## Executive Summary

Senate Bill (SB) 212 and House Bill (HB) 1735, passed by the 86th Texas Legislature, codified as Texas Education Code (TEC), Chapter 51, Subchapters E-2 and E-3, respectively, amended certain sections of TEC, Chapter 51, and enacted several measures to: (1) improve the reporting of certain incidents of sexual harassment, sexual assault, dating violence, and stalking (collectively referred to in this report as “sexual misconduct”) at public and private/independent institutions of higher education; and (2) enhance institutional policies and employee training regarding the reporting of such incidents.

Included in SB 212 and HB 1735 were directives that the Texas Higher Education Coordinating Board (THECB): (1) convene an advisory committee to develop recommended rules; (2) form a training advisory committee to develop recommended training for persons required to report certain incidents of sexual misconduct; (3) monitor institutions for compliance and assess penalties as necessary; and (4) submit required reports regarding compliance with the legislation.

Before the first annual report to the Legislature in January 2021, the THECB satisfied these directives by:

- Developing and adopting reporting rules through negotiated rulemaking.
- Developing recommended training for persons required to report certain incidents of sexual misconduct through a training advisory committee.
- Creating a website to contain: (1) the training developed for certain postsecondary employees, (2) sample report templates offered as examples for purposes of complying with reporting requirements, and (3) an approved Chief Executive Officer (CEO) Certification Form for CEOs to certify annually by Oct. 31.
- Collecting and reviewing initial CEO Certification Forms required by October 31, 2020.
- Monitoring compliance and preparing the report submitted to the Legislature in January 2021. The initial report covered required institutional compliance with Subchapter E-2 as of the January 1, 2020, effective date.

After the initial January 2021 report to the Legislature, the THECB has continued to satisfy these directives by:

- Updating report templates to allow institutions to clearly identify institution locations and reporting periods.
- Continuing to monitor institutional compliance with Subchapter E-2.
- Monitoring institutional compliance with Subchapter E-3.
- Preparing this report to the Legislature covering required institutional compliance with Subchapters E-2 and E-3.

For Academic Year 2023-2024, in November 2024 through February 2025, the THECB’s Assistant Commissioner for Internal Audit and Compliance and staff conducted the review of compliance required by Subchapter E-2. The following summarizes institutions’ compliance with the directives of Subchapter E-2:

- The THECB identified and required 223 postsecondary educational institutions (PEIs) to provide CEO Certifications. These institutions included systems and individual locations.
- Of those 223 PEIs, five did not timely file the annual CEO Certification Form, as codified in TEC Subchapter E-2, by October 31, 2024, the due date established in THECB Administrative Rule

3.19. THECB staff worked with each institution to ensure the forms were submitted. All 223 PEIs have now submitted forms.

For Academic Year 2023-2024, in December 2024 through February 2025, the THECB's Assistant Commissioner for Internal Audit and Compliance and staff conducted the review of compliance required by Subchapter E-3. The following summarizes institutions' compliance with the directives of Subchapter E-3:

- Three PEIs were selected for a detailed review and assessment of policies and procedures under Subchapter E-3 requirements.
- Of those PEIs, one initially could not provide documentation to support that the institution reviewed its policies at least biennially. After a management response from this PEI, each of the three PEIs demonstrated substantial compliance with 18 compliance requirements developed by THECB staff.
- An administrative penalty matrix found in THECB Administrative Rule 3.19 was used to determine if penalties should be assessed for not being in substantial compliance with Subchapters E-2 and E-3. THECB recommends no penalties be assessed this cycle.

## Introduction

The 86th Texas Legislature recognized the need for accurate reporting of certain incidents of sexual harassment, sexual assault, dating violence, or stalking (collectively referred to in this report as “sexual misconduct”) at public and private/independent institutions of higher education through its passage of Senate Bill (SB) 212 and House Bill (HB) 1735, each of which amended certain sections of the Texas Education Code (TEC), Chapter 51.

