## Annual preliminary fall headcount provides early insight

- Preliminary enrollment data collection began over 20 years ago
- Fall census date enrollments were collected from:
  - 2-year technical, state, and community colleges;
  - 4-year public and independent universities; and
  - public and private health-related institutions (HRIs)
- **Thank you** to the institutional partners who provided this preliminary data
- Certified fall enrollment data will be finalized later this calendar year
