1. OVERVIEW OF FUNDING OPPORTUNITY

1.1. PROGRAM TITLE

This program is titled Texas Reskilling and Upskilling for Education Institutional Capacity Grants (TRUE Institutional Capacity Grants).

1.2. SYNOPSIS OF PROGRAM

TRUE Institutional Capacity Grants aim to accelerate the number of high value credential opportunities offered to students that is urgently needed for economic recovery due to the COVID-19 pandemic and a future competitive workforce in Texas. TRUE Institutional Capacity Grants are designed to amplify existing strengths in postsecondary workforce education offered by public junior colleges and technical institutes throughout the state. Utilizing the ingenuity and versatility of those public higher education institutions, the Texas Higher Education Coordinating Board (THECB) seeks to build stronger links between higher education and key workforce actors in regions and localities across the state.

This capacity building grant program reflects THECB's response to the goals of SB 1102 established by the 87th Texas Legislature. The Texas Legislature stipulated required implementation upon legislative appropriation which has not occurred. Funding from the Governor's Emergency Education Relief (GEER) Fund has been allocated to launch TRUE Institutional Capacity Grants in fall 2021.

This Request for Applications (RFA) is for eligible applicants that will utilize GEER funded TRUE Institutional Capacity Grants as follows:

- to support industry-aligned, high-demand postsecondary workforce credentials or industry certifications in growing occupations that can be completed in six months or less;
- to provide training through existing, new, or redesigned programs focused on high-demand skills and leading to workforce credentials or industry certifications in growing occupations;
- to expand institutional capacity to provide stackable postsecondary workforce and industry certifications in high-demand pathways;
- to provide student aid awards to incentivize enrollment and completion of industry-aligned, high demand postsecondary workforce credentials and industry certifications; and
- to cover the cost of tracking and reporting enrollment, credential completion, and employment outcomes of students in these courses and programs to gauge student success.

1.3. PROGRAM AUTHORITY

TRUE Institutional Capacity Grants stem from an allocation of \$94.6 million to THECB from the Governor's Emergency Education Relief Fund. GEER dollars, in turn, originate from the U.S. Department of Education's administration of the Education Stabilization Fund in the Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020. The CARES Act (HR 748/S 3548 of the 116th Congress) was signed into law on March 27,

2020. TRUE Institutional Capacity Grants are intended to provide essential emergency support to public higher education institutions as they respond to local and regional workforce needs through the acceleration and expansion of postsecondary workforce education programs in Texas.

\$50,000-\$500,000 for single institution
\$50,000-\$2 million for consortia

Award sizes will be based on submitted applications and will range between \$50,000 and \$2 million depending on the project category. Awards will be made based on rank order of reviewed applications until funding runs out. Awards must be expended by June 30, 2022.

2.2. GRANT PERIOD

The Grant Period will begin upon the execution of the Notice of Grant Award (NOGA) or on October 15, 2021, whichever is later, and will conclude on June 30, 2022, for an approximately eight and a half (8.5) month Grant Period. 3. ELIGIBILITY REQUIREMENTS

3.1. ELIGIBLE APPLICANT

Eligible applicants are Texas public lower division institutions of higher education, including junior colleges, postsecondary technical schools, and public state colleges, or consortia of these public institutions. Consortia are defined as a collaborations or partnerships among multiple public lower division institutions of higher education.

Institutions and consortia are highly encouraged to partner with a workforce entity or entities such as trade associations, local chambers of commerce, local governmental entities, or economic development corporations.

3.2. ELIGIBLE PROJECTS

Funding will be provided to eligible applicants that provide a plan for or execute the creation, expansion, or redesign of a postsecondary workforce credential program in a growing occupational field that is industry-aligned and developed with the participation of postsecondary lower-division institutions and workforce actors such as workforce and economic development boards or associations, industry representatives or employers.

The proposed project may focus on a particular credential program or several related credential programs in a high demand occupational area or a set of knowledge and skills required by a particular high demand occupational area.

Selected education and training programs may be for industry certifications, certificate programs, or other workforce credentials that can be completed in six months or less. Sub-Certificate 1 programs selected are encouraged to be developed or scaled to be convertible or stackable to credit-bearing programs. Credential and training programs selected may be delivered through digitally, face-to-face, or a hybrid model. Credential

programs selected for the project may be stand alone or embedded in other credential programs.

The project plan must have a compelling rationale for the selection of credential and training programs. Programs selected must be in high value/high need fields at the state, regional, or local level as determined by current labor market information and data and workforce stakeholder input.

A project budget and timeline for rapid deployment of grant funds will be required of all applicants.