HB 1735, codified as TEC, Chapter 51, Subchapter E-3 (see [Appendix A](#)), requires postsecondary institutions to adopt a policy on sexual harassment, sexual assault, dating violence, or stalking applicable to both enrolled students and employees. SB 212, codified as TEC, Chapter 51, Subchapter E-2 (see [Appendix B](#)), requires an employee of a public or private/independent institution of higher education who witnesses or is told about an incident involving sexual harassment, sexual assault, dating violence, or stalking alleged to have been committed by or against a person who was a student enrolled at or an employee of the institution at the time of the incident to report such incidents to the institution’s Title IX Coordinator.

Included in SB 212 and HB 1735 were directives that the Texas Higher Education Coordinating Board (THECB): (1) convene an advisory committee to develop recommended rules; (2) form a training advisory committee to develop recommended training for persons required to report certain incidents of sexual misconduct; (3) monitor institutions for compliance and assess penalties as necessary; and (4) submit required reports regarding compliance with the legislation.

Before the first annual report to the Legislature in January 2021, the THECB satisfied these four directives.

After the initial January 2021 report to the Legislature, the THECB has continued to satisfy these directives by:

- Updating report templates as needed.
- Continuing to monitor institutional compliance with Subchapter E-2.
- Monitoring institutional compliance with Subchapter E-3.
- Preparing this report to the Legislature covering required institutional compliance with Subchapters E-2 and E-3.
- Conducting negotiated rulemaking to develop an administrative penalty matrix as part of the administrative rules found in THECB Administrative Rule 3.19. The rule revision, which includes a penalty matrix, was adopted at the April 27, 2023, THECB quarterly board meeting.

## Templates Provided by the Coordinating Board

The THECB has provided the following templates to institutions to facilitate required reporting:

- The CEO Certification Form (see [Appendix C](#)) - This form allows the reporting CEO to indicate if multiple locations within an institutional system are included under the certified information. The form provides clarity about the time period covered by the certified information. This is the form submitted to the THECB by October 31 of each year.
- The Title IX Coordinator Quarterly Report (see [Appendix D](#)) - This template may be used by the Title IX Coordinator to provide details of required reporting and any investigations conducted.
- The CEO Report to the Governing Board (see [Appendix E](#)) - This form allows the CEO to indicate if multiple locations within an institutional system are included in the report. The CEO Report is a summary of the Title IX Coordinator Quarterly Reports for the previous academic year.

## Subchapter E-2 Compliance for Academic Year 2023-2024

Texas Education Code, Chapter 51, Subchapters E-2 and E-3 define a postsecondary educational institution (PEI) that must be in substantial compliance as an institution of higher education or a private or independent institution of higher education, as defined by TEC, Chapter 61, Section 61.003. The definition for an institution of higher education in TEC Section 61.003(8) includes other agencies of higher education as defined in the section. THECB identified 223 PEIs, including educational systems, individual campuses, and other agencies of higher education, that are required to comply with Subchapters E-2 and E-3.

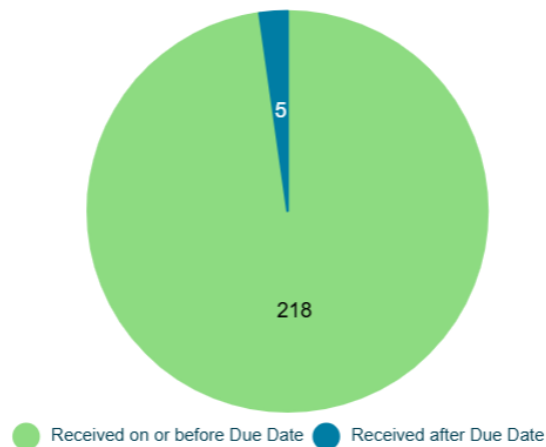

For Academic Year (AY) 2023-2024, in November 2024 through February 2025, the THECB's Assistant Commissioner for Internal Audit and Compliance and staff conducted the review of compliance required by Subchapter E-2. Of the 223 PEIs identified and required to provide annual CEO Certification Forms, five did not timely file the form, as codified in TEC Subchapter E-2, by October 31, 2024, the due date established in THECB Administrative Rule 3.19. THECB staff worked with each institution to ensure the forms were submitted. All 223 PEIs have now submitted forms.

