Subject: 2023-24 Texas Application for State Financial Aid (TASFA)

The 2023-24 Texas Application for State Financial Aid (TASFA) is now available on the [College for All Texans](#) website and the Student Financial Aid Programs (SFAP) information webpage under [Program Resources](#).

The following changes were made to the 2023-24 TASFA based on recommendations by the Financial Aid Advisory Committee's TASFA Subcommittee and the Texas Higher Education Coordinating Board (THECB):

- Annual updates to years, dates, and the tax and income references from the Internal Revenue Service (IRS).
- Questions were reorganized to align with the development of the future Online TASFA.
- **Proof** of Selective Service registration is no longer required and was removed from the Selective Service Statement of Registration Status form.
- Removal of the following TASFA questions:
 - Date of graduation (HS or GED) - #17
 - College grade level - #19
 - Degree/certificate attempting - #20
 - Number of credits/hour enrolled - #22
 - Associate degree for transfer students - #23
 - Conviction restrictions - #25
 - Previously received state aid - #26
 - Work authorization and work-study interest - #27

As a reminder, a [memo](#) was sent Aug. 28, 2022, to announce that the online TASFA for 2023-24 is delayed. To ensure students can maximize financial aid funding, we are encouraging students to complete the paper TASFA. More information, including training, release dates, and other milestones will be provided at a later time.
