3 ELIGIBILITY INFORMATION

3.1 ELIGIBLE APPLICANTS

Texas public postsecondary institutions are eligible to submit pre-proposals. The Coordinating Board staff will review the pre-proposals and notify those invited to submit an Application.

3.2 NUMBER OF SUBMISSIONS BY APPLICANTS

Upon receiving an invitation to submit an Application, an Applicant may submit one Application. The Application must be an expansion of the elements identified in the selected pre-proposal. There is no limit on the number of pre-proposals that may be submitted.

4 APPLICATION PROCESS

4.1 STEP ONE: PRE-PROPOSAL

The Application process requires successful completion of two separate steps: Step one is the submission of a pre-proposal and Step two is the submission of an Application. Successful Applicants must complete step one by submitting a pre-proposal electronically to the Coordinating Board staff. Instructions for completing a pre-proposal are detailed in Section 5. Once submitted, the Coordinating Board staff will send an electronic notification to the Applicant indicating that the pre-proposal has been received. **If notification is not received, it is the submitting party's responsibility to contact the Point of Contact to investigate the submission.**

The pre-proposals will be reviewed and evaluated by the Coordinating Board staff review team. The review team will evaluate each pre-proposal for adherence to the established priorities and potential merit. A pre-proposal may be rejected if it fails to meet any requirement of this RFA. The Point of Contact may seek clarification from the Applicant at any time, and failure to respond within a reasonable time frame is cause for rejection of a pre-proposal. Once the staff evaluation is completed, invitations to submit an Application will be sent electronically on or before April 8, 2013.

PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014

4.2 STEP TWO: APPLICATION

Applications must be completed and submitted using the online portal. Applications are due to the Coordinating Board on or before the close of business May 3, 2013. Each Application will be assigned a unique number and a secure password. The Application number and password are necessary to complete the online Application. All criteria requested must be included in order for the Application to be considered complete. An Application may be rejected if it fails to meet any requirement of this RFA. The Coordinating Board staff may seek clarification from the Applicant at any time, and failure to respond within a reasonable time frame is cause for rejection of an Application.

Each submitted Application will be reviewed and evaluated by the Coordinating Board staff review team. Submitting an Application does not guarantee the Application will be selected for funding. Perkins State Leadership Grants are awarded through a competitive process. Selection of Application(s) is based on merit and availability of funds.

The Application(s) selected for funding will undergo negotiation to finalize expectations, timelines, and deliverables. Upon completion of successful negotiation, the Coordinating Board staff will issue a Notice of Grant Award (NOGA) to the Applicant. If a NOGA cannot be successfully negotiated within a reasonable period of time, negotiations will be terminated and negotiations with the next highest ranking Applicant may commence. The Coordinating Board staff may proceed with negotiations and NOGAs with more than one Applicant simultaneously.

12.2 APPLICATION EVALUATION

A team of Coordinating Board reviewers will independently evaluate each Application selected for review using the criteria below.

- Innovation/Need of project – 25%
- Potential for statewide impact and replication – 25%
- Project Design to address priority topic – 20%
- Sustainability – 15%
- Partnerships – 5%
- Key Staff – 5%
- Budget – 5%

Applications with the highest scores will be considered for funding.

13 PROVISIONS AND ASSURANCES

13.1 COST OF APPLICATION PREPARATION

All costs associated with the preparation and submissions of an Application for this RFA are the responsibility of Applicant(s). These costs shall not be chargeable to Coordinating Board by any successful or unsuccessful Applicant(s).

13.2 APPLICATION DELIVERY AND LATE APPLICATIONS

13.2.1 Applications must be submitted by an authorized agent of the Applicant(s).

13.2.2 Applications shall be considered to be "on time" if they are received on or before the established deadline date and time. Applicant(s) shall be solely responsible for ensuring that Application is received by Coordinating Board prior to the deadline outlined in this RFA. Coordinating Board shall not be responsible for failure of electrical or mechanical equipment, operator error, or inability of a delivery agent, if applicable, to deliver an Application prior to the deadline. Failure to respond in a timely manner to this request may result in Applicant losing the opportunity to receive a Grant. A late Application, regardless of circumstances, may not be evaluated or considered for award.