Award recipients will certify that they have secured cost-sharing funds at twenty-five percent (25%) or more of the value of the grant awarded by this initiative. Funding for the required cost sharing may come from a variety of sources, including federal, state, and/or local funding. Cost sharing requirements may be met through partnerships with local governmental entities, chambers of commerce, community-based organizations, or public-school districts.

In-kind expenditures by award recipients may be included in the cost-sharing calculation. In the case of an application for a Consortium, not all participating members need to provide the cost-sharing funds as long as the total secured meets the cost-sharing ratio requirement of twenty-five percent (25%). The time frame for expenditure of the cost-sharing funds may extend up to six (6) months beyond the end of TRUE Institutional Capacity Grants funding.

The following may not be utilized for cost sharing purposes: previously allocated GEER funds, Perkins Basic Grants, Workforce Innovation and Opportunity Act (WIOA) funding, and allocations of personnel other than programmatic staff and faculty.

3.3. PRIORITY PROJECTS

Consortia formed by multiple eligible public institutions as defined in Appendix A will be given preference in the review process. Consortia may be based on geography or specific high value occupational fields.

3.4. MAXIMUM NUMBER OF APPLICATIONS PER APPLICANT

Eligible applicants may submit a maximum of two applications: one as a single recipient, the other as a member of a consortium.

4. APPLICATION SUBMISSION

4.1. APPLICATION DEADLINE: 5:00 p.m. CDT/CT, September 30, 2021

Applications must be:

- completed according to the guidelines in Section 7
- submitted by an authorized agent of the Applicant entity

- submitted via email to reskilling@highered.texas.gov, attention to the Point of Contact listed in Section 1.4.

*Late or incomplete Applications will not be accepted. Applications submitted to an address different from reskilling@highered.texas.gov will **not** be accepted.*

THECB will not accept mailed, hand-delivered, or faxed Applications.

Submission of an Application confers no rights of Applicant to an award or to a subsequent Contract if there is one. The issuance of this RFA does not guarantee that a Contract will ever be awarded. THECB reserves the right to amend the terms and provisions of the RFA; negotiate with Applicant; add, delete, or modify the Contract and/or the terms of Application submitted; extend the deadline for submission of Application; or withdraw the RFA entirely for any reason. An individual Application may be rejected if it fails to meet any requirement of this RFA. THECB may seek clarification and additional documentation from Applicant at any time, and failure to respond within a reasonable timeframe is cause for rejection of an Application.

4.2. THECB CONFIRMATION OF APPLICATION RECEIPT

THECB shall not be responsible for Applications that are captured, blocked, filtered, quarantined, or otherwise prevented from reaching the proper destination server by THECB's or Applicant's antivirus or other security software.

THECB will confirm Application receipt via email within **three (3)** state business days of receipt by THECB. If an Applicant does not receive such confirmation from THECB, contact the Point of Contact listed in Section 1.4 immediately. Applicant will be required to provide proof of timely submission of the Application.

4.3. COST OF APPLICATION PREPARATION

All costs associated with the preparation and submission of an Application for this RFA are the responsibility of Applicant. These costs shall not be chargeable to THECB by any successful or unsuccessful Applicant.

4.4. APPLICATION DELIVERY AND LATE APPLICATIONS

Applications must be submitted by an authorized agent of the Applicant.

Applications shall be considered to be "on time" if they are received on or before the date and time of established deadlines. Applicant shall be solely responsible for ensuring that Application is received by THECB prior to the deadlines outlined in Section 4. THECB shall not be responsible for failure of electrical or mechanical equipment, operator error, or inability of an electronic delivery agent to deliver an Application prior to the deadline. Failure to respond in a timely manner to this RFA shall result in Applicant losing the opportunity to receive a Grant under this program. A late Application, regardless of circumstances, shall not be evaluated or considered for award.

5. PROJECT REQUIREMENTS

5.1. FUNDING RESTRICTION

TRUE Institutional Capacity Grant funds shall not be substituted for any other funds available to Applicant or any program or project partners. Awarded funds shall be spent only on expenses that support TRUE Institutional Capacity Grants as documented in Applicant's Budget and Timeline.

5.2. ALLOWABLE COSTS AND PROHIBITED COSTS

5.2.1. Allowable Cost Categories.

Project budgets will be designed around allowable grant uses. Categories of allowable use include: curriculum development and instructional design; software, equipment, and infrastructure that support instruction; student financial aid; student supports; faculty hiring and training capacity; cost of off the shelf credential and training materials; marketing and outreach costs; and costs associated with data administration and reporting by the grantee.

