Texas Comptroller of Public Accounts

Dear Comptroller Hegar:

In accordance with Section 61.063 of the Texas Education Code, this letter and the enclosed list serve as notification that Texas public community colleges have certified compliance with Texas Education Code 130.003(b) and are therefore eligible for and may receive money appropriated by the legislature to public junior colleges.

Each college named in the attached list is eligible to receive state appropriated funds as provided in the General Appropriations Act enacted by the 88th Texas Legislature, Regular Session, and pursuant to House Bill 8 (88-R). Actual appropriations to public community/junior colleges are subject to downward adjustments if, during any investigation, the college is not in compliance.

Please let me know if I can provide any additional information concerning the disbursement of these funds.

Sincerely,
