

Texas Higher Education COORDINATING BOARD

ApplyTexas Maintenance Complete

Dear educator,

We are pleased to share that the scheduled ApplyTexas system maintenance during the week of April 13 has been successfully completed. Please see the list of updates below.

Maintenance Updates

Applicant Portal

- Corrected an issue preventing readmit students from submitting essays
- Corrected the student dashboard school card to reflect the correct admission deadline
- Corrected creation of multiple applications when repeatedly clicking Start your application
- Refined and updated high school search logic for more precise matching
- Added message notifying applicants when their account is locked
- Updated tool tip copy to align with recent application screener changes

Admin Portal

- Added “Save & Duplicate” functionality on the Major edit page

- Added functionality for users to “Edit” or “Duplicate” a major from the Overview page
- Updated selection method using checkboxes to associate application types with a major
- Added message to notify users when an applicant account has been locked or unlocked by ApplyTexas Help Desk

Counselor Suite Portal

- Updated message notifying users to contact their Regional ESC Representative when their account has been locked

Upcoming Maintenance Updates & Demos

ApplyTexas is scheduled for additional maintenance on the following dates:

- Tuesday, May 19, 2026
- Tuesday, June 23, 2026
- Tuesday, July 28, 2026

Please check the [ApplyTexas Resources](#) webpage for scheduled maintenance dates, system outages, and the latest system updates. Please note that all dates are subject to change.