13.3 CONFLICT OF INTEREST

Applicant(s) must disclose any existing or potential conflicts of interest relative to the performance of the requirements of this RFA. Failure to disclose a conflict of interest may be cause for disqualification of an Application or termination of a Grant resulting from this RFA. If,

PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014

following a review of this information, it is determined by the Coordinating Board that a conflict of interest exists, Applicant(s) may be disqualified from further consideration. Awarded Applicant is responsible for providing information for any current and/or future conflicts of interest that may arise. The Applicant is required to report all such information as soon as it becomes aware of the conflict of interest. As allowed by applicable law, failure to do so can be a valid reason to terminate the Grant.

13.4 GRANT AWARD

13.4.1 A Grant Award will be negotiated with those institutions/organizations that are selected through the evaluation process to have successful Applications. Submission of an Application confers no rights of Applicant to an award or to a subsequent Grant Award, if there is one. The issuance of this RFA does not guarantee that a Grant will ever be awarded. The Coordinating Board reserves the right to amend the terms and provisions of the RFA, negotiate with Applicant, add, delete, or modify the Grant and/or the terms of Application submitted, extend the deadline for submission of Application, or withdraw the RFA entirely for any reason solely at the Coordinating Board's discretion. An individual Application may be rejected if it fails to meet any requirement of this RFA. The Coordinating Board may seek clarification from Applicant at any time, and failure to respond within three business days is cause for rejection of an Application. Any and all additional terms and conditions resulting from subsequent reauthorization of the Perkins Act will be incorporated into the Grant Award.

13.4.2 Upon issuance of a Grant Award resulting from this RFA, the term "Applicant" shall have the same meaning as "Awarded Applicant". Likewise, the terms "Request for Applications" and "Application" shall have the same meaning as the terms "Grant Award," "Grant," or "Contract."

13.5 PAYMENT TERMS

13.5.1 Funds shall be provided on a cost reimbursement basis. The final payment shall be based upon actual expenditures for the Program, up to the amount provided for in the Grant Award.

13.5.2 Awarded Applicant shall submit expenditure reports for reimbursement in the time and manner requested by the Coordinating Board as specified in Appendix D, Reporting Requirements. Expenditure reports shall be submitted electronically on form CB 100 any time during the project period but shall be submitted at least quarterly.

13.5.3 All encumbrances/obligations shall occur on or between the beginning and ending dates of the federal funding period (9/1/13-8/31/14). All goods must be received and all services rendered between the beginning and ending dates of the federal funding period. The Awarded Applicant must liquidate (record as an expenditure) all obligations (encumbrances) incurred under the Grant Award no later than 30 days after the ending date of the federal funding period, to coincide with the submission of the final expenditure report, due 30 days after the ending date of the federal funding period. In no manner shall encumbrances be considered or reflected as accounts payable or as expenditures, and an encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR 220 (A-21) and program rules, regulations, and guidelines contained elsewhere.

13.5.4. As consistent with applicable law (e.g., OMB Circular A-102), payments described in this RFA are contingent upon Awarded Applicant's compliance with applicable federal and state requirements and performance goals being achieved, as determined by the

Coordinating Board's Project Administrator.

13.6 PROPRIETARY INFORMATION

During the performance of the project implemented under a Grant Award resulting from this RFA, Awarded Applicant may have access to data, information, files, and/or materials (collectively referred to as "data"), which are the property of the Coordinating Board and/or a public school district. These data shall be handled in a method that concurs with all Family Educational Rights and Privacy Act (FERPA) regulations and guidelines.

Applicant agrees to comply with FERPA, 20 U.S.C. Section 1232g, and the implementing federal regulations, 34 CFR Part 99. Applicant agrees (1) to protect any confidential student information it receives or accesses that could make a student's identity traceable, and (2) any confidential data analysis or report shall not be disclosed to any third party without the Coordinating Board's prior written consent.

Awarded Applicant shall have a system in effect to protect all data received or maintained in connection with the activities of this RFA. Awarded Applicant agrees to use its best efforts to preserve the safety, security, and integrity of the data, and to ensure the privacy and confidentiality of all data. Any disclosure or transfer of proprietary information by Awarded Applicant shall be in accordance with applicable federal or Texas law.

13.7 RELEASE OF INFORMATION BY AWARDED APPLICANT

13.7.1 Awarded Applicant shall NOT release any data that is not FERPA compliant. Failure to follow the guidelines established may result in immediate termination of the Grant Award, as allowed by applicable law.

13.7.2 Except for when Awarded Applicant has received prior written approval from the Coordinating Board, Awarded Applicant agrees to notify the Coordinating Board Point of Contact prior to releasing any information to the news media regarding the activities being conducted under the Grant Award resulting from this RFA.