Under THECB Rule 3.19(e), a PEI failing to file the CEO Certification not later than October 31 of each year is subject to a penalty of \$2,000 per day of violation. However, the PEI may cure the violation by filing its CEO Certification not later than November 30 of the year the report was due. All five PEIs cured the late filing of the CEO Certification. (See [Appendix F](#) for the list of postsecondary educational institutions that were required to submit CEO Certification Forms in compliance with Subchapter E-2).

## Subchapter E-3 Compliance for Academic Year 2023-2024

For Academic Year 2023-2024, in December 2024 through February 2025, the THECB's Assistant Commissioner for Internal Audit and Compliance and staff conducted the review of compliance required by Subchapter E-3.

Subchapter E-3, effective August 1, 2020, requires institutions to develop a policy on sexual harassment, sexual assault, dating violence, and stalking; allows for electronic reporting of sexual misconduct; provides amnesty for good faith reports; allows victims to request no investigation; provides a disciplinary process for sexual misconduct; addresses student withdrawal or graduation pending disciplinary charges and requests for information from another postsecondary educational institution; requires trauma-informed investigation training; requires at least one memorandum of understanding with local law enforcement, a sexual misconduct advocacy group, or a hospital or medical provider; provides for designation of confidential employees and student advocates; sets confidentiality protections; allows the THECB to assess an administrative penalty for institutional noncompliance; and requires equal access to persons with disabilities.

The THECB's Assistant Commissioner for Internal Audit and Compliance (IACM) and staff developed an 18-point checklist for a detailed review and assessment of policies and procedures under Subchapter E-3. (See Table 2, [Appendix G](#), Summary Results of Compliance Monitoring for AY 2023-2024).

Three PEIs were selected for detailed reviews and assessments of policies and procedures under the Subchapter E-3 requirements. For the AY 2023-2024 review, IACM and program staff confirmed substantial compliance with E-3 for all 223 PEIs but also determined one of the three PEIs selected for detailed review and assessment lacked documentation to support one area. The three PEIs chosen for review, including management response, if necessary, to the review were:

- Parker University
  - Substantial compliance with Subchapter E-3.
  - No penalty assessment recommended.
- University of Dallas
  - Substantial compliance with Subchapter E-3.
  - No penalty assessment recommended.
- Texas Lutheran University
  - Substantial compliance with Subchapter E-3.
  - The institution could not provide documentation that:
    - The institution reviewed its policies at least biennially, as required by TEC Section 51.282(f).
  - Management responded regarding the requirement lacking documentation:
    - Institution has added a provision in its sexual assault and reporting (Title IX) policy to ensure there is a biennial review of the Title IX policy and revisions are approved by the Board of Trustees.
    - No penalty assessment recommended.

## Penalty Matrix

An administrative penalty matrix found in THECB Administrative Rule 3.19 was used to determine if penalties should be assessed for not being in substantial compliance with Subchapters E-2 and E-3. (See [Appendix H](#) for Rule 3.19 and [Appendix I](#) for Penalty Matrix).

## Proposed Sanctions

With reference to the penalty matrix, IACM was able to determine if penalties should be assessed for not being in substantial compliance with Subchapters E-2 and E-3. IACM recommended that no penalties be assessed this reporting cycle.

## Conclusion

The THECB will continue to provide support to postsecondary educational institutions as they work toward substantial compliance with TEC, Chapter 51, Subchapters E-2 and E-3, for AY 2024-2025. The THECB's program and Internal Audit and Compliance staff will continue to work together to monitor compliance and to keep the legislature and governor updated about each institution's compliance activities.

Re: *Summary Results – Compliance Requirements – Texas Education Code, Chapter 51, Subchapters E-2, and E-3*

Dr. Rosser,

We completed our Summary Results review *on Compliance Requirements – Texas Education Code, Chapter 51, Subchapters E-2, and E-3*. This information will be presented at the April 2025 Committee on Academic and Workforce Success.

