1 OVERVIEW OF FUNDING OPPORTUNITY

1.1 PROGRAM TITLE: Career and Technical Education—Basic Grants to States

1.2 Program Authority

P.L. 109-270, Title I, Part A, Sec. 112; Part B Sec. 121 and 124; Part C, Sec. 132; 34 CFR §§ 403.70 Authorizing legislation & .71; Subpart E; and Tex. Educ. Code§ 7.109(c)

1.3 SYNOPSIS OF PROGRAM

On July 31, 2018, the President signed the Texas State Plan for the Strengthening Career and Technical Education for the 21st Century Act (Perkins V or Act) into law, reauthorizing and updating the Carl D. Perkins Career and Technical Education Act of 2006. Perkins V continues the long-time federal commitment to Career and Technical Education (CTE) by providing funding for CTE programs and focusing on improving the academic and technical achievement of CTE students, strengthening the connections between secondary and postsecondary education, and improving accountability.

The new law went into effect on July 1, 2019. Fiscal Year (FY) 2020 was the Perkins V transition year, followed by the implementation year in FY 2021. The Texas State Plan for Perkins V sets forth the state’s vision for CTE. It describes how the state will implement CTE programs and programs of study, meet the needs of special populations as defined under Perkins V, exercise fiscal responsibility for Perkins funds, and enforce accountability for program results.

Perkins V Basic Grants help to advance the following goals of the *Building a Talent Strong Texas Strategic Plan for Higher Education Plan* ([Building a Talent Strong Texas - THECB](#)):

- Goal 1: Attainment of Postsecondary Credentials. By 2030, at least 60% of Texans ages 25-64 will have a degree, certificate, or other postsecondary credential of value; and
- Goal 2: Postsecondary Credentials of Value. by 2030, at least 550,000 students will complete postsecondary credentials of value each year. with 95% of graduates having no debt or manageable levels of debt in relation to their potential earnings.

The Texas Higher Education Coordinating Board (“THECB”) requests Applications from Eligible Applicants (as the term is defined herein) for consideration for receiving federal funding under Career and Technical Education - Basic Grants to States (“Perkins Basic Grant Program”) for state fiscal year 2024 (September 1, 2023, through August 31, 2024).

To receive federal funding under the Perkins Basic Grant Program, the Eligible Applicant must:

- meet the requirements of this Request for Applications (RFA);
- address the goals and objectives of the Perkins V Texas State Plan 2021-2024 under the requirements of the Strengthening Career and Technical Education for the 21st Century Act, which can be found at:
<https://www.congress.gov/115/plaws/publ224/PLAW-115publ224.pdf> ;

**PERKINS BASIC GRANT PROGRAM

- address Goal 1, Attainment of Postsecondary Credentials, of the *Building a Talent Strong Texas* Strategic Plan for Higher Education Plan ([Building a Talent Strong Texas - THECB](#)) in the Local Application.

1.5 FUNDING SOURCE

Federal funds in Texas are provided through the Strengthening Career and Technical Education for the 21st Century Act (Perkins V). Funds for Title I of the Perkins Act are allocated to the state and divided between secondary and postsecondary education through a formula developed by the Texas Education Agency (TEA), which splits the funds 70% – 30% between TEA and the THECB. TEA awards funds annually to the THECB through a sub-grant. TEA additionally provides grant guidance (Appendix L).

2 AWARD SUMMARY

2.1 FUNDING METHODOLOGY AND ALLOCATION

Annual Perkins Basic Grant awards (individually referred to as a “Grant” or “Grant Award”) are based on a formula allocation of available federal funds to Eligible Applicants (Appendix A) based on each Eligible Applicant’s students who participate in CTE programs and receive Pell Grants. To qualify for a Grant Award, the Eligible Applicant must have a sufficient number of FTSEs to collectively generate a minimum of \$50,000 in the formula.

Any unspent funds from the previous grant period may be reallocated by THECB to Awarded Applicants, including unspent Perkins Basic and Leadership funds and administrative funds.

If unspent funds are reallocated, the formula allocation will be applied proportionally to eligible recipients to determine reallocation awards.

6 PROGRAM PURPOSE

The Perkins Basic Grant Program supports Awarded Applicants in educating students who enroll in CTE courses and programs in preparation for high-skill, high-wage, or high-demand occupations. An Application submitted under this RFA shall address an institution's updated FY2024 CLNA findings in a manner appropriate for the institution's local needs. The Applicant must, at a minimum, include the following in the FY 2024 Application:

PERKINS BASIC GRANT PROGRAM
Texas Higher Education Coordinating Board
2023-2024

- The Local Application (Appendix G), Item 1, shall summarize the **gaps** identified for the six sections of the CLNA and the **goals** developed to address identified gaps.
- The Program Improvement and Evaluation Plan (PIEP; Appendix H) for each of the three Perkins V core indicators (Appendix I) shall incorporate goals identified in the Local Application, Item 1, in a manner appropriate for the institution's local needs and consistent with each core indicator's focus. An Applicant may prioritize goals appearing in the FY 2024 Application but shall at a minimum address in the PIEP those goals identified for Student Performance and Improving Access and Equity.
- The Application Budget shall identify the CLNA goal in budget line items that address prioritized goals for FY 2024 and shall at a minimum budget Perkins funds to support goals identified in the CLNA for Student Performance and Improving Access and Equity. It is not required that every budget line item have an accompanying CLNA goal.

7.3 LOCAL APPLICATION (APPENDIX G)

The Applicant shall submit a Local Application, comprising 10 sections that address the nine statutory requirements of the Perkins Act and Goal One, Attainment of Postsecondary Credentials, of the *Building a Talent Strong Texas* Strategic Plan for Higher Education ([Building a Talent Strong Texas - THECB](#)).

