These are loans made between August 2011 and October 2013 and impacts of 6,500 loans. We were able to reduce the interest rate due to the recent interest rate changes. On April 1, THECB will reduce approximately 5,500 loans (reduction of 0.25 – 5.25% to 5.00% and 450% to 4.25%). All borrowers who were impacted were notified. The following memos were recently released: <ul style="list-style-type: none"> B.1.10 Strategy Funds Request released on 3/1/2022: This announcement outlined the process to request the additional B.1.10 funds through an online form. Schools must utilize all the original allocation before requesting funds from the B.1.10 strategy. Changes to student count are done through the Grant Payment Portal. A flyer for the Monthly Webcast was released on 3/1/2022 with the topics of discussion. An additional webcast was scheduled on 3/8/2022 at 1:30 p.m. (Central Standard Time). FY2022 FAD Cycle One opened on 2/28/2022. There were some delays in receiving the reports. The issues were resolved and can continue to resubmit the FAD file. Cycle one does not require reconciliation, however, THECB encourages schools to review their data and budget totals to assist with future reconciliation process for cycle three. Schools are encouraged to submit a FAD file in enough time to work through any errors.

COORDINATION Across public and private sectors, with input and support from educators, institutional leaders, policy makers, employers, and students

Attainment of Postsecondary Credentials

By expanding attainment to include all working age Texans, we can increase employment opportunities and income for individuals, create a deeper talent pool for employers, and align skills with the jobs the workforce demands.

TARGETS

- **60% of Texans ages 25 -34** with a degree, certificate, or other postsecondary credential of value by 2030.
- **60% of Texans ages 35 -64** with a degree, certificate, or other postsecondary credential of value by 2030.

By expanding our attainment goals to include all working-age Texans, we will increase employment opportunities and incomes for individuals, create a deeper talent pool for employers, and align skills with the jobs our economy increasingly demands.

Postsecondary Credentials of Value

Credentials from Texas institutions of higher education must propel graduates into lasting, successful careers that equip them for continued learning and greater earning potential, with low or manageable debt.

TARGETS

- **550,000 STUDENTS COMPLETING** postsecondary credentials of value each year.
- **95% OF GRADUATES** with no undergraduate student debt or manageable levels of debt in relation to their potential earnings.

Credentials from Texas colleges and universities must equip graduates for continued learning and lasting, successful careers, with no or manageable student debt.

Research, Development, and Innovation

Texas must be a leading state in generating knowledge through basic and applied research and translating it to innovations, discoveries, and economic development.

TARGETS

- **\$1 BILLION** additional annual private and federal research and development expenditures by 2030.
- **7,500 RESEARCH DOCTORATES** awarded annually by Texas institutions of higher education.

Advancing Texas competitiveness in the global economy will require strengthening our state R&D infrastructure and translating discoveries into innovations that benefit individual Texans' lives and drive economic development.

Advancing Equity for the Benefit of All Texans

In raw numbers, Texas grew more than any other state over the past decade, and more than 95% of that growth was in communities of color. Data for *Talent Strong Texas* indicators will be disaggregated and reported by race, gender, income level, and geographic area to monitor that all goals are being advanced equitably and all Texans have opportunities to succeed.

Texas Leadership Scholars Program

INFORMATIONAL SESSION FOR INSTITUTIONS IN TEXAS

Goals

- The Texas Leadership Scholars program will be a state-wide, premier leadership program aimed at keeping high achieving, low-income Texas graduates in the state to pursue their higher education.
 - Just 15% of top-ten-percent students from Black, Latino, and rural communities go on to enroll in a Texas four-year institution. We are seeking to change this.
- The THECB Texas Leadership Scholars Program will support high-achieving, low-income students in their postsecondary aspirations.
 - The program will connect cohorts of participating students with peer and professional networks and mentors, support leadership development, provide opportunities for undergraduate research, and offer job skills such as resume writing, social media use, communication, and collaboration.
- Rollout first cohort Fall 2022.

Eligibility - Students

- Top performing students with demonstrated financial need, leadership in their high school community, and academic success.
 - Demonstrated financial need, as evidenced by the completion of FAFSA or TASFA
 - TEXAS Grant eligible
 - Graduated from an accredited Texas High School
 - Accepted to a participating 4-year institution
 - Scholastic record and ability
 - Evidence of leadership and service within their high school and community
 - This will be evaluated by the selection committee and may include involvement and leadership in student organizations at school or in the community and service within the community.
- Continued eligibility can be defined by the institution.