13.8 RELEASE OF APPLICATION INFORMATION BY THE COORDINATING BOARD

13.8.1 *Public Information Act.* Awarded Applicant understands and acknowledges that as a Texas state agency, the Coordinating Board is subject to the provisions of the Texas Public Information Act, Government Code, Chapter 552 as interpreted by judicial opinions and the opinion of the Attorney General of the state of Texas. Awarded Applicant will cooperate with the Coordinating Board in the production of documents responsive to any such requests under the Public Information Act. The Coordinating Board will make a determination whether to submit a Public Information Act request to the Attorney General.

13.8.2 Upon issuance of the Grant Award, all information submitted with Applicant's Application becomes part of the Grant Award and becomes public record. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

13.8.3 Any proprietary information included in Applicant's Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant (such marking shall be in boldface type of at least 14 point font), and such identification was submitted concurrently with the original submission of the proprietary information. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information.

**PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014**

13.8.4 If Awarded Applicant(s) fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon public request after the Grant is awarded. The production of any material under the Grant shall not have the effect of violating or causing the Coordinating Board to violate any law, including the Texas Public Information Act.

13.9 NONCOMPLIANCE

As consistent with applicable law (e.g., OMB Circular A-102), if Awarded Applicant, in the Coordinating Board's sole determination, fails or refuses for any reason to comply with or perform any of its obligations under the Grant Award, the Coordinating Board may impose such remedies as it may deem appropriate. This includes but is not limited to the withholding of payments to Awarded Applicant until Awarded Applicant complies; the cancellation, termination, or suspension of this Grant Award in whole or in part; and the seeking of other remedies that may be legally available. Any cancellation, termination, or suspension of this Grant, if imposed, shall become effective at the close of business on the day of Awarded Applicant's receipt of written notice thereof from the Coordinating Board.

13.10 AMENDMENT AND TERMINATION

13.10.1 Amendment. Any amendment or change to the Grant Award which becomes necessary shall be accomplished by a formal Grant Award amendment signed and approved by duly authorized representatives of Awarded Applicant and the Coordinating Board. None of the parties to the Grant Award will be bound by any oral statements, agreements, or representations contrary to the written Grant Award requirements and terms and conditions.

13.10.2 The Coordinating Board's Right to Termination. As consistent with applicable law (e.g., OMB Circular A-102), the Coordinating Board may terminate the Grant Award, in whole or in part.

13.10.3 Effect of Termination. As consistent with applicable law (e.g., OMB Circular A-102), upon receipt of written notice to terminate, Awarded Applicant shall promptly discontinue its work on the project (unless the notice directs otherwise), and shall deliver or otherwise make available to the Coordinating Board, a summary of work products (e.g., the required Project components) developed by Awarded Applicant under the Grant Award, whether completed or in process. Upon any termination, all indemnities, including without limitation those set forth in the Grant Award, as well as Grant Award provisions regarding confidentiality, records retention, and right to audit shall survive the termination of the Grant Award for any reason whatsoever and shall remain in full force and effect. The Coordinating Board shall be liable to Awarded Applicant for that portion of the project authorized by the Coordinating Board and which has been completed prior to the effective date of termination, provided that the Coordinating Board shall not be liable for any work performed that is not acceptable to the Coordinating Board and/or does not meet Grant Award requirements.

13.10.4 In the event of termination, the Coordinating Board reserves the right to negotiate another award based on another Applicant's submission if it is in the state's best interest.

13.11 NOTICE

Any notice or written communication between the parties shall be considered delivered when postmarked, except that such notice or written communications sent by certified mail, return receipt requested, or delivered in person to the authorized representative of the party designated in accordance with the Grant Award shall be considered to be delivered when received.

13.12 ASSIGNMENT OR SUBCONTRACTING

No rights, interest, or obligations in a Grant Award resulting from this RFA shall be assigned, subcontracted, or delegated by Awarded Applicant without prior written permission of the Coordinating Board Point of Contact. Any attempted assignment or delegation by Awarded Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph. No assignment or subcontract shall relieve Awarded Applicant of any responsibility under this RFA.

Awarded Applicant represents and warrants that it will incorporate all applicable federal laws, regulations, and terms and conditions into any assignment or subcontracting entered into in conformity with this Paragraph.

13.13 LIABILITY AND INDEMNIFICATION

13.13.1 LIABILITY

13.13.1.1 Neither Coordinating Board review, approval, or acceptance of, nor reimbursement for any of the project hereunder shall be construed to operate as a waiver of any rights under the Grant Award, or of any cause of action arising out of the performance of the work required by the Grant Award.

