during the application evaluation, as per Section 7.2 of the Request for Applications for the Open Educational Resources Course Development and Implementation Grant Program. This list of courses in the state with the highest transfer rates since 2017 were determined using reported data from the CBM001, CBM00S, and Texas Higher Education Coordinating Board Approved Core Course Inventory.