All institutions we reviewed were in substantial compliance with Subchapters E-2 and E-3. However, some postsecondary educational institutions (PEIs) did not comply with specific requirements. Specifically:

- 5 of 223 PEIs we tested under Subchapter E-2 did not timely file the annual Chief Executive Officer (CEO) Certification by the October 31st due date established by the coordinating board.
- One of three PEIs we tested under Subchapter E-3 could not provide documentation to support that it reviewed policies at least biennially, as required by Section 51.282 (f).

**Contents of the report include:**

- Subchapter E-2 results in Table 1;
- E-3 compliance requirements in Table 2;
- Potential Penalties for Substantial Noncompliance in Table 3; and
- Individual E-3 compliance reports are included as Attachments 1, 2, and 3.

If you have any questions or comments, please let me know.

Sincerely,

Dr. Morgan,

We've completed the compliance monitoring review of requirements related to Sexual Harassment, Sexual Assault, Dating Violence, and Stalking at Parker University. There were no observations to the requirements contained in Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, Subchapter E-3.

Summary

Parker University complied with the requirements contained in TEC, Title 3, Subtitle A, Chapter 51, Subchapter E-3.

This Compliance Monitoring report will be presented to the Texas Higher Education Coordinating Board (THECB) Committee on Academic and Workforce Success, a standing committee of the THECB Board in April 2025.

The cooperation of your staff during this review is appreciated. If you have any questions or comments, please let me know.

## Review Objective, Scope and Methodologies

Our review objective was limited to reviewing compliance with specific HB-1735 compliance and reporting requirements as codified in TEC, Title 3, Subtitle A, Chapter 51, Subchapter E-3 for the institutions of higher education (IHE). We collaborated with AAWE and agreed that for the initial reporting cycle, our audit scope would be limited to certain criteria as noted in the Summary of Results section in this report.

We further agreed that our role would be to remain neutral in policy matters while providing an objective review regarding the nature and extent of the IHE's compliance with the requirements of HB-1735 for IHEs.

We reviewed the information submitted to the THECB, requested follow up information as needed, and performed limited testing to address the review objective.

## Background

This review was included in the 2025 Compliance Monitoring Plan. Policy guidance and direction is centralized in the Academic Affairs and Workforce Education (AAWE) office under the Director, Private Postsecondary Institutions who also acts as the agency's Title IX Coordinator for Institutions.

The 86<sup>th</sup> Legislature enacted HB-1735, amending Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, by adding Subchapter E-3 requiring each postsecondary education institution to adopt a policy on sexual harassment, sexual assault, dating violence, and stalking applicable to each student enrolled at and each employee of the institution. Further, Section 51.292(a) authorizes the coordinating board to assess an administrative penalty for failure of the IHE to show substantial compliance with the act.

Additionally, Section 51.292(f) requires the THECB to annually submit its report to the governor, the lieutenant governor, the speaker of the house of representatives and the standing legislative committees with primary jurisdiction over legislation concerning sexual assault at postsecondary educational institutions. The report will include a summary of the postsecondary educational institutions found not to be in substantial compliance as provided by this section and any penalties assessed under this section during the calendar year preceding the date of the report.

Re: *A Compliance Monitoring Review of Requirements related to Sexual Harassment, Sexual Assault, Dating Violence, and Stalking at Texas Lutheran University; Summary Results – Compliance Requirements – Texas Education Code, Chapter 51, Subchapter E-3*

Dear Dr. Cottrell,

We've completed the final report on *A Compliance Monitoring Review of Requirements related to Sexual Harassment, Sexual Assault, Dating Violence, and Stalking at Texas Lutheran University*. Below is a summary of our results.

### Summary

Texas Lutheran University substantially complied with requirements in Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, Subchapter E-3. However, there was one observation where Texas Lutheran University did not completely comply. Specifically, the institution has policies related to TEC, Title 3, Subtitle A, Chapter 51, Subchapter E-3; however, the institution could not provide documentation to support that:

1. It reviewed policies at least biennially, as required by Section 51.282 (f).

Establishing at least a biennial review of the policy could help Texas Lutheran University better ensure it complies with all requirements.