13.13.1.2 The Coordinating Board shall have no liability except as specifically provided by law.

13.13.1.3 Sovereign Immunity. The Coordinating Board and Awarded Applicant stipulate and agree that no provision of, or any part of the Grant Award between the Coordinating Board and Awarded Applicant, or any subsequent change order, amendment, or other Grant Award modification shall be construed: (1) as a waiver of the doctrine of sovereign immunity or immunity from suit as provided for in the Texas Constitution and the Laws of the State of Texas; (2) to extend liability to the Coordinating Board beyond such liability provided for in the Texas Constitution and the Laws of the State of Texas; or (3) as a waiver of any immunity provided by the 11th Amendment or any other provision of the United States Constitution or any immunity recognized by the Courts and the laws of the United States.

13.13.2 INDEMNIFICATION: To the extent allowed by law, awarded Applicant agrees to indemnify, defend and hold harmless the State of Texas, the Coordinating Board, as well as officers, agents, and employees of the Coordinating Board from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, including but not limited to personal injury or illness, bodily injury (including death) and property damage occurring in connection with or in any way incident to or arising out of the use, service, operation or performance of the Project under the terms of the Grant Award, except claims, demands, fees, suits or actions arising from any negligence by the Coordinating Board, its officers, agents, employees, contractor, subcontractors or any negligence of a third party, its (their) officers, agents, employees, contractors, subcontractors. The Coordinating Board shall give Awarded Applicant written notice of each such claim or suit and full right and opportunity to conduct Awarded Applicant's own defense thereof, together with full information and all reasonable cooperation. Awarded Applicant shall coordinate its defense with the Texas Attorney General as requested by the Coordinating Board.

13.13.3 Additionally, if Awarded Applicant requires or desires to use any design, trademark, device, material or process covered by letters of patent or copyright, Awarded Applicant shall indemnify, defend and hold harmless, to the extent allowed by law, the State of Texas, the Coordinating Board, as well as officers, agents, and employees of the Coordinating Board,

from any liability, for any and all claims, demands, fees, suits or actions of any nature whatsoever, from any and all claims for infringement by reason of the use of any such patented design, device, trademark, copyright, material or process in connection with the Project and shall indemnify (to the extent allowed by law) the State of Texas, the Coordinating Board, as well as officers, agents, and employees of the Coordinating Board, from any cost, expense, royalty or damage which the State of Texas, the Coordinating Board, as well as officers, agents, and employees of the Coordinating Board may be obligated to pay by reason of any infringement at any time during the performance of or after completion of the Project. Awarded Applicant represents and warrants that it has determined what licenses, patents, and permits are required under the Grant Award and has lawfully acquired all such licenses, patents, and permits.

13.13.4 Notwithstanding any indemnification clause, the Coordinating Board shall have full authority to conduct its own defense, negotiations, and settlements, but Awarded Applicant's indemnification nevertheless remains in full force and effect. Any settlement shall only be reimbursable by Awarded Applicant if Awarded Applicant approves such settlement in advance, and any liability upon unsuccessful defense shall only be reimbursable by Awarded Applicant if Awarded Applicant has full opportunity to participate equally in the defense of the action.

13.14 INTELLECTUAL PROPERTY OWNERSHIP

Awarded Applicant agrees that all Works (the term "Works" is defined as "all tangible or intangible material, products, ideas, documents or works of authorship prepared or created by Awarded Applicant for this Grant Award") are, upon creation, works made for hire and the sole property of the Texas Education Agency ("TEA.") If the Works are, under applicable law, not considered works made for hire, Awarded Applicant hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. Awarded Applicant agrees to maintain written agreements with all officers, directors, employees, agents, representatives and subcontractors engaged by Awarded Applicant for the Contract Project, granting Awarded Applicant rights sufficient to support the performance and grant of rights to TEA by Awarded Applicant. Copies of such agreements shall be provided to TEA promptly upon request.

Awarded Applicant warrants that (i) it has the authority to grant the rights herein granted, (ii) it has not assigned or transferred any right, title, or interest to the Works or Intellectual Property Rights that would conflict with its obligations under the Contract, and Awarded Applicant will not enter into any such agreements, and (iii) the Works will be original and will not infringe any intellectual property rights of any other person or entity. These warranties will survive the termination of the Contract. If any preexisting rights are embodied in the Works, Awarded Applicant grants to Coordinating Board and TEA the irrevocable, perpetual, non-exclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative works based upon such preexisting rights and any derivative works thereof and (ii) authorize others to do any or all of the foregoing. Awarded Applicant agrees to notify Coordinating Board on delivery of the Works if they include any such preexisting rights. On request, Awarded Applicant will provide Coordinating Board with documentation indicating a third party's written approval for Awarded Applicant to use any preexisting rights that may be embodied or reflected in the Works.

