Public Health-Related Institutions
TUITION AND FEE DATA**

The tuition and fee data reported on the following pages reflects the average amounts charged to resident undergraduate students enrolled in exactly 15 semester credit hours (SCH) per semester at Public Health-Related Institutions. Amounts reported include statutory tuition, designated tuition, average mandatory fee and average college and course fee.

A student's actual charges may vary based on the student's classification and level of enrollment, the college the student attends within the university, the student's specific personal circumstances, or for other reasons deemed appropriate by the institution.

FOOTNOTES:

* All data was reported under definitions for tuition and fee adopted January 2006 by the Coordinating Board.

The University of Texas Health Science Center at Houston began reporting their undergraduate tuition information Spring 2011.

UT Southwestern Undergraduate program is no longer offered as of Spring 2014.

Note:

The Total Academic Charges column is the sum of Statutory Tuition + Designated Tuition + Mandatory Fee + Avg Coll and Course Fee for each school.

The bottom of the column is the average (excluding zeroes, if any) of the Total Academic Charges of each school.