If student financial aid or supports are budgeted, these efforts must be focused only on students who are candidates enrolling or enrolled in the specific credential program(s) that make up the grant project. Further, student financial aid recipients must:

- Be Texas residents eligible for in-state tuition as determined by the institution;
- Have filed a Free Application for Federal Student Aid (FAFSA) or Texas Application for Student Financial Aid (TASFA);
- Have financial need and are eligible for federal Title IV aid with the exception noted below. Students who are enrolled in short-term non-eligible Title IV credential programs but who are otherwise Title IV eligible may be included;
- Have affirmed they were affected by COVID-19. Institutions may establish their own processes for determining COVID-19 impact; and
- Be enrolled in a project specified short-term credential program on either a full-time or part-time basis.

Student financial aid may be provided to cover cost of attendance, tuition, and fees. Awards are capped at \$2,500 per eligible student per semester or term.

- Calculation of student aid should be a "middle dollar" calculation that subtracts state and institutional aid first to determine need, leaving federal aid such as Pell Grants out of the calculation.
- Students may be awarded up to \$500 if they demonstrate Title IV eligibility irrespective of financial need.
- Support for cost of attendance beyond tuition and fees may be provided at up to \$500 per student per semester or term.

In composing, operating, and reporting on the project budget, all federal Uniform Grant Guidance (UGG) stipulations must be adhered to. Two prominent examples are that Applicants must ensure that:

- Fund use supplements and not supplants other federal/state/institutional funding for a given purpose and
- Personnel time supported by the grant meets time/effort tracking requirements.

5.2.2. Prohibited Costs.

Non-allowable uses of funds include any and all non-allowable costs specified in federal Uniform Grant Guidance (UGG) as well as the following: travel expenses, institutional marketing and/or communications expenses other than those pertaining to the grant project; and technology that is not for instructional use (e.g., laptops for staff).

5.2.3. Budget Changes

Submission of a Budget Change Request and prior written approval from THECB is required to allow for budget transfers across the allowable budget categories listed in Subsection 5.2.1 that exceed twenty-five percent (25%) of the total Grant Award during the Grant Period.

Budget Change Request approval must be received in writing from the Point of Contact.

5.3. PARTICIPATION IN RESEARCH AND INFORMATION SHARING

In service to sharing best practices and ongoing capacity building regarding the reskilling and upskilling of postsecondary students in Texas, grant recipients are required to participate in research and information sharing efforts such as additional data collection, webinars, conferences, or regional meetings as determined by THECB.

6. AWARD SELECTION CRITERIA

Each Applicant must satisfy RFA Section 3 Eligibility Requirements to be considered during the award selection process. Applicants shall be selected for funding on a competitive basis.

The TRUE Institutional Capacity Grants opportunity offered through this RFA is designed to issue Grant Awards that provide the best overall value to the state. Selection criteria shall be based on eligibility requirements, funding priorities, and project quality, as determined by reviewer criteria, and other factors, including past performance on THECB grants, detailed in RFA Section 6.3.

6.1. APPLICATION SCREENING

THECB staff shall conduct an initial screening of Applications to determine if they adhere to the eligibility requirements contained in the RFA. An Application must meet RFA requirements and be submitted with proper authorization on or before the day specified by THECB to qualify for further consideration.

All incomplete, ineligible, or otherwise non-compliant applications will not be considered for funding. It is anticipated that THECB staff will notify Applicants eliminated through the screening process within 30 days of the submission deadline.

Each Application that passes the initial screening for completeness and eligibility will be considered for award selection according to the selection criteria described in RFA Sections 6.2 and 6.3.

6.2. PRIORITY CRITERIA FOR AWARD SELECTION

Consortia formed by multiple eligible public institutions will be given preference in the review process. Consortia may be based on geography or specific high value occupational fields. Partnership with workforce entities is highly encouraged. Proposals for Consortia will be awarded additional points (“Bonus Points”) in the application evaluation process.

6.3. GENERAL CRITERIA FOR AWARD SELECTION

Three reviewers will independently score each application on the components listed below, with a maximum possible total score of 30 points. Applications will be ranked from highest to lowest based on all three scores.

Selection of Project Education and Training Programs 1-5 points with 5 highest

The Application table in Section 5.1.a is correctly filled out to indicate a focus on a particular credential program or several related credential programs in a high demand occupational area or a set of knowledge and skills required by a particular high demand occupational area. Selected education and training programs are for industry certifications, certificate programs, or other workforce credentials that can be completed in six (6) months or less.

Description of Project Program Selection 1-5 points with 5 highest

Applicant’s rationale for the selection of education and training projects is compelling. Project programs are credibly viewed as high value/high need fields at the state, regional, or local level. Relevant data from current labor market information and workforce stakeholder input is cited as supporting program selection – multiple sources of relevant labor market information indicate a more robust proposal. Sub-Certificate 1 programs selected are described as being developed or scaled to be convertible or stackable to credit-bearing programs. The role played by employers or other workforce stakeholders in the program selection process is described.

