RE: FY 2021 Texas College Work-Study (TCWS) Final Allocation

The Texas Higher Education Coordinating Board (THECB) announces the enclosed 2020-21 (FY 2021) **final** allocation amounts, based on the reduced appropriation for fiscal year 2021 for the Texas College Work-Study (TCWS) program at public and private/independent institutions. The Texas College Work-Study appropriation supports the TCWS, the Work-Study Student Mentorship, and the Texas WORKS Internship Programs. This allocation is specifically for the TCWS Program.

On June 23, 2020, the 10-day allocation data review materials were issued to institutions for the TCWS program. Institutions were asked to confirm that the "TCWS Preliminary Allocation Calculation Data" accurately reflected the data submitted to the Texas Higher Education Coordinating Board (THECB). Institutions had 10 days to review the data, with the review period ending July 7, 2020. Through this process, THECB received no comments about the data.

Disbursements for TCWS funds will be processed after the first day of the new fiscal year, Sept. 1, 2020.
