

Perkins Program and Fiscal Monitoring Schedule for Calendar Years 2027-2028

The outlined schedule details which colleges will be contacted for monitoring over the next two calendar years. Schedule may be subject to change as determined necessary by Texas Higher Education Coordinating Board (THECB) staff or for other unforeseen circumstances.

Key Objectives of the Perkins Monitoring Schedule:

- **Enhance Planning Capability:** By providing the schedule in advance, we aim to create a more predictable cadence of review for all parties involved.
- **Minimize Administrative Burden:** Colleges will receive only one monitoring review per calendar year (fiscal or program), allowing for focused attention and reducing the burden of multiple evaluations in a single year.
- **Certification of Compliance:** Reviews will ensure that each college meets Perkins V requirements in both programmatic and fiscal matters through regular monitoring.