Project’s Goals and Activities 1-5 points with 5 highest

Applicant describes the goal of the project. The description indicates if the project is a planning engagement or a project to expand, redesign, or build education and training programs. The description provides specifics about the programs selected, including mode of instruction. Because partnering with workforce entities such as trade associations, local chambers of commerce, local governmental entities, or economic development corporations is key, the role played by workforce stakeholders in the project’s design and execution is explained.

Applicant and/or Consortium Description 1-5 points with 5 highest

Applicant addresses relevant workforce education capabilities on the part of the applicant and consortium members if applicable. If a consortium is proposed, a clear

rationale is stated. Consortium members’ commitment and sharing of responsibilities is described.

Project Timeline

1-5 points with 5 highest

Applicant’s timeline table clearly indicates project activities, estimated duration, and estimated completion associated with the project and the grant period. Activities in the timeline link back to the project description. The timeline entries seem reasonable and achievable.

Bonus Points: Consortium Proposed

5 bonus points

TRUE Institutional Capacity Grants encourage and prioritize the formation of consortia among multiple eligible institutions as stipulated in RFA Sections 3.3 and 6.2.

6.4. RECOMMENDATION FOR FUNDING

THECB staff shall make a recommendation of selected Applicants to be funded to the Commissioner of Higher Education.

7. APPLICATION FORMAT AND CONTENT

- 5.1.c Provide a brief description (250 words maximum) of the project's goals and activities. Proposed projects may be for a planning period or to execute project objectives.

Application Section 5.2 Description of Applicant Institution and Partners/Consortium Members

Provide a brief description (250 words maximum) about the relevant capabilities in workforce education of the institution serving as the primary applicant and the partners/Consortium members (if applicable) that will participate in the TRUE Institutional Capacity Grants project. State the rationale behind the institutions and/or partners' participation in the project. If a Consortium is proposed, describe each partner's level of commitment to the project and indicate how responsibilities amongst them will be shared.

Application Section 6: Project Timeline

Complete the table indicating the duration and estimated completion date for each of the project activities described in Project Summary 5.1.c (above).

8. DISTRIBUTION OF AWARD FUNDS

8.1. ISSUANCE OF GRANT AWARD

Following all negotiations between THECB and Applicants and the announcement of awards, the Awarded Applicants will receive an electronic copy of a THECB Notice of Grant Award (NOGA, Appendix E), which will take effect on the day the NOGA is fully executed, or on October 15, 2021, whichever is later. Throughout this RFA, the terms "NOGA," "Award," "Contract," and "Grant" are used interchangeably.

The Contract must be executed by an individual authorized to enter into a contract on behalf of the Applicant. Upon execution of a Contract resulting from this RFA, the term "Applicant" shall have the same meaning as "Awarded Applicant" or "Grantee." The Texas Higher Education Coordinating Board, a state agency, may also be referred to as the "THECB," "Board," or "Agency." At times, THECB and Grantee are referred to singularly as "Party" and collectively as "Parties." Likewise, the terms "Request for Applications" and "Application" shall have the same meaning as the term "Contract" or "Agreement."

8.2. "DISCLOSURE OF INTERESTED PARTIES" REQUIREMENT

THECB may not execute a contract/grant requiring approval of the Board Chair, Vice Chair, and Committee Chair until the non-state Business Entity has presented a certificate disclosing interested parties. For-profit organizations, not-for-profit organizations, and private institutions selected for an award must complete this

requirement before a grant award contract can be executed. Further information relating to Disclosure of Interested Parties is provided in Section 10.15 of this RFA.

8.3. FUNDS DISBURSEMENT AND PAYMENT TERMS

After full NOGA execution and THECB receipt of the Disclosure of Interested Parties, as applicable, one half of awarded funds are payable to enable the Grantee to fully perform the Services described in its Application.

Awarded Applicant must submit the first interim Project Report and Expenditure Report by the deadlines established in Section 9 Monitoring and Reporting Requirements. The second half of the awards will be made following receipt of interim reports.

All grant-related expenses must be incurred on or prior to June 30, 2022.

Awarded Applicant shall not expend awarded funds until the NOGA has been fully executed.

8.4. LAST DAY OF EXPENDITURES

All allowable grant-related expenses must be incurred on or before June 30, 2022. Expenses incurred after this date cannot be charged to TRUE Institutional Capacity Grants.

8.5. RETURN OF UNEXPENDED FUNDS

Awarded Applicants shall return any unexpended funds to THECB within thirty (30) days after the end of the Grant Period unless otherwise agreed by THECB and Grantee. Grant funds shall be returned immediately in the event of grant termination.

