RE: FY 2022 Educational Aide Exemption (EAE) 10-Day Allocation Data Review

The Texas Higher Education Coordinating Board (THECB) announces the 10-day allocation data review for the 2021-2022 (FY 2022) EAE program for institutions of higher education. As part of the allocation rule ([TAC, Section 21.1086](#)), a 10-day review period is required, allowing institutions to review the data that is provided in the enclosed attachment, "**EAE Preliminary Allocation Calculation Data.**"

The preliminary allocation calculation is based on institutional data submitted on the Opt-In/Out survey for state financial aid programs due on March 12, 2021.

As part of the 10-day review process, an institution can choose to Opt-In/Out of the EAE program. Please review the enclosed data and advise Financial Aid Services staff of any discrepancies by the close of business on **June 17, 2021** by sending an online inquiry to [CONTACT US](#) (select the "Financial Aid Question" option in the drop-down selection under **Contact Reason**). **Failure to respond will be interpreted as confirmation that the school's data is accurate.**

This announcement does not imply any official allocation of funds for an institution. For illustrative purposes, tentative allocation levels have been provided based on the THECB's B.1.7 Strategy in the General Appropriations Act, Enrolled, Senate Bill 1, 87th Texas Legislature. Once a General Appropriations Act has been signed by the Governor, official FY 2022 EAE allocations will be disseminated to the institutions. Any institution offering aid prior to official allocation announcements from the THECB does so at its own risk.