7.3.1 Special Populations

In referencing “special populations” in the Local Application and other sections of the Application, the Applicant shall use the term to mean:

1. individuals with disabilities;
2. individuals from economically disadvantaged families, including low-income youth and adults;
3. individuals preparing for non-traditional fields;
4. single parents, including single pregnant women;
5. out-of-workforce individuals;

- Implement strategies to overcome identified barriers that result in lower rates of access to, or performance gaps in, the courses and programs for special populations;

PERKINS BASIC GRANT PROGRAM
Texas Higher Education Coordinating Board
2023-2024

- provide activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations that will lead to self-sufficiency;
- provide equitable access for special populations to career and technical education courses, programs, and programs of study; and
- ensure that members of special populations will not be discriminated against on the basis of their status as members of the nine designated special populations categories;

The Awarded Applicant shall assist in fulfilling the transitional service requirements of Sections 1412, 1414, and 1415 of the [Individuals with Disabilities Education Act](#) where such services support transition from secondary education to postsecondary education.

7.3.2 CLNA Gaps and Goals

The Local Application shall summarize the gaps identified for the six sections of the CLNA and the goals developed to address identified gaps. Use Prompt 1 of the Local Plan section of the application to identify gaps and goals identified in CLNA study.

7.3.3 Requirement for Programs of Study

The Local Application shall provide information on the career and technical education course offerings and activities that the eligible recipient will provide with funds under this part, which shall include **not less than one program of study** implemented with one or more high schools through a Memorandum of Understanding (MOU) or Articulation Agreement.

Perkins V, Sec. 3(41) defines the term ‘program of study’ as a “coordinated, nonduplicative sequence of academic and technical content at the secondary and postsecondary level that:

- (A) incorporates challenging State academic standards, including those adopted by a State under section 1111(b)(1) of the Elementary and Secondary Education Act of 1965;
- (B) addresses both academic and technical knowledge and skills, including employability skills;
- (C) is aligned with the needs of industries in the economy of the State, region, Tribal community, or local area;
- (D) progresses in specificity (beginning with all aspects of an industry or career cluster and leading to more occupation-specific instruction);
- (E) has multiple entry and exit points that incorporate credentialing; and
- (F) culminates in the attainment of a recognized postsecondary credential.

Respond to Prompt 7 of the Local Plan Narrative of the application to identify at least one local secondary-postsecondary program of study MOU or articulation agreement.

7.4 PERFORMANCE IMPROVEMENT/EVALUATION PLANS (APPENDIX H)

The Applicant shall develop a Performance Improvement/Evaluation Plan (PIEP) for **each of the three Perkins V core indicators (Appendix I)**. The PIEP must demonstrate how Perkins-funded programs, activities, and key budget items identified for each core indicator will improve the Applicant’s performance toward meeting the state-determined target for the indicator and toward closing gaps in special populations student performance. Awarded Applicants shall use Grant funds toward improvement in each of the three core indicators and closing special population student performance gaps *as a primary purpose in the use of these*

funds. Core indicator PIEPs shall incorporate prioritized CLNA goals for FY 2024 as required by Sec. 7.2 of this RFA.

7.4.1 Performance Improvement Plan

The Applicant shall develop a Performance Improvement Plan that identifies the Perkins-funded CTE programs, activities, and specific budget items that will play a significant role in improving its performance on each core indicator and address prioritized FY 2024 CLNA goals. The Plan shall, at a minimum, address goals identified in the CLNA's Student Performance and Access and Equity sections.

7.4.1.1 Summary of Plan

The Applicant institution shall summarize how it will meet or exceed the state-determined target for each core indicator and address prioritized FY 2024 CLNA goals including Student Performance and Access and Equity goals. The summary must be sufficiently detailed to demonstrate (a) the specific challenges for the Applicant in improving its performance on the state-determined target and (b) how the identified CTE programs, activities, and requested budget items make specific contributions toward meeting the core indicator target and addressing prioritized CLNA goals.

FY23-24 Entry Format: *Components of the Plan.*

FY23-24 Sample Entry:

In keeping with performance gaps identified in its CLNA, the College has developed a plan comprising four major efforts: (1) targeting high-enrollment CTE certificate and degree programs that show the greatest potential for recruiting, retaining and graduating under-represented gender groups in nontraditional fields (CLNA goal VI.3.a); (2) providing group counseling and advising to under-represented students in those targeted programs (CLNA goal I.2.b); (3) providing specific support services that have been shown to be effective in ensuring the students' attendance and progression (CLNA goal VI.1.a); and (4) enhancing the knowledge and skills of instructors and professional staff who work directly with students in nontraditional fields.

7.4.1.2 Key CTE Programs and Activities

The Applicant shall identify key CTE individuals, programs, and activities that will play a significant role in meeting or exceeding the state-determined target for each core indicator and addressing prioritized FY 2024 CLNA goals.

If citing the same program or activity for more than one core indicator, the Applicant shall make clear its relevance to each core indicator and, as relevant, the prioritized FY 2024 CLNA goal.

Entry Format: *Campus Location (if applicable) - Program, Individual, or Activity »
Justification for Activity identified in the CLNA*

Sample Entries:

Bluebonnet Campus - Automotive Technology Program – This AAS program had the largest CTE enrollment of women during the previous academic year and, shows the greatest

PERKINS BASIC GRANT PROGRAM
Texas Higher Education Coordinating Board
2023-2024

potential to recruit and retain nontraditional students to degree completion (CLNA goal VI.3.a).

Student Counseling Services – Research and the College’s CLNA stakeholder outreach indicate that individual and group counseling will be effective in retaining women in nontraditional degree programs. The College plans to expand these services by highlighting their availability and organizing orientation meetings in targeted CTE programs (CLNA goal VI.1.a).