13.14.1 For School Districts and Nonprofit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, nonprofit organizations, and their employees, agents, representatives, consultants and subcontractors. If a school district or

nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

13.14.2 For Education Service Centers (ESCs): The foregoing Intellectual Property Ownership provisions apply to an Education Service Center (ESC) and its employees, agents, representatives, consultants, and subcontractors. If an ESC or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

13.14.3 For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative works created or conceived by colleges or universities under the Contract, they are granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative works from the Works that are created or conceived under this Contract and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.

13.15 SEVERABILITY AND STRICT PERFORMANCE

The invalidity, illegality, or unenforceability of any provisions of the Grant Award shall in no way affect the validity, legality, or enforceability of any other provisions.

Each and every right granted to the Coordinating Board and Awarded Applicant hereunder or under any other document delivered hereunder or in connection herewith, or allowed them by law or equity, shall be cumulative and may be exercised from time to time. Failure by the Coordinating Board or Awarded Applicant at any time to require strict performance of any Grant provision or obligation contained herein shall not constitute a waiver or diminish the rights of either party thereafter to demand strict compliance. Neither Coordinating Board review, approval, acceptance of, nor reimbursement for any of the services carried out in the Grant shall be construed to operate as a waiver of any rights under the Grant, or of any cause of action arising out of the services required by the Grant.

13.16 CONFLICTING RFA LANGUAGE

In the event that language contained in a particular Section of the RFA is found to be in conflict with language in another Section, the most stringent requirement(s) shall prevail.

In the case of conflicts arising in the interpretation of wording and/or meaning of various sections, parts, General Provisions, Special Provisions, Exhibits, and Attachments or other documents, the Coordinating Board Contract and its General Provisions, Appendices and Special Provisions shall take precedence over all other documents which are a part of this Contract.

13.17 MONITORING

Pursuant to this Grant, 34 CFR § 80.40, and OMB A-133 Sec. _____.400(d)(3), desk reviews and, or on-site monitoring reviews may be conducted by the Coordinating Board or its designee to

determine compliance with the approved Application and the applicable statute(s), law(s), regulations, and guidelines.

13.18 ACCOUNTING SYSTEM

Awarded Applicant assures it will maintain a financial management system that complies with federal standards established in 34 CFR Sections 80.20 and 74.21, as applicable, and that provides for accurate, current, and complete disclosure of the financial results of each grant project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the approved Grant Application. Awarded Applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. In addition, Awarded Applicant shall have an accounting system that accounts for cost in accordance with generally accepted accounting principles. Awarded Applicant's accounting system must include an accurate and organized file/records system for accounting and financial purposes for providing backup materials for billings.

13.19 AUDIT AND ACCESS TO RECORDS

13.19.1 Pursuant to Texas Government Code §2262.003, Awarded Applicant acknowledges that acceptance of funds under the Grant Award acts as acceptance of the authority of (1) the Texas State Auditor's Office, or any successor agency, (2) the Texas State Auditor's Office or any successor agency, under the direction of the Texas Legislative Audit Committee, (3) the Coordinating Board's Internal Auditor, and (4) any external auditors selected by the Coordinating Board or any auditors selected by the United States, (Collectively referred to as "Audit Entities") to conduct an audit or investigation in connection with those funds. Awarded Applicant further agrees to cooperate fully with Audit Entities in the conduct of the audit or investigation, including providing all records requested. Awarded Applicant shall ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Awarded Applicant and the requirement to cooperate is included in any subcontract Awarded Applicant awards.

13.19.2 Awarded Applicant shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Awarded Applicant in connection with the Project. The financial management system records will identify adequately the source and application of funds and will contain information pertaining to grant awards, authorizations, obligations, unobligated balances, assets, outlays (i.e., expenditures), income, and interest. Fiscal control and accounting procedures will permit the tracing of funds to a level of expenditure adequate to establish that funds have been used in accordance with the Approved Application. The Applicant agrees to maintain effective control over and accountability for all funds, property, and other assets. These records and accounts (which includes all receipts of expenses incurred by Awarded Applicant) shall be retained by Awarded Applicant and made available for inspecting, monitoring, programmatic or financial auditing, or evaluation by the Coordinating Board and by others authorized by law or regulation to do so for a period of not less than five (5) years from the date of completion of the Project or the date of the receipt by the Coordinating Board of Awarded Applicant's final claim for reimbursement or final expenditure report or until a resolution of all billing questions in connection with the Grant, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed. As consistent with applicable law, Awarded Applicant shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related

**PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014**

to the Project carried out under the Grant. Awarded Applicant and any subcontractors shall provide any Audit Entities with any information the entity deems relevant to any monitoring, investigation, evaluation, or audit.