Awarded Applicant shall return any remaining funds promptly if the Award is terminated.

8.6. GRANT EXTENSION

Extension of the Grant Period, including no-cost extensions will not be granted.

If additional funding is available to support TRUE Institutional Capacity Grants, the THECB Point of Contact will notify eligible grantees. Additional documentation and/or work may be required.

9. MONITORING AND REPORTING REQUIREMENTS

9.1. MONITORING

Texas Higher Education Coordinating Board (THECB) staff shall monitor and oversee the TRUE Institutional Capacity Grants' progress and compliance through required reporting to ensure that grant commitments are fulfilled and that the financial matters related to the grant award are accurate and appropriate. Awarded Applicant shall be required to complete the program reports as required by the RFA. THECB will provide a template and instructions for electronic submission of the required reports.

If Awarded Applicant does not submit the required reports detailed in Sections 9.2 and 9.3 by the established deadline, and Awarded Applicant has not been granted a submission extension, THECB reserves the right to require that grant funds be

returned. If a required report is not accepted by THECB, Awarded Applicant will be required to revise and resubmit the required report by a deadline provide by THECB. Delinquent and unaccepted reports may affect Awarded Applicant's eligibility to apply for future THECB grant awards.

If THECB deems it appropriate under the circumstances, THECB will provide a three (3) business day advance written notice of intent to terminate to Grantee, and THECB will provide Grantee with an opportunity for consultation with THECB prior to termination during that three (3) business day period.

If Grantee fails or refuses to perform its obligations under this Grant Award/Agreement, THECB may exercise any rights available to it by law or in equity.

10.1.4. Applicable Law and Conforming Amendments.

THECB may terminate this Grant Award/Agreement immediately upon notice to Grantee in the event federal or state law is enacted, amended, or judicially interpreted so as to render continued fulfillment of this Grant Award/Agreement, on the part of THECB, wholly unreasonable or impossible. THECB reserves the right, at its sole discretion, to unilaterally amend this Grant Award/Agreement throughout the Grant Award/Agreement Term to incorporate any modifications necessary for THECB's compliance, as an agency of the state of Texas, with all applicable state and federal laws, rules, regulations, requirements, and guidelines.

10.1.5. Excess Obligations (Non-Appropriation).

This Grant Award/Agreement is subject to termination or cancellation, without penalty to THECB, either in whole or in part, subject to the availability of federal funds.

10.1.6. Effect of Termination.

In the event of any termination, Grantee shall, unless otherwise mutually agreed upon in writing, cease all services immediately upon the effective date of termination, except such services that THECB deems are necessary to wind-up in a cost-effective manner. For any termination by THECB other than termination for non-appropriation, THECB shall be liable to Grantee for only that portion of the services authorized by THECB, and which have been completed prior to the effective date of termination, provided that THECB shall not be liable for any work performed that is not acceptable to THECB and/or does not meet Grant Award/Agreement requirements, plus any necessary work deemed appropriate by THECB to cost-effectively wind-up.

10.2. AMENDMENT

This Grant Award/Agreement may be modified only by written amendment executed by the Parties hereto; however, any amendment of this Grant Award/Agreement that conflicts with the laws of the state of Texas shall be void ab initio.

10.3. SOVEREIGN IMMUNITY

The Parties stipulate and agree that no provision of, or any part of this Grant Award/Agreement between THECB and Grantee, or any subsequent amendment shall be construed: (1) as a waiver of the doctrine of sovereign immunity or immunity from suit as provided for in the Texas Constitution and the laws of the state of Texas; (2) to extend liability to THECB beyond such liability provided for in the Texas Constitution and the laws of the state of Texas; or (3) as a waiver of any immunity provided by the Eleventh Amendment or any other provision of the United States Constitution or any immunity recognized by the courts and the laws of the state of Texas and the United States. The state of Texas and THECB do not waive sovereign immunity by entering into this Grant Award/Agreement and specifically retain such immunity and all defenses available to them under the laws of the state of Texas or the common law.

10.4. ASSIGNMENT

Grantee shall not assign its rights under this Grant Award/Agreement or delegate the performance of its duties under the Grant Award/Agreement without prior written approval from THECB. Any attempted assignment in violation of this provision is void and without effect.

10.5. DELEGATION AND SUBCONTRACTING

Unless as otherwise provided for in this Grant Award/Agreement, no contractual rights, interest, or obligation shall be delegated or subcontracted by Grantee without prior written approval of THECB. No delegation or subcontract approved by THECB shall relieve Grantee of any obligation or responsibility under this Grant Award/Agreement.