7.4.1.3 Specific Budget Items

The Applicant shall identify specific budget items that will play a significant role in meeting or exceeding the state-determined target for each core indicator and addressing prioritized FY 2024 CLNA goals. Only budget items relevant to the core indicator plan should appear.

Budget items shall comply with the Requirements for Uses of Funds (Appendix K) and the Carl D. Perkins Grant Cost Guidelines (Appendix L). ***If citing the same budget item for more than one core indicator, the Applicant shall make clear its relevance to each core indicator and, as relevant, the prioritized FY 2024 CLNA goal.***

Perkins V broadens uses of funds to include support for local student organizations. It does not include memberships in national organizations unless they are required for a skills competition.

If a national organization that supports local chapters at colleges requires national organization membership, the membership should be for the college, not individual students. If the national organization requires individual student memberships (doubtful) and the college stands the cost for those student memberships, the college may use Perkins funds for special populations students but not all CTE students.

If the college requires students to fund their own required memberships, they may support special populations to mitigate a potential barrier to participation.

Entry Format: *Budget Schedule » Campus Location (if applicable) - Program, Individual, or Activity » Funding Amount » Justification for Activity*

Sample Entries:

Schedule A: Bluebonnet Campus - The Special Populations Counselor will develop and lead a new monthly support group for women enrolled in the Automotive Technology Program (10% time @ \$5,000) – Research shows that women’s support groups have been successful in retaining women in certain CTE fields. Retention was found to be an issue of particular concern in the CLNA analysis. (CLNA goal I.2.b)

Schedule B: Bluebonnet Campus - The Special Populations Counselor will attend the Women in the Automotive Workforce Conference in Detroit, Michigan, October 15-17, 2023 (\$1,800) – the conference agenda includes presentations and breakout sessions on retention issues. (CLNA goal I.2.b.) Travel costs appear here. Conference fee appears on Schedule F.

*Schedule F: Child Care Vouchers (\$30,500, representing an estimated 122 vouchers @ \$250)
- Tracking retention of students receiving these vouchers has documented that they are effective in helping special populations students persist in CTE programs. (CLNA goal VI.1.a)*

7.4.2 Evaluation Plan

The Applicant shall develop an Evaluation Plan that measures the effectiveness of the Perkins-funded programs, activities, and budget items in the Performance Improvement Plan. The Evaluation Plan shall include (a) activities and strategies; (b) a planned timeline; and (c) target measures that can be evaluated prior to the end of the grant period.

7.4.2.1 Activities and Strategies

The Applicant shall identify and describe specific activities and strategies that will be used to meet or exceed the approved, state-determined target for each core indicator and address needs identified in the CLNA. **The identified activities and strategies shall align with the key CTE programs, activities, and budget items identified in the Performance Improvement Plan for each core indicator.** Each activity and strategy shall be quantifiable in terms of its outcome. Prioritized CLNA goals for FY 2024 shall be addressed as relevant to the PIEP.

If applying the same activity or strategy to more than one core indicator, the Applicant shall indicate how it contributes to improved performance in each core indicator and, as relevant, the prioritized FY 2024 CLNA goal.

PLEASE NOTE: Activities and strategies that extend the full length of the Grant Period should be divided into sub-activities and sub-strategies that will show the Awarded Applicant's incremental progress in completing the larger activities and strategies.

Entry Format: *Campus Location (if applicable) - Program, Individual, or Activity »
Description of Activity*

Sample Entries:

Bluebonnet Campus - The Special Populations Counselor will hold monthly support group meetings for women enrolled in targeted programs. (CLNA goal VI.1.a)

Bluebonnet Campus - In collaboration with the Special Populations Counselor, the Automotive Technology instructors will implement an action plan to retain women in the Automotive Technology Program, evaluate the success of the strategies in that plan, and identify successful strategies that are transferrable to other CTE programs. (CLNA goal I.2.b)

Sub-strategy: *Special Populations Counselor and AT instructors will develop an action plan.*

Sub-strategy: *AT instructors will implement strategies of action plan in the spring semester.*

Sub-strategy: *Special Population Counselor and AT instructors will use retention data and student feedback to determine effectiveness of strategies.*

The Student Services Center will track students who have received child-care vouchers during the fall semester.

7.4.2.2 Timeline Planned

The Applicant shall identify a timeline for each activity and strategy. The timeline should be in a monthly/quarterly format unless an activity or strategy extends the length of the Grant Period. **In that case, the timeline for the activity or strategy should be subdivided appropriately to show the Awarded Applicant’s incremental progress on the larger activity or strategy.**

Sample Entries:

September 2023 – December 2023; January 2024 – May 2024.

(For an activity aligned with a college semester or term)

November 2023 – March 2024

(For a small activity that represents an incremental step within a larger activity or project.)

7.4.2.3 Target Measures

The Applicant should identify one or more target measures for each activity and strategy. Each target measure must (a) clearly relate to its activity/strategy and (b) state a planned outcome toward improved performance for the core indicator under which the activity/strategy falls.

Target measures shall be based upon data that can be collected prior to submission of the Final Report.

Sample Entries:

9.10 RELEASE OF APPLICATION INFORMATION BY THE THECB

9.10.1 *Public Information Act.* Awarded Applicant understands and acknowledges that as a Texas state agency, the THECB is subject to the provisions of the Texas Public Information Act, Government Code, Chapter 552 as interpreted by judicial opinions and the opinion of the Attorney General of the state of Texas. Awarded Applicant will cooperate with the THECB in the production of documents responsive to any such requests under the Public Information Act. Awarded Applicant is required to make any information created or exchanged with the state pursuant to this Agreement, and not otherwise exempted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state. The THECB will make a determination whether to submit a Public Information Act request to the Attorney General. This RFA, Awarded Applicant's Application, any Grant awarded to the Applicant, and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act. To the extent Grantee is subject to the Public Information Act, Grantee will notify the THECB's General Counsel within 24 hours of receipt of any third party requests for information it receives relating to this Agreement.

