

College Readiness and Success Models Grant Program

2023-2025

Program Purpose

The 2023 College Readiness and Success Models Program is established to continue scaling effective strategies that promote systemic reforms, to improve student outcomes and provide professional development opportunities for faculty and staff focused on improving advising, acceleration strategies and completion/transfers of underprepared students.

Twenty-four (24) applications were received from a diverse group of institutions. Through a competitive evaluation process and with current funding, almost \$1,300,000 was awarded to 13 institutions to engage in continuous improvement of developmental education programs, scale enrollments in corequisite models for students at TSI Assessment Diagnostic Level 4, study and implement multiple measures assessment placement models, and professional development engagement for faculty with roles in delivering corequisite models.