13.19.3 Awarded Applicant's failure to comply with this "Audit and Access to Records" section shall constitute, as allowed by applicable law, a material breach of the Grant.

Awarded Applicant shall also maintain fiscal records and supporting documentation for all expenditures of awarded funds pursuant to the applicable OMB Circulars (e.g., 34 CFR Sections 80.42 and 74.53). Awarded Applicant shall comply with the uniform administrative requirements set forth in OMB Circulars as applicable, and these OMB Circulars (and their corresponding codifications by the U.S. Department of Education) are incorporated by reference as part of this Grant:

OMB A-102, Grants and Cooperative Agreements with State and Local Governments

OMB A-110, Uniform Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations

OMB A-133, Audit of States, Local Governments, and Non-Profit Organizations

13.20 SUBMISSION OF AUDIT REPORTS TO COORDINATING BOARD

Awarded Applicants which are nonprofit organizations (other than charter schools) and universities/colleges that expend \$500,000 or more total in federal awards in any fiscal year and are thus required to conduct a Single Audit or program-specific audit in accordance with the requirements in OMB Circular A-133, agree to submit a copy of such audit to THECB when the schedule of findings and questioned costs disclosed audit findings relating to any federal awards provided by the Coordinating Board. A copy of such audit shall also be submitted to the Coordinating Board if the summary schedule of prior audit findings reported the status of any audit findings relating to any federal awards provided by the Coordinating Board.

A nonprofit organization or university/college grantee shall provide written notification to the Coordinating Board that an audit was conducted in accordance with OMB Circular A-133 when the schedule of findings and questioned costs disclosed no audit findings related to any federal awards provided by the Coordinating Board or when the summary schedule of prior audit findings did not report on the status of any prior audit findings related to any federal awards provided by the Coordinating Board. Nonprofit organizations (other than charter schools) and universities/colleges shall submit the audit report to the Coordinating Board Division of Business Services. Audit reports must be submitted to the Coordinating Board within 30 days of receipt of the report from the auditor. Failure to submit a copy of the audit to the Coordinating Board could result in a reduction of funds paid to the Awarded Applicant, a refund to the Coordinating Board, termination of the Contract, and/or ineligibility to receive additional grant awards from the Coordinating Board.

Entities that expend less than \$500,000 in a fiscal year in federal awards are exempt from the audit requirements in the Single Audit Act and Circular A-133. However, such entities are not exempt from other federal requirements (including those to maintain records) concerning federal awards provided to the entity. The entity's records must be available for review or audit by the appropriate officials of federal agencies, pass-through entities, and the General Accounting Office (GAO).

Awarded Applicant shall reimburse the Coordinating Board within 30 calendar days of receipt of notice from the Coordinating Board of overpayment. If Awarded Applicant fails to make timely payment, the Coordinating Board may obtain such money from Awarded Applicant by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent applications for said funds. This section (Refunds Due To the Coordinating Board) survives the termination of the Contract.

13.22 NON-APPROPRIATION OF FUNDS

As consistent with applicable law (e.g., OMB Circular A-102), the Grant may be terminated if funds allocated to the Coordinating Board should become reduced, depleted, or unavailable during the Grant Term, and to the extent that the Coordinating Board is unable to obtain additional funds for such purposes. The Coordinating Board shall negotiate efforts as first consideration and if such efforts fail, then the Coordinating Board shall immediately provide written notification to the Awarded Applicant of such fact and the Grant shall be deemed terminated upon receipt of the notification, and neither party shall have any further rights or obligations hereunder. Awarded Applicant shall not incur new obligations after the effective date of termination and shall cancel as many outstanding obligations as reasonably practicable. The Coordinating Board shall be liable for costs incurred up to the time of such termination. Under no circumstances shall this RFA or any provisions herein be construed to extend the duties, responsibilities, obligations, or liabilities of the State of Texas or the Coordinating Board beyond the then existing biennium.

PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014

APPENDIX F
SUPPLEMENTING VERSUS SUPPLANTING

Funding provided under the Perkins State Leadership Grant shall **supplement** (*increase the level of services*) and **not supplant** (*take the place of*) state, local, and other federal funds. Grantee cannot use Perkins funds to supplant funds that, in the absence of Perkins funds, would have been spent on CTE items.

Federal funds cannot be used to pay for services, staff, programs, or materials that would otherwise be paid with state or local funds.

Any program activity required by State law, Coordinating Board rules, or local board policy may not be paid with Perkins funds. State or local funds may not be decreased or diverted for other uses merely because of the availability of Perkins funds. Grantee must maintain documentation that clearly demonstrates the supplementary nature of Perkins funds.

Presumption of supplanting

Grantee could be considered in noncompliance with the supplement-not-supplant requirement if Perkins funds are used to provide services that Grantee is required to provide under State or local law, rule, or a court order. Also, Grantee could be considered in noncompliance for any expenditure of Perkins funds for any service that was previously funded with State or local funds.

If a program expense was funded with non-federal funds in one year and with Perkins funds the next year, an auditor would most likely make a presumption of supplanting. However, the institution then has the opportunity to rebut the presumption. In view of the current reductions in state appropriations and local tax revenues, an institution may be justified in funding the program expense with Perkins funds.

For a decision to allocate Perkins funds in this way to be prudent, the institution should have two types of documented evidence that supports its action:

1. Evidence of an actual reduction in state and/or local support and/or other non-federal support. Examples of such evidence could be state appropriation language or a communication from the Coordinating Board regarding a reduction in state funding. There may be similar examples relating to reduced funding from local or private sources.
2. Evidence that the activity/program would be discontinued without the benefit of Perkins funds. Examples of this type of evidence might be minutes from a meeting called by the college president or minutes from a faculty meeting.

The institution should ensure that it has the proper evidence in place before deciding to take this kind of action. The Coordinating Board may request copies of the documented evidence described above prior to approval of a budget amendment that would reallocate Perkins funds to a program previously funded by non-federal funds.

**APPENDIX G
CARL D. PERKINS GRANT COST GUIDELINES**

Funds must be expended for *reasonable and necessary costs* in conducting grant activities. *Reasonable* means a cost is consistent with prudent business practice and comparable to current market value. *Necessary* means the cost is essential for grantee to accomplish the objectives of the project. This appendix addresses certain specific costs only and is not intended to be all-inclusive.

- Audit fees and expenses are allowable only when the audit is required by and performed in accordance with OMB Circular A-133, Audits (posted online at http://www.whitehouse.gov/omb/circulars_default).
- Audit fees and expenses may not be charged as a direct cost when such audit-services costs are part of the grantee's indirect cost pool.

**PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014**

Fines and Penalties

Fines and penalties are not allowable.

Food and Beverage Costs

Expenditures on food must be *reasonable in cost, necessary to accomplish program objectives, and an integral part of the instructional program.*

Food Costs for Participant Meetings/Training

Unless otherwise specified, a limited amount of funds may be expended on light meals for *participant meetings or training events under very limited circumstances.* The use of grant funds for this purpose is specifically limited to *light working lunches* for participants when the working lunch is noted on an agenda, is clearly described, and is mandatory. The purpose of a working lunch should be to shorten the overall meeting or training time and to facilitate accomplishing the objectives of the meeting or training and the overall program.

A working lunch or light lunch described below is considered to be reasonable in cost when the cost of the lunch including tax does not exceed \$20 per person; therefore, the grantee will not be reimbursed for more than \$20 per person, including tax. Any amount over \$20 per person must be paid from other allowable funding sources. The \$20 per person does not include any *mandatory service fee or set-up fee.* Anything termed a gratuity or tip is not reimbursable.

Specifically, grant funds may be expended for the following costs provided that the grantee maintains adequate and sufficient documentation that the costs were necessary and reasonable to further the intent and objectives of the grant.

- **Light Meal during an All-Day Meeting or Training Session:** Light meal (not to exceed \$20 per person, including tax) for participants who are cloistered in an all-day (at least six-hour) meeting or training session. Grantee must document that it was impractical for participants to obtain meal on their own (for example, because of an isolated location or distance to eateries) and that their attendance at the meeting or training session was essential to accomplishing the objectives of the grant. Grantee must maintain an agenda that clearly identifies the topics discussed during the meeting or training session and the time allocated to each topic, including the meal period.
- **Working meal during an All-Day Meeting or Training Session:** Light meals during a working meeting (not to exceed \$20 per person, including tax). A working meal is defined as an activity in which staff or participants are engaged in exercises or activities during the normal meal time. Grantee must maintain an agenda that shows that no other opportunity for a meal was provided and that clearly identifies the exercise or activity the participants were engaged in. Grantee should also retain a representative sample of the work product, if any, that was generated as a result of the working session.