10.6. RIGHT TO AUDIT AND RECORDS RETENTION

Grantee understands that acceptance of funds under this Grant Award/Agreement, or indirectly through a subcontract under this Grant Award/Agreement, acts as acceptance of the authority of the State Auditor's Office, THECB or any successor agency, as well as any external auditors selected by the State Auditor's Office, THECB, and any auditors selected by the United States, including, but not limited to the cognizant federal agencies and/or federal Offices of the Inspector General (collectively referred to as "Audit Entities"), to conduct an audit or investigation in connection with those funds. Grantee further agrees to cooperate fully with the above parties in the conduct of an audit or investigation, including promptly providing all records requested. Grantee will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through Grantee and the requirements to cooperate is included in any subcontract it awards.

Grantee shall maintain its records and accounts in a manner which shall assure a full accounting for all funds received and expended by Grantee in connection with the Grant Project. These records and accounts (which includes all receipts of expenses incurred by Grantee) shall be retained by Grantee and made available for inspecting, monitoring, programmatic or financial auditing, or evaluation by THECB and by others authorized by law or regulation to do so for a period of not less than seven (7) years from the date of completion of the Grant Award/Agreement or the date of receipt by

THECB of Grantee's final claim for payment or final expenditure report or until any litigation/billing issues are resolved, whichever is later. If an audit has been announced, the records shall be retained until such audit has been completed. Grantee shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all documents and other information related to the services provided in this Grant Award/Agreement. Grantee and any subcontractors shall provide any Audit Entities with any information such entity deems relevant to any monitoring, investigation, evaluation, or audit.

Grantee's failure to comply with this subsection (Right to Audit and Records Retention) shall constitute a material breach of this Grant Award/Agreement and shall authorize THECB and the state of Texas to immediately assess appropriate damages for such failure. THECB reserves the right to require the reimbursement of any over-payments determined as a result of any audit or inspection of records on work performed under this Grant Award/Agreement. Grantee shall reimburse THECB for any over-payments within thirty (30) calendar days of receipt of THECB's written notice.

Awarded Applicant shall have an accounting system that accounts for cost in accordance with generally accepted accounting principles. Awarded Applicant's accounting system must include an accurate and organized file/records system for accounting and financial purposes for providing backup materials for billings.

10.7. TIME AND EFFORT RECORDKEEPING

For those personnel whose salaries are prorated between or among different funding sources, time and effort records will be maintained by Awarded Applicant that confirm the project work provided within each funding source. Awarded Applicant must adjust payroll records and expenditures based on this documentation. This requirement applies to all projects, regardless of funding sources, unless otherwise specified.

10.8. UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS AND UNIFORM GRANT MANAGEMENT STANDARDS

Grantee will use GEER funds only for uses permissible under this RFA consistent with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance, 2 C.F.R. Part 200). In addition, Grantee agrees to follow the Uniform Grant Management Standards, including all of its applicable conditions and State Assurances.

10.9. FORMS, ASSURANCES, CERTIFICATIONS AND REPORTS

Awarded Applicant shall timely file with the proper authorities all forms, assurances, and reports required by state laws and regulations. THECB shall be responsible for reporting to the proper authorities any failure by Awarded Applicant to comply with the foregoing laws and regulations coming to THECB's attention and may deny reimbursements or recover payments made by THECB to Awarded Applicant in the event of Awarded Applicant's failure to so comply.

The following certifications must be completed prior to issuance of a grant award:

1. Certification Regarding Disclosure of Lobbying Activities (Appendix F);

2. Certification Federal Funding Accountability and Transparency Act (FFATA) (Appendix G); and
3. Certification Regarding Debarment and Suspension (Appendix H).

10.10. SUPPLANTING PROHIBITED

Supplanting occurs when GEER funds are used to replace other state, local, or federal funds that had previously supported an activity or purpose. Funding provided under this Grant Award/Agreement shall supplement (increase the level of services) and not supplant (take the place of) state, local, and other federal funds. Awardees may not use any GEER funds for any project costs for which other local, state, or federal funds have already been awarded, appropriated, or received.

10.11. APPLICABLE CONDITIONS AND UNIFORM ASSURANCES

The standard financial management conditions and uniform assurances set out in the RFA are applicable to all grants, cooperative agreements, contracts, and other financial assistance arrangements executed between state agencies, local governments, and any other sub-recipient not specifically excluded by state or federal law. All applicable conditions and uniform assurances can be found at <https://comptroller.texas.gov/purchasing/grant-management/>.

10.12. CONFIDENTIALITY, PUBLIC INFORMATION ACT, and FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Notwithstanding any provisions of this Grant Award/Agreement to the contrary, Grantee understands that, as a Texas state agency, THECB is subject to and will comply with the Texas Public Information Act, Government Code §§ 552.001-.376, as interpreted by judicial opinions and opinions of the Attorney General of Texas. Grantee will cooperate with THECB in the production of documents responsive to any such requests under the Public Information Act at no additional charge to THECB.