The Student Experience

- A designated campus liaison will ensure Scholars experience the following program across 4 years:
 - **Living Learning Community:** Scholars will participate in a Scholar-specific Living Learning Community (LLC) for the first 2 years of program.
 - **Mentoring:** Participants in the Scholars program will participate in progressive mentoring throughout their experience on at an institution.
 - Year 1: For the first year of the program, each Scholar will be assigned a peer mentor; the staff liaison will automatically serve as staff mentor and primary contact for Scholars.
 - Year 2: Scholars will be encouraged to transition to the peer-mentor role. Additionally, they will participate in a weeklong job shadowing program during winter or spring break.
 - Year 3: Scholars will attend 2 events a semester to learn and receive advice from corporate and executive leaders regarding what they are looking for in new graduates.
 - Year 4: Scholars will be matched with an alumni mentor who is aligned with their academic/professional goals.

The Student Experience

- A designated campus liaison will ensure Scholars experience the following program across 4 years continued:
 - **Undergraduate Research:** Scholars will receive access to undergraduate on-campus research experiences. Campus liaisons will ensure workshops are offered related to securing research positions, but also help ensure students receive a research experience while in college by connecting students to opportunities.
 - **Programming:** Campus liaisons will develop a plan to ensure the following programmatic opportunities are offered to students each year.
 - Strengths or Leadership Assessment
 - Group Service Project
 - Networking events to practice communication skills and relationship-building
 - Workshops and earning opportunities on
 - Resume writing
 - Developing your Elevator Speech
 - LinkedIn and other social media branding
 - Value of diversity in teams and businesses
 - Pursuing graduate school

The Student Experience

- A designated campus liaison will ensure Scholars experience the following program across 4 years continued:
 - **Other Benefits:** Outreach to parents to understand the college experience and Scholars program.
 - **Summer Programming:** Students will be selected or apply for the following opportunities. Planning and selection will be coordinated by the Scholars Advisory Board (see below for information on the Scholars Advisory Board).
 - **Leadership Conference:** Scholars can participate in an annual leadership conference, hosted by one of the participating institutions.
 - **Study Abroad:** Scholars can apply to participate in a Scholars-specific paid study abroad experience.
 - **Internship Stipends:** Scholars can apply for an internship stipend if they pursue a summer internship that is unpaid.