9.10.2 All submitted Applications become the property of the THECB after the RFA submittal deadline date. Upon acceptance of the Grant Award, all information submitted with Applicant's Application becomes part of the Grant Award and becomes public record. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

9.10.3 Any proprietary information included in Applicant's Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant and such identification was submitted concurrently with the original submission of the proprietary information. Such identification of proprietary information shall be clearly marked in the Application at each page it appears. Such markings shall be in boldface type at least 14-point font. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information.

9.10.4 If Awarded Applicant(s) fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon public request after the Grant is awarded. The production of any material under the Grant shall not have the effect of violating or causing the THECB to violate any law, including the Texas Public Information Act.

9.11 NONCOMPLIANCE

As consistent with applicable law (e.g., 2 CFR §§ 200.339-.343), if Awarded Applicant, in the THECB's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under the Grant Award, the THECB may impose such remedies as it may deem appropriate. An Awarded Applicant may additionally be subject to such remedies under the current award if the Applicant is found, as the result of an investigation, to have been in material breach of the terms of a previous grant awarded under the Carl D. Perkins Career and Technical Education Improvement Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act. This includes but is not limited to the withholding of payments to Awarded Applicant until Awarded Applicant complies; the

cancellation, termination, or suspension of this Grant Award in whole or in part; and the seeking of other remedies that may be legally available. Any cancellation, termination, or suspension of this Grant, if imposed, shall become effective at the close of business on the day of Awarded Applicant's receipt of written notice thereof from the THECB.

9.12 AMENDMENT AND TERMINATION

9.12.1 *Amendment.* Any amendment or change to the Grant Award which becomes necessary shall be accomplished by a formal Grant Award amendment signed and approved by duly authorized representatives of Awarded Applicant and the THECB. (See Appendix N, Changes to Grant Plan or Budget.) None of the parties to the Grant Award will be bound by any oral statements, agreements, or representations contrary to the written Grant Award requirements and terms and conditions.

9.12.2 *The THECB's Right to Termination.* As consistent with applicable law (e.g., 2 CFR §§200.339-.343), the THECB may terminate the Grant Award, in whole or in part immediately upon notice to Awarded Applicant, or at such later date as the THECB may establish in such notice, upon the occurrence of any material breach, or discovery by audit or investigation of a past material breach, including, but not necessarily limited to, non-compliance with requirements and assurances outlined in the RFA or its "Provisions and Assurances," failure to provide accurate, timely, and complete information as required by the THECB to evaluate the effectiveness of the program, or a failure to perform any of the work under the Contract to the THECB's satisfaction within the time specified herein or any extension thereof. Any instance of non-compliance shall constitute a material breach. The THECB may, in its sole discretion, provide Awarded Applicant with an opportunity for consultation with the THECB prior to termination. If Awarded Applicant fails or refuses to perform its obligations under the Contract, the THECB may exercise any and all rights as may be available to it by law or in equity.

9.12.3 *Interpretation.* As consistent with applicable law, the Grant may be terminated in the event that federal or state laws or other requirements or a judicial interpretation renders continued fulfillment of the grant on the part of either party unreasonable or impossible. If the parties hereto should be unable to agree upon amendment which would thereafter be needed to enable the substantial continuation of the services contemplated herein, then, upon written notification by the THECB to Awarded Applicant, the parties shall be discharged from any further obligations created under the terms of the grant, except for the equitable settlement of the respective accrued interests or obligations incurred up to the date of termination. The THECB reserves the right, at its sole discretion, to unilaterally amend the grant throughout the Grant Period to incorporate any modifications necessary for the THECB compliance, as an agency of the state of Texas, with all applicable state and federal laws, rules, regulations, requirements, and guidelines.

9.12.4 *Effect of Termination.* As consistent with applicable law (e.g., 2 CFR §§ 200.339-.343), upon receipt of written notice to terminate, Awarded Applicant shall promptly discontinue its work on the project (unless the notice directs otherwise), refund partially or fully all Grant proceeds in accordance with written notice, and shall deliver or otherwise make available to the THECB, a summary of work products (e.g., the required Project components) developed by Awarded Applicant under the Grant Award, whether completed or in process. Upon any termination, all indemnities, including without limitation those set forth in the Grant Award, as well as Grant Award provisions regarding confidentiality,

records retention, right to audit, and dispute resolution, shall survive the termination of the Grant Award for any reason whatsoever and shall remain in full force and effect. The THECB shall be liable to Awarded Applicant for that portion of the project authorized by the THECB and which has been completed prior to the effective date of termination, provided that the THECB shall not be liable for any work performed that is not acceptable to the THECB and/or does not meet Grant Award requirements.

9.12.5 In the event of termination, the THECB reserves the right to negotiate another award based on another Applicant's submission if it is in the state's best interest.

9.13.4 The THECB shall not be responsible for notices that are captured, blocked, filtered, quarantined, or otherwise prevented from reaching the proper destination server by THECB or Grantee's anti-virus or other security software.

9.14 FALSE STATEMENTS AND BREACH OF REPRESENTATIONS

Grantee represents and warrants that all statements and information prepared and submitted to the THECB are current, complete, true, and accurate. Submitting a false statement or material misrepresentations made during the performance of a Grant Award/Agreement is a material breach and may void the Grant Award/Agreement.

