Data Sources

[Standard Occupational Classification \(SOC\) code, Occupational Title, Growth Rate, Median Annual Wage, Annual Average Employment Base Year and Projection Year, Annual Openings data provided by Emsi Burning Glass, 2022. Source: Emsi Burning Glass – \[www.economicmodeling.com\]\(http://www.economicmodeling.com\)](#)

Competitive Education Requirement (CER) data provided to TEA by R.C. Froeschle Consulting, as used in development of statewide programs of study list.

Notes

Under 'Growth Wage Category,' cells are highlighted green when value met or exceeded the region median value ('HIGH'); yellow when value did not meet the region median value ('LOW'); or grey when value was redacted.

Data are sorted from high growth/high wage to low growth/low wage, by career clusters, weighted by career cluster growth rate. Occupations with redacted median wage of the report.

Wage data was redacted if the survey sample was insufficient.

Some occupations may belong to more than one program of study or career cluster. Cells are blank if the occupation did not have a program of study identified within the report. [Refer to the Texas Comprehensive Local Needs Assessment Guidebook and LMI Guide for more information about how to use these data. <https://tea.texas.gov/academics/career-and-military-prep/career-and-technical-education/perkins-v>](#)