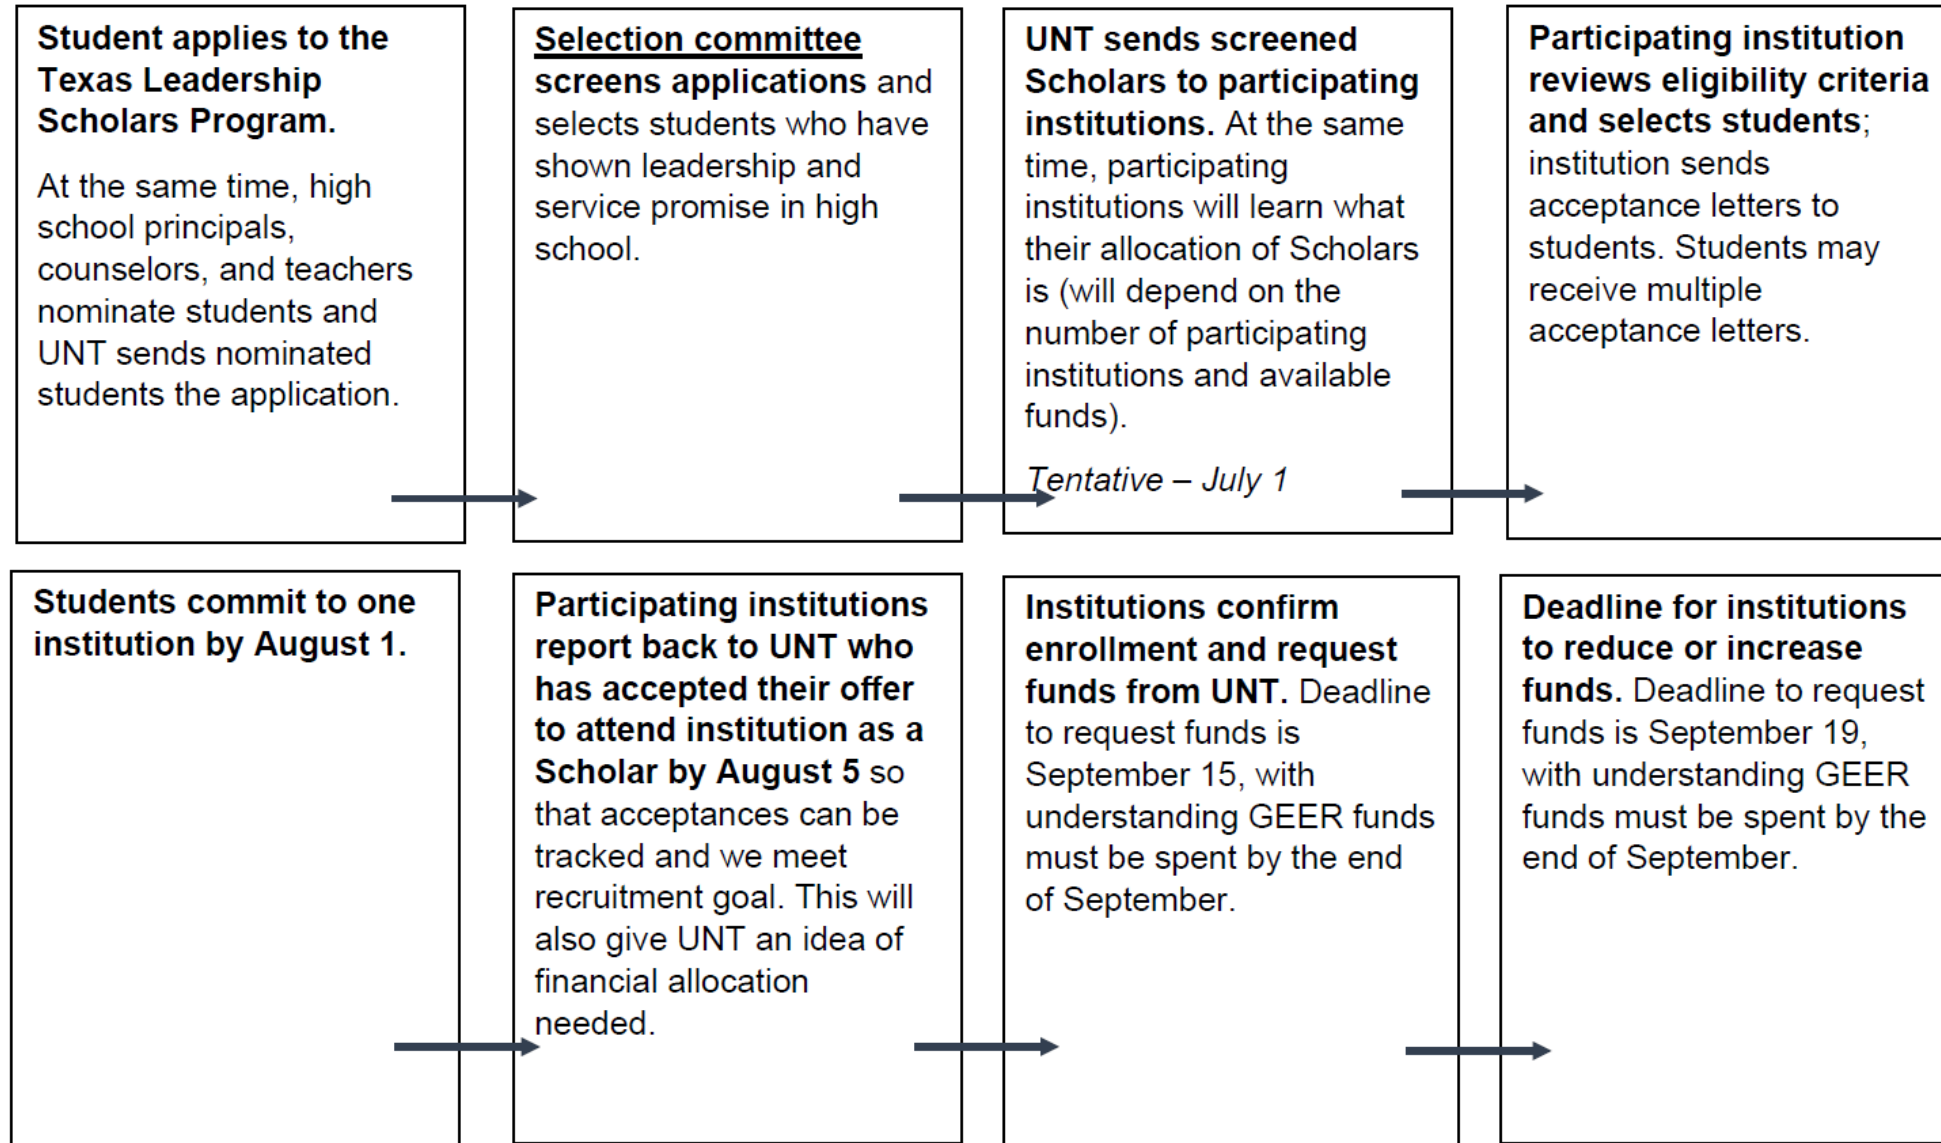

Financial Commitment

- Scholars will have 100% of their board-designated tuition and fees covered, through a combination of federal, state, and institutional aid, plus a Room and Board stipend of approximately \$10,000, depending on the institution, annually for 4 years if they continue to meet program requirements.
 - The institution will ensure 100% of a student's board-designated tuition and fees are covered.
 - The THECB will provide the Room and Board stipend.
- The THECB will fund summer programming opportunities.
- Given the financial commitment institutions would have to make, participating institutions can cap the number of Scholars they accept per year.

Institutional Partners

- We are seeking public, 4-year institutions to agree to participate in this program.
- For year 1, institutions must express a desire to participate by June 15, 2022.
 - Not participating in year 1, will not preclude you from participating in future years.

There are a few rule changes that are up for approval with the THECB Board that have an impact on the release of the guidelines. (Go over the changes) <ul style="list-style-type: none"> ◦ Award Amounts and Years ◦ Cosmetic Changes ◦ Alning ◦ 2022-23 Preliminary Allocations are in their final stages of review and approvals. The goal is to release the 10-day data review in early May. The delay was caused by late FAD certifications. We received the final certification in April. <ul style="list-style-type: none"> ◦ Question to the committee: Are there any thoughts on how to better approach the FAD deadlines? ◦ Authority to Transfer Process-a memo was released on April 12 informing institutions about the new process to request a transfer of funds. A new form was created to replace sending a request through the Customer Tracking system. The transfer request form must be submitted by July 1, 2022 using the Authority to Transfer form. The Financial Aid Services staff will review the submitted