No other food costs, including food and beverages for refreshments, breaks, or snacks, are permitted.

Allowable Food Costs for Parents and/or Students

- Nutritional snacks for children in child care while parents are participating in grant activities

**PERKINS STATE LEADERSHIP GRANT

Unallowable Food Costs

The following costs are not allowable:

- Refreshments of any kind, including beverages, breaks, and snack foods except as necessary for parent involvement activities to encourage attendance by parents
- Refreshments or meals at an awards banquet or function
- Any food costs that are not necessary to accomplish the objectives of the grant program
- Any food cost associated with an event in which a guest speaker or other individual conducts a presentation and the participants are not actively engaged in performing activities
- Gratuities or tips

PERKINS STATE LEADERSHIP GRANT
Texas Higher Education Coordinating Board
2013-2014

Promotional Items, Memorabilia, or Souvenirs

Promotional items, memorabilia, or souvenirs are not allowable costs.

Salaries, Wages, and Employee Benefits

Salaries and wages are allowable for personnel who work on the grant provided the appropriate time and activity reports (i.e., time and effort reports) are maintained in accordance with the applicable federal cost principles and submitted to the grantee institution's accounting office to document charges to payroll. Benefits are allowable in the same proportion as salaries and wages.

Social Events

The costs associated with social events of any kind are not allowable.

Training or Technical Assistance on Grant Writing

Funds may not be used for training or technical assistance on grant writing or for costs associated with writing other grant applications.

Transportation Costs

The cost of transporting students (or parents, if appropriate for the particular grant program) to or from grant activities is an allowable expenditure.

Travel Costs

All institutions should have a travel policy that is applied consistently among all employees so employees are reimbursed at the same rates, whether traveling on a state or federal grant or for other purposes. The maximum amounts that may be charged to the grant are restricted to the rates that are approved in the State of Texas Appropriations Bill in effect for the particular grant period.

If institutional policy restricts travel, per diem, and other travel expenses to a rate less than State law, grantee must budget and request reimbursement from the grant *at the lesser rate*. If institutional policy exceeds the maximum recovery rate specified in the Appropriations Bill, then the difference must be paid from state or local funds, i.e., not from grant funds. *Travel allowances*, in which the per diem is paid to the employee regardless of the amount actually expended, are not allowable.

Allowable Travel Expenses

For more detailed information regarding allowable travel expenses, consult the Texas State Comptroller's website at <https://fmx.cpa.state.tx.us/fmx/travel/texttravel/index.php>.

The following travel expenses are allowable:

- **Mileage** reimbursement is allowable for travel necessary to carry out the objectives of the grant project. If institutional policy reimburses at a lower rate, grantee must claim that lower rate.
- **Airfare** is allowable at the lowest fare available.
- **Car rental** fee (at destination) is not allowable unless other transportation such as taxi or shuttle is not available for performing official business or unless car rental is more cost effective than alternate modes of travel. Gasoline for the rental car is allowable.
- **Airport parking** is allowable.

In-State and Out-of-State Travel

Meal and lodging rates differ depending on whether the travel is in-state travel or out-of-state. Lodging and meal rates for both in-state and out-of-state travel are set annually by the Texas Comptroller of Public Accounts. Beginning September 1, 2011, the Federal Rate Schedule will be used for reimbursement of in-state *and* out-of-state meal and lodging expenditures. The following link provides access to the rates to use for both in-state and out-of-state travel reimbursement: <https://fm.x.cpa.state.tx.us/fm/travel/travelrates.php>. If neither the city, nor the county is listed, adhere to the following maximum daily rates: lodging, up to \$77, and meals, up to \$46.

In-state travel expense reimbursement is not a per diem and also varies by city and/or county. In-state travelers should claim actual expenses incurred for meals and lodging, not to exceed the maximum allowable rates. The same is true for out-of-state travel. The maximum rate should not be claimed unless actual expenditures equal or exceed the maximum allowable rate.

If institutional policy reimburses at a *greater* amount, grantee must pay the difference from local or state funds (i.e., not from grant funds).

Travel Documentation

Travel costs must be properly documented to be reimbursable. Travel costs not supported by proper documentation are not allowable grant charges and are subject to disallowance by state and federal auditors and monitors.
