The workload guidelines shall address and give appropriate weight to the instructional, research/scholarship, service, and professional development responsibilities and expectations of tenured and tenure-track faculty, as well as non-tenure track faculty.

Department guidelines must expressly address how workload will be re-balanced or other steps that may be taken when a faculty member is not meeting departmental expectations in a certain area (as when, for example, a tenured faculty member ceases to be research active as defined by the relevant college or department).

Each department chair (or other designee in a non-departmentalized college) is responsible for ensuring that each faculty member within the academic unit is in compliance with the stated faculty workload guidelines.

Each dean is responsible for reviewing and approving the workload policy(s) in their departments and/or college/school, which shall include consultation with faculty in the affected college/school. Workload policies must be filed with the Provost's Office once every three years. Deans are responsible for submitting a completed annual report to the Provost's Office regarding compliance with this policy.
