ApplyTexas Lunch and Learn

The ApplyTexas team hosts ApplyTexas Lunch and Learn events to share information about the progress on the maintenance of ApplyTX after each maintenance update. ApplyTexas maintenance is scheduled every six (6) weeks to improve technical and functional issues and incorporate enhancements. During the event, staff will provide a demo of relevant updates, new features, and enhancements and provide information on what's on the roadmap for future improvements.

The second event was held on May 1, 2025. Please find the recording below.
