Subject: Fiscal Year 2027 Reserve Officers' Training Corps Charges

The Texas Higher Education Coordinating Board publishes a standard fee for Reserve Officers' Training Corps (ROTC) courses that consider the average state cost, as outlined in [Texas Education Code Section 51.9112](#).

For Fiscal Year 2027 (2026-27), the ROTC rate is \$323 per semester credit hour; a 0.2% increase from the Fiscal Year 2026 published rate of \$322 per semester credit hour.

In calculating the rate, it is assumed all ROTC course costs are identical to institutions' undergraduate upper- and lower-level liberal arts expenses. The General Academic Institutions Expenditure Study was used to forecast costs (less salaries), using data from institutions with ROTC programs.