THECB will determine whether to submit a request for a ruling seeking to withhold information from a Public Information Act requestor to the Open Records Division of the Office of the Attorney General of Texas. This Grant Award/Agreement and all data and other information generated or otherwise obtained in its performance may be subject to the Texas Public Information Act. Grantee will notify the Point of Contact within twenty-four (24) hours of receipt of any third-party requests for information it receives relating to this Grant Award/Agreement. In accordance with Texas Government Code § 2252.907, Grantee is required to make any information created or exchanged with THECB pursuant to this Grant Award/Agreement, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to THECB and shall cooperate with THECB in doing so.

Grantee agrees to maintain the confidentiality of any confidential information received from THECB and the state of Texas during the performance of this Grant Award/Agreement, including information which discloses confidential personal information particularly, but not limited to, social security numbers. Grantee will not disclose any confidential information to which it is privy under this Grant Award/Agreement without the prior written consent of THECB.

All submitted Applications become the property of THECB after the RFA submittal deadline date. Upon acceptance of the Grant Award/Agreement, all information submitted with Applicant's Application becomes public record and all information submitted with Awarded Applicant's Application becomes part of the Grant Award/Agreement. Therefore, such information is subject to disclosure under the Texas Public Information Act, unless an exception under the Texas Public Information Act is applicable.

Any proprietary information included in Applicant's Application shall be subject to disclosure unless such proprietary information was clearly identified by Applicant, and such identification was submitted concurrently with the original submission of the proprietary information. Such identification of proprietary information shall be clearly marked in the Application on each page it appears. Such markings shall be in boldface type at least 14-point font. Additionally, Applicant shall state the specific reason(s) an exception from the Texas Public Information Act is being claimed concurrently with the original submission of the proprietary information.

If Awarded Applicant fails to clearly identify proprietary information with the original submission of the proprietary information, then those Sections will be deemed non-proprietary and made available upon public request after the Grant is awarded. The production of any material under the Grant Award/Agreement shall not have the effect of violating or causing THECB to violate any law, including the Texas Public Information Act.

10.12.1. Family Educational Rights and Privacy Act.

Grantee agrees to comply with the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Section 1232g, and the implementing federal regulations, 34 C.F.R. Part 99. Any violation of these FERPA provisions by Grantee shall be deemed a material breach of the Grant Award/Agreement.

10.13. MAINTENANCE OF SECURITY OF ELECTRONIC INFORMATION

Grantee shall develop, implement, maintain, and use appropriate administrative, technical, and physical security measures to preserve the confidentiality, integrity, and availability of all electronically maintained or transmitted Covered Data and Information received from, or on behalf of THECB. These measures will be extended by contract to all subcontractors used by Grantee.

10.14. CONFLICT OF INTEREST

Grantee represents and warrants that Grantee, its principals, employees, or subcontractors have no potential conflict of interest in providing services to THECB under this Grant Award/Agreement, and that the provision of services under this Grant Award/Agreement does not create an appearance of impropriety. Failure to disclose a conflict of interest, at any time during the duration of this Grant Award/Agreement, shall be cause for termination of this Grant Award/Agreement. Grantee represents and warrants that the provision of deliverables and services or other performance under the Grant Award/Agreement will not constitute an actual or potential conflict of interest or reasonably create an appearance of impropriety.

10.15. DISCLOSURE OF INTEREST PARTIES

The Texas Ethics Commission (TEC) has an online portal for vendors/grantees. Vendors/Grantees will need to create a username and password to complete the "Certificate of Interested Parties" form. After the form has been completed, print and sign before sending a final copy to THECB at Contracts@highered.texas.gov. The TEC portal link can be found at:

Grantee represents and warrants that it shall not discriminate against any person on the basis of race, color, national origin, religion, political belief, sex, age, or disability in the performance of this Grant Award/Agreement.

10.18. PROHIBITION ON USES OF FUNDS FOR LOBBYING

Grantee represents and warrants that THECB's payments and Grantee's receipt of appropriated or other funds under this Grant Award/Agreement are not prohibited by Texas Government Code §§ 556.005 or 556.008.

10.19. FORCE MAJEURE

THECB may grant relief from performance of this Grant Award/Agreement if Grantee is prevented from performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributable to the fault or negligence of Grantee. The burden of proof for the need of such relief shall rest upon the Grantee. Grantee shall notify THECB in writing if it believes that a force majeure may have occurred and THECB shall, in its sole discretion, determine if force majeure has occurred.

