

Texas Higher Education Coordinating Board Recognized Accreditors

The Coordinating Board recognizes accrediting agencies with a demonstrated commitment to academic quality and student achievement. These accrediting agencies have been approved through an application process. Coordinating Board-recognized accreditors require institutions to meet standards or criteria comparable to the Coordinating Board's Standards for Operation of Institutions.

The Texas Administrative Rule that provides criteria for accrediting agencies to be recognized and accredit institutions in Texas is [THECB Rule 7.6](#).

The Coordinating Board recognizes the following institutional and professional or specialized accrediting agencies.