9.15 ASSIGNMENT OR SUBCONTRACTING

Unless otherwise provided for in this RFA, no rights, interest, or obligations in a Grant Award resulting from this RFA shall be assigned, subcontracted, or delegated by Awarded Applicant without prior written permission of the THECB Point of Contact. Any attempted assignment, delegation, or subcontract by Awarded Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph. No delegation, assignment, or subcontract shall relieve Awarded Applicant of any responsibility under this RFA.

Awarded Applicant represents and warrants that it will incorporate all applicable federal laws, regulations, and terms and conditions into any assignment or subcontracting entered into in conformity with this Paragraph.

Awarded Applicant agrees that all Works (the term “Works” is defined as “all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Awarded Applicant for this Grant Award”) are, upon creation, works made for hire and the sole property of the Texas Education Agency (“TEA.”) If the Works are, under applicable law, not considered works made for hire, Awarded Applicant hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Awarded Applicant agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Awarded Applicant for the Contract Project, granting Awarded Applicant rights sufficient to support the performance and grant of rights to TEA by Awarded Applicant. Copies of such agreements shall be provided to TEA promptly upon request.

Awarded Applicant warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Awarded Applicant will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. 9.22 AUDIT AND ACCESS TO RECORDS

9.22.1 Awarded Applicant acknowledges that acceptance of funds under the Contract acts as acceptance of the authority of (1) the Texas State Auditor's Office, or any successor agency, (2) the Texas State Auditor's Office or any successor agency, under the direction of the Texas Legislative Audit Committee, (3) the THECB's Internal Auditor, and (4) any external auditors selected by the THECB, the State Auditor's Office, or the United States, (collectively referred to as "Audit Entities") to conduct an audit or investigation in connection with those funds. Awarded Applicant further agrees to cooperate fully with Audit Entities in the conduct of the audit or investigation, including providing all records requested. Awarded Applicant shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Awarded Applicant and the requirement to cooperate is included in any subcontract the Awarded Applicant awards.

9.22.2 Awarded Applicant shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Awarded Applicant in connection with the Contract. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the Approved Application. The Applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. These records and accounts (which includes all receipts of expenses incurred by Awarded Applicant) shall be retained by Awarded Applicant and made available for inspecting, monitoring, programmatic or financial auditing, or evaluation by the THECB and by others authorized by law or regulation to do so for a period of not less than seven (7) years from the date of completion of the Contract or the date of the receipt by the THECB of Awarded Applicant's final claim for payment or final expenditure report, the date all related billing questions are resolved, or the date any related litigation issues are resolved, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed. Awarded Applicant shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related to the Contract. expenditure of funds and for monitoring project performance and adherence to Grant terms and conditions under the Contract.

9.22.4 The THECB reserves the right to require the reimbursement of any over-payments determined as a result of any audit or inspection of records kept by Awarded Applicant on work performed under the grant. Awarded Applicant shall reimburse the THECB within 30 calendar days of receipt of notice from the THECB of overpayment. Awarded Applicant's failure to comply with this "Audit and Access to Records" subsection shall constitute a material breach of the Contract.

Awarded Applicant assures it will maintain a financial management system that complies with federal standards established in 2 CFR §§ 200.302, .303, and .305, as applicable, and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved Grant Application. Awarded Applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. In addition, Awarded Applicant shall have an accounting system that accounts for cost in accordance with generally accepted accounting principles. Awarded Applicant's accounting system must include an accurate and organized file/records system for accounting and financial purposes for providing backup materials for billings.

A copy of such audit shall also be submitted to the THECB if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by the THECB.

An Awarded Applicant shall provide written notification to the THECB that an audit was conducted in accordance with 2 CFR §200, Subpart F when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by the THECB or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by the THECB. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the THECB Division of Financial Services. Audit reports must be submitted to the THECB within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to the THECB could result in a reduction of funds paid to the Awarded Applicant, a refund to the THECB, termination of the grant award, and/or ineligibility to receive additional grant awards from the THECB.

Entities that expend less than \$750,000 in a fiscal year in federal awards are exempt from the audit requirements in the Single Audit Act and 2 CFR §200, Subpart F. However, such

Awarded Applicant shall reimburse the THECB within 30 calendar days of receipt of notice from the THECB of overpayment. If Awarded Applicant fails to make timely payment, the THECB may obtain such money from Awarded Applicant by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds. This section (Refunds Due To the THECB) survives the termination of the Contract.

If the Awarded Applicant determines that funds must be returned to the THECB, the Awarded Applicant must contact the THECB for refund instructions.

The disposal of equipment with a current per unit fair market value in excess of \$5,000 or unused supplies with a total aggregate fair market value in excess of \$5,000 that were purchased with federal grant funds must be catalogued and submitted to the THECB on the Perkins Inventory Disposition Request Form located on the [Perkins Portal, Tools and Data Resources](#) page.

9.26 NON-APPROPRIATION OF FUNDS

The Grant may be terminated if funds allocated to the THECB become reduced, depleted, or unavailable during the Grant Period, and to the extent that the THECB is unable to obtain additional funds for such purposes. The THECB shall negotiate efforts as first consideration and if such efforts fail, then the THECB shall immediately provide written notification to the Awarded Applicant of such fact and the Grant shall be deemed terminated upon receipt of the notification, and neither party shall have any further rights or obligations hereunder.

Awarded Applicant shall not incur new obligations after the effective date of termination and shall cancel as many outstanding obligations as reasonably practicable. The THECB shall be liable for costs incurred up to the time of such termination. Beginning with the FY 2024 program year, institutions applying for Carl D. Perkins Formula funds shall submit Certification of Compliance with Section 504 (Rehabilitation Act of 1973), ADA Title II, and Implementing Regulations. The Certification form is attached to this RFA as Appendix E and must be submitted with the Application Cover Page.