The institution's management response has been incorporated into the final report.

### Contents of the report include:

- Table 1: Subchapter E-3 Compliance Requirements and Summary Results
- DETAILED REPORT
- Table 2: Potential Penalties for Substantial Noncompliance

This Compliance Monitoring report will be presented to the Texas Higher Education Coordinating Board's (THECB) Committee on Academic and Workforce Success, a standing committee of the THECB in April 2025.

We greatly appreciated Texas Lutheran University staff's assistance, collaboration, and cooperation during this review. Please let me know if you have any questions or comments.

Sincerely,

Arby James Gonzales CPA, CFE  
Assistant Commissioner, Internal Audit and Compliance

## DETAILED REPORT

Texas Lutheran University substantially complied with the requirements codified in the Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, Subchapter E-3. However, it can improve its compliance with one of the eighteen requirements, specifically:

- Section 51.282 (f), related to biennial review and governing board approval of any policy revisions.

The Compliance Monitoring team greatly appreciates the cooperation and assistance provided by Texas Lutheran University and Academic Affairs and Workforce Education (AAWE) staff members during this review. We look forward to our ongoing collaborative efforts to ensure Texas Lutheran University's compliance.

### **Detailed Observations, Recommendations, and Management Responses:**

#### **Establishing a biennial review process of the institution's E-3 policy could help Texas Lutheran University better comply with this requirement.**

##### Observation 1.

Texas Lutheran University could not provide documentation to support it has a process in place to conduct a biennial review of its Title IX policy that is approved by the Board of Trustees. (51.282(f))

##### Recommendation:

Texas Lutheran University should include a provision in its Title IX policy that ensures it conducts a biennial review approved by the Board of Trustees.

##### Management Response:

Texas Lutheran University (TLU) acknowledges the Texas Higher Education Coordinating Board (THECB) Compliance Monitoring Review Observation 1, which noted that TLU could not provide documentation supporting a process for conducting a biennial review of its Sexual Harassment, Sexual Assault, Dating Violence, and Stalking policy, approved by the Board of Regents. We accept the THECB recommendation and are committed to addressing this observation.

Moving forward, TLU will include a provision in its Title IX policy to ensure that a biennial review is conducted and formally approved by the Board of Regents at the October Board Meeting of even-numbered years, beginning in 2026. To ensure a more expedient compliance is in place prior to this new schedule, TLU will review existing Title IX policy and will provide an update to the Board of Regents to review and approve necessary changes at the May 2025 board meeting. This additional effort will strengthen our compliance efforts and demonstrate our ongoing commitment to Title IX regulations and institutional accountability.

## **Review Objective, Scope and Methodologies**

Our review objective was limited to reviewing and reporting requirements as codified in TEC, Title 3, Subtitle A, Chapter 51, Subchapter E-3 for the institution. We collaborated with AAWE and agreed that for the initial reporting cycle, our audit scope would be limited to certain criteria as noted in the Summary of Results section in this report.

We further agreed that our role would be to remain neutral in policy matters while providing an objective review regarding the nature and extent of the institution's compliance with the requirements for institutions.

We reviewed the information submitted to the THECB, requested follow up information as needed, and performed limited testing to address the review objective.

## **Background**

This review was included in the 2025 Compliance Monitoring Plan. Policy guidance and direction is centralized in the Academic Health Affairs office under the Director, Private Postsecondary Institutions who also acts as the agency's Title IX Coordinator for Institutions.

The 86<sup>th</sup> Legislature enacted HB-1735, amending Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, by adding Subchapter E-3 requiring each postsecondary education institution to adopt a policy on sexual harassment, sexual assault, dating violence, and stalking applicable to each student enrolled at and each employee of the institution. Further, Section 51.292(a) authorizes the coordinating board to assess an administrative penalty for failure of the institution to show substantial compliance with the act.

