RE: FY 2022 Toward EXcellence, Access, and Success (TEXAS) Grant 10-Day
Allocation Data Review

The Texas Higher Education Coordinating Board (THECB) announces the 10-day allocation data review for the 2021-2022 (FY 2022) TEXAS Grant program for general academic teaching institutions and medical and dental units, other than state colleges. As part of the allocation rule ([TAC, Section 22.236](#)), a 10-day review period is required, allowing institutions to review the data provided in the enclosed attachment, "**TEXAS Grant Preliminary Allocation Calculation Data.**"

The preliminary allocation calculation is based on institutional data submitted on the FY 2019 and FY 2020 Financial Aid Databases. Due to the Family Educational Rights and Privacy Act (FERPA) requirements, some data has been redacted from the spreadsheet.

Please review the enclosed data and advise Financial Aid Services staff of any questions or discrepancies by **June 17, 2021** by sending an online inquiry to [CONTACT US](#) (select the "Financial Aid Question" option in the drop-down selection under **Contact Reason**). **Failure to respond will be interpreted as confirmation that the school's data is accurate.**

This announcement does not imply any official allocation of funds for an institution. For illustrative purposes, tentative allocation levels have been provided based on the THECB's B.1.1. Strategy in the General Appropriations Act, Enrolled, Senate Bill 1, 87th Texas Legislature. Once the General Appropriations Act has been signed by the Governor, official FY 2022 TEXAS Grant allocations will be disseminated to the institutions. Any institution offering aid prior to official allocation announcements from the THECB does so at its own risk.