The *Guidelines for Eliminating Discrimination and Denial of Services on the Basis of Race, Color, National Origin, Sex and Handicap in Vocational Education Programs* (34 C.F.R Part 100, Appendix B) require THECB to conduct compliance reviews of colleges that offer CTE programs and receive federal financial assistance from the Department of Education, including Perkins funds.

THECB conducts compliance reviews in accordance with the Texas Postsecondary Methods of Administration (MOA) for Complying with Civil Rights Requirements in Vocational Education Programs approved by the Office of Civil Rights (OCR) of the U.S. Department of Education (USDOE).

THECB performs compliance oversight for the following federal statutes and their implementing regulations:

- Discrimination on Basis of Race, Color, and National Origin. Title VI of the Civil Rights Act of 1964 (34 C.F.R. Part 100 (Title VI));
- Discrimination on Basis of Sex. Title IX of the Educational Amendments of 1972 (34 C.F.R. Part 106 (Title IX));
- Discrimination on Basis of Disability:
 - Section 504 of the Rehabilitation Act of 1973, (34 C.F.R. Part 104 (Section 504)); and
 - Title II of the Americans with Disabilities Act of 1990, (28 C.F.R. Part 35 (Title II)).

In July 2018, Congress passed the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), reauthorizing and updating the Carl D. Perkins Career and Technical Education Act of 2006. Perkins V reinforces the Act's longstanding requirement to assess and reduce barriers for students in designated special populations categories and adds new accountability requirements.

In February 2020, the OCR and USDOE's Office of Career, Technical, and Adult Education (OCTAE) issued a joint memorandum that encouraged state agencies to update approved MOAs to incorporate Perkins V equity and civil rights oversight into existing compliance oversight. The USDOE approved THECB's updated MOA in September 2020.

PERKINS BASIC GRANT PROGRAM
Texas Higher Education Coordinating Board
2023-2024

THECB's updated MOA adds analysis of disaggregated institutional Perkins special populations data and analysis of an institution's Comprehensive Local Needs Assessment (CLNA) implementation, as evidenced by core indicator performance trends, to existing analysis of racial, ethnic, gender, and disabilities data. The purpose is to identify institutions with significant gaps in CTE student performance, including special populations' access to CTE.

Students with disabilities are protected by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990. Such students are also a designated Perkins special populations category.

Please email a signed copy of the Certification Regarding Lobbying and Disclosure Form (Appendix C), Certification of Sec. 504 and ADA Title II Compliance, and the FFATA Certification (Appendix E) with the Application Cover Page. Applicants may use the fillable PDFs of these forms posted to the [Perkins Basic and Leadership Request for Applications](#) with each RFA.

Performance Improvement Plan

Summary of Plan for 2023-2024.

Following completion of its CLNA, the College has developed a plan comprising four major efforts: (1) targeting high-enrollment CTE certificate and degree programs that show the greatest potential for recruiting, retaining and graduating under-represented gender groups in nontraditional fields; (2) providing group counseling and advising to under-represented students in those targeted programs; (3) providing specific support services that have been shown to be effective in ensuring the students' attendance and progression; and (4) enhancing the knowledge and skills of instructors and professional staff who work directly with students in nontraditional fields.

Key CTE Programs and Activities Identified for 2023-2024.

Welding Technology Program – This AAS program had the second largest CTE enrollment of women during the previous academic year and, in the College's CLNA and analysis of dual-credit offerings and other student support and outreach activities, the program showed the greatest potential to recruit and retain nontraditional students to degree completion. CLNA Goal VI.3.b.

Air Framing Program – This certificate program had a 25% increase in enrollment in the previous semester due, in part, to aggressive recruiting by women mentors at partnering high schools. As a result, women represented the majority of that increase through a pipeline created from the College's outreach efforts and dual credit offerings. CLNA Goal VI.3.b.

Student Counseling Services – The College's research has shown that individual and group counseling has been effective in retaining women in nontraditional degree programs. The College plans to expand these services by highlighting their availability and organizing orientation meetings with the campus counselor in targeted programs. CLNA Goal VI.3.d.

Bluebonnet Campus – The Special Populations counselor and targeted CTE programs will research, develop, implement, and evaluate a "best strategies" plan for retention of women in nontraditional programs.

Specific Budget Items Requested for 2023-2024 .

Schedule A: The Special Populations Counselor (Bluebonnet Campus) will develop and lead a monthly support group for women enrolled in the Automotive Technology, Welding and Air Framing Programs (10% time @ \$5,000) – Research shows that women's support groups have been successful in retaining women in certain CTE fields. Retention was found to be an issue of particular concern in the CLNA analysis.

Schedule B: The Special Populations Counselor (Bluebonnet Campus) will attend Women on the Assembly Line Workforce Conference in Detroit, Michigan, October 15-17, 2023 (\$1,800) – the conference agenda includes presentations and breakout sessions on retention issues. Retention was found to be an issue of particular concern in the CLNA analysis.

Schedule F: Child Care Vouchers (\$30,500, representing an estimated 122 vouchers @\$250) – the College has compiled data during its CLNA process that shows these vouchers are effective in helping under-represented gender students persist in CTE programs.

APPENDIX I
PERKINS V CORE INDICATORS OF PERFORMANCE AND STATE TARGETS

Under the requirements of the Carl D. Perkins Career and Technical Education Improvement Act of 2006, as amended by the Strengthening Career and Technical Education for the 21st Century Act (Perkins V), states must establish levels of performance for each of the core indicators of performance with input from local recipients. Performance levels are established for each of the four years covered by the State Plan at the time of the Plan's initial submission. State-determined core indicator performance levels are approved as part of the State Plan upon determination by the Secretary of Education that they meet the statutory requirements for approval. Prior to the third year of the approved State Plan, states may revise their performance levels for any of the core indicators for subsequent years. Revised levels must meet all requirements for initial approval as well as specific requirements for revision.

