Subject: DEADLINE EXTENSION - Accelerate Student Success Planning Grant Opportunity

On May 26, 2022, Commissioner Keller released a [memorandum](#) announcing the Accelerate Student Success Planning Grant opportunity for eligible institutions to request up to \$50,000 to plan for development or expansion of innovative programs and initiatives that accelerate student success by positively impacting access, persistence, completion, and workforce transitions (see [Accelerating Student Success Planning Grants - THECB \(texas.gov\)](#)). We are announcing that the deadline to submit the completed application packet has been extended one week to **June 13, 2022**.

As provided in Commissioner Keller's previous memorandum, Texas public and private/independent institutions of higher education, university systems; health-related institutions; or community, technical, and state colleges, as defined in [Texas Education Code, Section 61.003\(2\)\(3\)\(10\)\(15\)\(16\)](#), are eligible to apply.