form and send an email notification to the institution to provide next steps for the process. ◦ TCWS Summer Awarding-Beginning with the 2020-21 award year, institutions that do not utilize their original state work-study allocation during the nine-month academic year are permitted by 	<p>Virtual Meeting-DeCha R., Leah S., Tanitia C., THECB</p>

All funds must be expended or returned by August 31, 2022.</p> <ul style="list-style-type: none"> ○ TEXAS Transfer Grant-We released a fact sheet on April 26 outlining the program administration process. We also had a webcast on April 27 where we received some great questions about the program which made us realize that we need to create a Q&A section on our SFAP webpage. We are in the process of reviewing all the questions that were sent in the chat from the webcast to formulate better response. I want to thank all of you who were in attendance yesterday and who posed some great points of consideration for us to review. Given this is the first time the agency has created a centralized program, we are learning more and more each day of the complexities of the administration of the program and appreciate your patience while we navigate this new concept. ○ Recent Memos: <ul style="list-style-type: none"> ○ 04/12/2022 Authority to Transfer Funds FY 2022 Process Memo [PDF] ○ 04/06/2022 Tuition Equalization Grant (TEG) FY 2022 Final Allocation Memo [PDF] ○ 03/29/2022 Net Price Calculator FY 2023 Annual Update Memo [PDF] ○ Upcoming Memos <ul style="list-style-type: none"> ○ Summer 2022 Institutional Calendar-finalizing deadline dates ○ Online TASFA Announcement-finalizing the file layout ○ User Access - looking at ways to improve the process of collecting changes. ○ Title III Waiver: 2021-22 and 2022-23 letters are collected by the THECB for compliance purposes ○ Upcoming deadlines: <ul style="list-style-type: none"> ○ Net Price Calculator-4/29/2022 <p>Committee Comments:</p> <ul style="list-style-type: none"> ○ No comments