Under Perkins V, states are required to submit their core indicator performance data to the United States Department of Education, Office of Career, Technical, and Adult Education (OCTAE) via their Consolidated Annual Reports (CAR). A state not meeting a state-determined core indicator target within 90% of the approved target must develop and implement a program performance improvement plan. If a state fails to implement an improvement plan or fails to improve performance on one or more core indicators, the Secretary may, with notice and after opportunity for due process, withhold all, or a portion, of a state's allotment.

In like manner, Applicants are required under Perkins V to meet each state-determined core indicator target within 90% of the approved target. The THECB will require that Awarded Applicants not meeting one or more core indicator targets submit a performance improvement plan. The THECB may, with notice and opportunity for due process, withhold all, or a portion, of an Awarded Applicant's allotment if the Applicant fails to implement an improvement plan or fails to improve core indicator performance.

Federal Postsecondary Student Definitions

Perkins V defines the term "CTE Concentrator" as shown below.

CTE Concentrator: a student enrolled in an eligible recipient who has—

- (i) earned at least 12 credits within a career and technical education program or program of study; or
- (ii) completed such a program if the program encompasses fewer than 12 credits or the equivalent in total.

Please note that continuing education students earning certificates and licensures are included in the definition of concentrator. However, the definition of concentrator does not include personal enrichment classes because they are not state funded and not reported to the THECB.

Federal Core Indicators of Performance and State Targets

The federal core indicators of performance for career and technical education at the postsecondary level, described in section 113(b)(2)(B) of the Perkins Act, are shown below. State-determined targets for each core indicator may be revised prior to the third year under

Memberships

Membership in business, technical, and professional organizations related to the grant program are allowable. Membership must be in the name of the Awarded Applicant and not in the name of an individual.

Memberships in civic and community organizations and in organizations that are substantially engaged in lobbying are not allowable costs.

Printing Costs

Printing costs are allowable when they are reasonable and necessary. Any multi-color printing must be reasonable in cost and must be necessary to carry out the objectives of the grant program.

Promotional Items, Memorabilia, and Souvenirs

Promotional items, memorabilia, and souvenirs are not allowable costs.

Salaries, Wages, and Employee Benefits

Salaries and wages are allowable for personnel who work on the grant provided the appropriate time and effort reports are maintained in accordance with the applicable federal cost principles and submitted to the Awarded Applicant's accounting office to document charges to payroll. Benefits are allowable in the same proportion as salaries and wages. Time and effort reports must document staff's specific time on task in detail even if staff is 100% FTE Perkins-funded. Grant employees must show that time on task is CTE-related for allowability. Additionally, grant employees' recorded effort must align with Schedule A listed and approved job duties. Certification statements in lieu of Time and effort reports are not allowable.

Social Events

The costs associated with social events of any kind are not allowable.

Training or Technical Assistance on Grant Writing

Funds may not be used for training or technical assistance on grant writing or for costs associated with writing other grant applications.

Transportation Costs

The cost of transporting students (or parents, if appropriate for the particular grant program) to or from grant activities is an allowable expenditure.

Travel Costs

The Awarded Applicant shall have written policies and procedures for employees who travel on Perkins business and seek travel reimbursement with Perkins funds. Personnel are required to travel at the federal lodging and per diem rates or the Awarded Applicant's rates, whichever are more stringent. Employees may be reimbursed at the per diem rates or for actual costs not to exceed the per diem rates. At the institutional discretion, employees who exceed the per diem rates may be reimbursed for the difference with other non-federal funds that are available to the Awarded Applicant. Site-specific information on rates for in-state and out-of-state travel is available at the U.S. General Services Administration website at <http://www.gsa.gov/portal/category/100120>.

Personnel shall be reimbursed for actual car mileage at the current rate established by the Texas Comptroller of Public Accounts (CPA) or at a rate established by the Awarded Applicant,

whichever is more stringent. Information about the rate is available at the CPA website at <https://fm.x.cpa.state.tx.us/fm/travel/travelrates.php>.

Out-of-State Travel

Out-of-state travel costs are allowable under the grant program. Out-of-state travel costs should be minimal. Travel costs are allowable as long as the expenses for transportation, lodging, subsistence, and related items are only incurred by employees on official business of the grantee and follow the grantee's regular business operations and written travel policy.

Out-of-state travel will require pre-authorization and justification, as defined in Appendix N, Changes to Grant Plan or Budget.

Allowable Travel Expenses

The following travel expenses are allowable:

- **Mileage** reimbursement is allowable for travel necessary to carry out the objectives of the grant project. If institutional policy reimburses at a lower rate, the Awarded Applicant must claim that lower rate;
- **Airfare** is allowable at the lowest fare available;
- **Car rental** fee (at destination) is not allowable unless other transportation such as taxi or shuttle is not available for performing official business or unless car rental is more cost effective than alternate modes of travel. Gasoline for the rental car is allowable;
- **Airport parking** is allowable;
- **Taxi fares** for official business are allowable. Tips cannot be reimbursed;
- **Itemized miscellaneous business expenses** (such as business phone calls, printing, or materials) for carrying out official business of the meeting, conference, or workshop are allowable; and
- **Registration fees** to attend workshops or conferences are allowable. Social events or recreational events available at a cost above the basic registration fee may not be paid from grant funds.
- Awarded Applicant may claim less than the maximum meal reimbursement rate for a duty point and use the amount of the reduction to increase the maximum lodging reimbursement rate for the duty point. This is allowable for in-state and out-of-state travel.

