Data Review

The Texas Higher Education Coordinating Board (Coordinating Board) announces the Tuition Equalization Grant (TEG) Program 10-day data review for the 2026-2027 Biennium (Fiscal Years 2025-26 and 2026-27). Eligible institutions include private or independent institutions of higher education.

Purpose of the Review

The 10-day data review is based on institutional responses submitted through the online TEG Intent to Participate survey form by June 1, 2025. It is also based on institutional data submitted on the Financial Aid Database (FAD).

- The Fiscal Year (FY) 2026 calculations are based on certified data from the FAD from FY 2024.
- The FY 2027 calculations are based on FY 2025 which is forecasted by using certified data from the FAD from FY 2022, FY 2023 and FY 2024.

In accordance with [Texas Administrative Code, Title 19, Part 1, Chapter 22, Section 22.29](#), institutions are provided a 10-day period to review and verify the accuracy of this data.

Action Required

Please review the enclosed documents, **"Fiscal Year 2026/Fiscal Year 2027 TEG Program 10-Day Data Review,"** and complete the accompanying [10-Day Data Review Form](#) by **June 23, 2025**.

Each institution must:

- **Confirm** that the data has been reviewed.
- **Report** any discrepancies found.
- As part of the 10-day review process, an institution may also change their response to opt-in/out of the TEG Program.

Failure to submit the form by the deadline will be interpreted as confirmation that the data is accurate.

Additional Information

This announcement does not imply any official allocation of funds for an institution. After the 10-day review period concludes and the Governor signs the General Appropriations Act, allocations will be distributed to institutions. Any institution offering aid before official allocation announcements from the Coordinating Board does so at its own risk.
