Subject: 2024-25 Online Texas Application for State Financial Aid (TASFA) Test
Files in MOVEit

To prepare institutions for the launch of the 2024-25 Online TASFA, test data files have been sent to each institution's 2024-25 TASFA folder in [MOVEit DMZ](#) under the 2024-25 award year. Institutions are encouraged to retrieve the test files to confirm the automated batch process is functional. Once the application has launched, institutions should coordinate with internal technical staff or their respective vendors to determine the best method for processing incoming applications that are submitted for 2024-25. The application is targeted to launch the week of February 26, 2024.

For further instructions on the batch process, institutions should review the [FY 2025 Online TASFA File Layout](#).

For questions, please call 844-792-2640 or submit an online inquiry through [CONTACT US](#) (select "Financial Aid Question" for the Contact Reason).