Additionally, Section 51.292(f) requires the THECB to annually submit its report to the governor, the lieutenant governor, the speaker of the house of representatives and the standing legislative committees with primary jurisdiction over legislation concerning sexual assault at postsecondary educational institutions. The report will include a summary of the postsecondary educational institutions found not to be in substantial compliance as provided by this section and any penalties assessed under this section during the calendar year preceding the date of the report.

## Review Objective, Scope and Methodologies

Our review objective was limited to reviewing compliance with specific HB-1735 compliance and reporting requirements as codified in TEC, Title 3, Subtitle A, Chapter 51, Subchapter E-3 for the institutions of higher education (IHE). We collaborated with AAWE and agreed that for the initial reporting cycle, our audit scope would be limited to certain criteria as noted in the Summary of Results section in this report.

We further agreed that our role would be to remain neutral in policy matters while providing an objective review regarding the nature and extent of the IHE's compliance with the requirements of HB-1735 for IHEs.

We reviewed the information submitted to the THECB, requested follow up information as needed, and performed limited testing to address the review objective.

## Background

This review was included in the 2025 Compliance Monitoring Plan. Policy guidance and direction is centralized in the Academic Affairs and Workforce Education (AAWE) office under the Director, Private Postsecondary Institutions who also acts as the agency's Title IX Coordinator for Institutions.

The 86<sup>th</sup> Legislature enacted HB-1735, amending Texas Education Code (TEC), Title 3, Subtitle A, Chapter 51, by adding Subchapter E-3 requiring each postsecondary education institution to adopt a policy on sexual harassment, sexual assault, dating violence, and stalking applicable to each student enrolled at and each employee of the institution. Further, Section 51.292(a) authorizes the coordinating board to assess an administrative penalty for failure of the IHE to show substantial compliance with the act.

Additionally, Section 51.292(f) requires the THECB to annually submit its report to the governor, the lieutenant governor, the speaker of the house of representatives and the standing legislative committees with primary jurisdiction over legislation concerning sexual assault at postsecondary educational institutions. The report will include a summary of the postsecondary educational institutions found not to be in substantial compliance as provided by this section and any penalties assessed under this section during the calendar year preceding the date of the report.

(a) The chief executive officer of each postsecondary educational institution shall annually certify in writing to the Coordinating Board, not later than October 31 of each year, that the institution is in substantial compliance with Texas Education Code, Chapter 51, Subchapter E-2. The Coordinating Board shall make available to institutions a required template for the certification which satisfies the requirements of this section.

(b) In addition to annually reviewing the reporting under Texas Education Code §51.258 and §3.19, the Coordinating Board shall conduct risk-based compliance monitoring of Texas Education Code, Chapter 51, Subchapters E-2 and E-3. (c) If the Coordinating Board determines that a postsecondary educational institution is not in substantial compliance with Texas Education Code, Chapter 51, Subchapters E-2, effective January 1, 2020, or Subchapter E-3, effective August 1, 2020, the Coordinating Board may assess an administrative penalty against the institution in an amount not to exceed \$2 million annually. Compliance errors committed by an institution or system that are in substantial compliance with Subchapters E-2 and E-3 will not result in a penalty. The Coordinating Board will not find an institution is out of substantial compliance with the provisions in Subchapter E-2 and Subchapter E-3 based on a determination that the Coordinating Board would have taken different action after an independent evaluation of evidence.

- (9) Any previous compliance errors of a similar kind and the time lapse since those error(s);
- (10) Institutional efforts to prevent compliance errors, including the extent to which the institution provided training to employees and/or acted after learning about the error;
- (11) The explanation for the cause of the compliance error, including a good-faith mistake; a differing, reasonable interpretation of the law; a conflict between two provisions, or a conflict with another legal or governmental requirement (such as Title IX regulations or a mandatory report to the National Institutes of Health);
- (12) Any prevention and/or response efforts of the institution, made in good faith, to address a possible compliance error;
- (13) The degree of cooperation of the institution with the Coordinating Board in remedying a potential compliance error; and