10.20. FALSE STATEMENTS AND BREACH

Grantee represents and warrants that all statements and information prepared and submitted to THECB are current, complete, true, and accurate. Submitting a false statement or material misrepresentations made during the performance of a Grant Award/Agreement is a material breach of contract and may void the Grant Award/Agreement.

10.21. SEVERABILITY AND WAIVER

The invalidity, illegality, or unenforceability of any provision of this Grant Award/Agreement shall in no way affect the validity, legality, or enforceability of any other provisions.

Each and every right granted to the Parties hereunder or under any other document delivered hereunder or in connection herewith, or allowed them by law or equity, shall

be cumulative and may be exercised from time to time. Failure by THECB or Grantee at any time to require strict performance of any contractual provision or obligation contained herein shall not constitute a waiver or diminish the rights of either party thereafter to demand strict compliance. Neither THECB's review, approval, acceptance of, nor payment for any of the services provided in this Grant Award/Agreement shall be construed to operate as a waiver of any rights under the Grant Award/Agreement, or of any cause of action arising out of the performance of the services required by the Grant Award/Agreement.

10.22. E-VERIFY

By entering into this Grant Award/Agreement, Grantee certifies and ensures that it utilizes and will continue to utilize, for the Grant Award/Agreement term, the U.S. Department of Homeland Security's E-Verify system to determine the eligibility of all persons: (a) employed to perform duties within Texas, during the Grant Award/Agreement term; and (b) (including subcontractors) assigned by the Grantee to perform work pursuant to the Grant Award/Agreement, within the United States of America.

10.23. DRUG-FREE WORKPLACE

Grantee shall comply with the applicable provisions of the Drug-Free Workplace Act of 1988 (Public Law 100-690, Title V, Subtitle D; 41 U.S.C. §§ 701, et seq.) and maintain a drug-free work environment; and the final rule, government-wide requirements for drug-free workplace (grants), issued by the Office of Management and Budget and the Department of Defense (32 C.F.R. Part 26) to implement the provisions of the Drug-Free Workplace Act of 1988 is incorporated by reference and Grantee shall comply with the relevant provisions thereof, including any amendments to the final rule that may hereafter be issued.

10.24. LEGAL AND REGULATORY ACTION

Grantee represents and warrants that it is not aware of and has received no notice of any court or governmental agency actions, proceedings, investigations, etc. pending or threatened against Grantee or any of the individuals or entities included in the response within the five (5) calendar years immediately preceding the submission of the response that would or could impair Grantee's performance under the Grant Award/Agreement, relate to the solicited or similar goods or services, or otherwise be relevant to THECB's consideration of the grant award. If Grantee is unable to make the preceding representation or warranty, then Grantee instead represents and warrants that it has included as a detailed attachment in its response a complete disclosure of any such court or governmental agency actions, proceedings, or investigations, etc. that would or could impair Grantee's performance under the Grant Award/Agreement, or otherwise be relevant to THECB's consideration of the grant award. In addition, Grantee represents and warrants that it shall notify THECB in writing within five (5) business days of any changes to the representations or warranties in this clause and understands that failure to timely update THECB shall constitute breach of contract and may result in immediate termination of the Grant Award/Agreement.

Pursuant to Texas Government Code § 2155.006(b), Grantee certifies that during the five-year period preceding the date of this Grant Award/Agreement it has not been: (1) convicted of violating a federal law in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Texas Utilities Code § 39.459, Hurricane Katrina, or any other disaster occurring after September 24, 2005; or (2) assessed a penalty in a federal civil or administrative enforcement action in connection with a contract awarded by the federal government for relief, recovery, or reconstruction efforts as a result of Hurricane Rita, as defined by Texas Utilities Code § 39.459, Hurricane Katrina, or any other disaster occurring after September 24, 2005.

APPENDIX H: DEBARMENT AND SUSPENSION CERTIFICATION FORM

TEXAS HIGHER EDUCATION COORDINATING BOARD

Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion

"Non-Federal entities and contractors are subject to the non-procurement debarment and suspension regulations implementing Executive Orders 12549 and 12689, 2 CFR part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in Federal assistance programs or activities" (2 CFR 200.214).

This certification is required by the United States Department of Education regulations implementing Executive Order 12549, Debarment and Suspension, for all lower-tier transactions meeting the threshold and tier requirements (2 CFR 3485.220, 2 CFR 3485.330).

1. By signing this contract, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the Texas Higher Education Coordinating Board ("THECB") if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact THECB for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by signing this contract, should the proposed covered transaction be entered into, that it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by signing this contract that it will include a clause titled: "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion-Lower Tier Covered Transactions," stating the Certification listed below without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion—Lower-Tier Covered Transactions

- (1) The prospective lower tier participant certifies, by submission of its Proposal/Application and/or by signature on any resulting Agreement/Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
- (2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