Travel Costs for Officials, such as Vice Presidents and Deans, and Administrative Assistants

- Travel costs for executive officers (including the president, vice presidents, and deans) or administrative support staff may not be funded under the grant program.

Unallowable Travel Expenses

- Any travel expenses associated to **foreign travel**;
- First-class air fare;

Federal Cost Principles

The applicable cost principles as established by the Federal Office of Management and Budget (OMB) are posted online at [eCFR – Code of Federal Regulations](#) and are as follows:

Type of Entity	Applicable Cost Principles
<ul style="list-style-type: none"> • Open-enrollment charter schools operated by an institution of higher education (i.e., college or university) • Institutions of higher education (IHEs) 	<p>eCFR – Code of Federal Regulations PART 200–UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS</p>

APPENDIX M
SUPPLEMENTING VERSUS SUPPLANTING

Funding provided under the Perkins Act shall *supplement* (increase the level of services) and *not supplant* (take the place of) state, local, and other federal funds. Awarded Applicants shall not use Perkins funds to supplant funds that, in the absence of Perkins funds, would have been spent on CTE students.

Federal funds cannot be used to pay for services, staff, programs, or materials that would otherwise be paid with state or local funds.

Any program or activity required by State law, THECB rules, or local board policy may not be paid with Perkins funds. State or local funds may not be decreased or diverted for other uses merely because of the availability of Perkins funds. Awarded Applicant shall maintain documentation that clearly demonstrates the supplementary nature of Perkins funds.

Presumption of supplanting

An Awarded Applicant may be considered in noncompliance with the supplement-not-supplant requirement if Perkins funds are used to provide services that the Awarded Applicant is required to provide under State or local law, rule, or a court order. Also, Awarded Applicant could be considered in noncompliance for any cost to Perkins funds for any service that was previously funded with State or local funds.

If a program or activity cost was funded with non-federal funds in one year and with Perkins funds the next year, an auditor would most likely make a presumption of supplanting. However, the Awarded Applicant then has the opportunity to rebut the presumption. In view of the current reductions in state appropriations and local tax revenues, an Awarded Applicant may be justified in funding the cost with Perkins funds.

For a decision to allocate Perkins funds in this way, the Awarded Applicant should have two types of documented evidence that supports its action:

1. Evidence of an actual reduction in state and/or local support and/or other non-federal support. Examples of such evidence are state appropriation language or a communication from the THECB regarding a reduction in state funding. There may be similar examples relating to reduced funding from local or private sources.
2. Proof that the activity/program would be discontinued without the benefit of Perkins funds. Examples of this type of evidence might be minutes from a meeting called by the college president or minutes from a faculty meeting.

The Awarded Applicant should have proper evidence in place before taking this kind of action. The THECB may request copies of the documented evidence (as described above) prior to approving a budget amendment that would reallocate Perkins funds to an activity or program previously funded by non-federal funds.

APPENDIX N
CHANGES TO GRANT PLAN OR BUDGET

The Awarded Applicant shall contact the THECB to notify staff of changes to the Grant. The nature or content of a proposed change determines whether the Awarded Applicant shall notify THECB staff by email or request a formal amendment via the Perkins Portal. All changes to the approved budget require advance notice and approval. All costs incurred during the funding period must appear (a) in the approved budget or (b) in an email notice or formal amendment submitted *prior* to incurring a cost or undertaking a requested activity.

Cost incurred without prior approval of budget changes may result in grant funds not covering costs and an institution being responsible for payment. If unapproved costs are found after the program year has ended, an institution may need to refund THECB.

Email Notification

The Awarded Applicant shall submit A Budget Email Notification Form for budget changes to its designated THECB grant advisor at least 15 days prior to a change or action that:

1. resolves any potential conflict of interest that arises prior to or during the Grant Period;
2. changes one or more cost items *within* a Schedule that does not change the scope or activities of the Grant;
3. moves costs across Schedules A-F (except to or from Schedule C: Capital Expenditures and Equipment) that do not cumulatively exceed 10% of the total Grant Award; or
4. increases a cost item in Schedule D: Consultant and Service Contracts.

Minor variations from approved budget line items do not require email notice unless cost savings are to be re-purposed for expenditures not currently on the Awarded Applicant's approved budget. The Form may be downloaded at [Perkins Portal, Tools, and Data Resources - Texas Higher Education Coordinating Board](#).

Formal Amendment via the Perkins Portal

The Awarded Applicant shall submit a request for a formal amendment to the Grant via the Perkins Portal at <http://www.thecb.state.tx.us/Perkins/Portal> for any change that:

1. changes the scope, strategies, or timeline of a Performance Improvement/Evaluation Plan with or without a change to the budget;
2. changes one or more cost items *within* a Schedule that changes the scope or activities of the Grant ("activities" includes approved programmatic activities and Grant Activity Titles for approved budget line items);
3. moves costs across Schedules A-F that cumulatively exceed 10% of the total Grant Award;
4. changes any information or costs in Schedule C: Capital Expenditures and Equipment; or
5. temporarily or permanently reassigns any individual named on the Application Cover Page.

A formal amendment that involves a change to a cost item shall include a justification for the change in the Budget Summary.

Formal Amendments submitted by an Awarded Applicant will not be reviewed by the THECB after July 1, 2024.

Instructions for Budgetary Amendments

1. The Perkins Portal system does not allow the deletion of line items within budget schedules. To remove or reduce a line item, indicate the change with a line item showing the amount to be subtracted from the schedule.

2. To increase a line item, use one of the following methods:
 - Subtract out the original line item and add a new line-item entry with updated information, including the increased line-item total; OR
 - Add a new line item for the amount of the increase only. It should be clear which original line item the increase applies to. Add updated information to explain the increase.

3. To add a new line item, follow the entry formats and examples given in Section 7.4: Budget.
