

HEALTH-RELATED INSTITUTIONS' ONLINE RESUME DEFINITIONS FOR LEGISLATORS AND OTHER POLICYMAKERS

Enrollment

Fall headcount

Definition: Unduplicated institutional fall headcount enrollment. Flex entry students are not included. . Federal reporting of race/ethnicity categories changed effective fall 2010. The new reporting categories will make longitudinal comparisons problematic. Hispanics are identified by an ethnicity question that is separate from the racial question. Hispanic students, except international ones, are identified by the ethnicity question. In addition to the "African American" non-Hispanic category, there is a listing for "Multi-Racial one of which is African American." "Asian" includes Asian, Hawaiian, and Pacific Islanders. "Other" includes American Indian, Alaskan Native, Unknown, and two or more races, excluding African American. International students are shown separately and excluded from the race/ethnicity breakouts.
