

# Texas Higher Education COORDINATING BOARD

## ApplyTexas Go-Live Announcement

ApplyTexas Partners,

Thank you for your ongoing partnership with us as we prepare to launch the new ApplyTexas platform. Your collaboration and feedback throughout this process have been essential in our efforts to enhance the experience for students and administrators. Your support testing the new application has allowed us to make substantive progress in readying the system for launch.

The go-live process for the updated ApplyTexas system will begin on Friday, June 7. **Institutions and applicants will not be able to access ApplyTexas during the deployment window, beginning Friday morning, June 7.** We anticipate the system will be accessible again by the beginning of the week of June 10. We will communicate exact timing as soon as the process is complete. We will reach out individually to institutions with application deadlines around this deployment window for further support.

### **Closing pre-production testing**

As a reminder, testing will end at the close of business today, May 30. Any settings you migrated for the 2025-2026 cycle will also be migrated into production. If you did not migrate configuration settings for 2025-2026 cycle, the next opportunity to do so will be after the deployment window and before the cycle opens. All 2024-2025

configurations from the current system will be automatically migrated during the deployment window.

### **Support for go-live**

Our team will continue to provide support during and after launch until all institutions have successfully adopted the new system.

We encourage you to join us for a **webinar next Tuesday, June 4 at 4 p.m. CST**. This session will provide you with an overview of testing outcomes and issue resolution we will also provide an opportunity for you to ask any questions you may have. [Register for the webinar.](#)

Please visit [The Redesigned ApplyTexas - Texas Higher Education Coordinating Board](#) site for past communications and training videos. We will continue to provide additional information over the upcoming days. We appreciate your engagement as we transition to the improved ApplyTexas system.

Respectfully,

The ApplyTexas Team
