Improving Graduation Rates

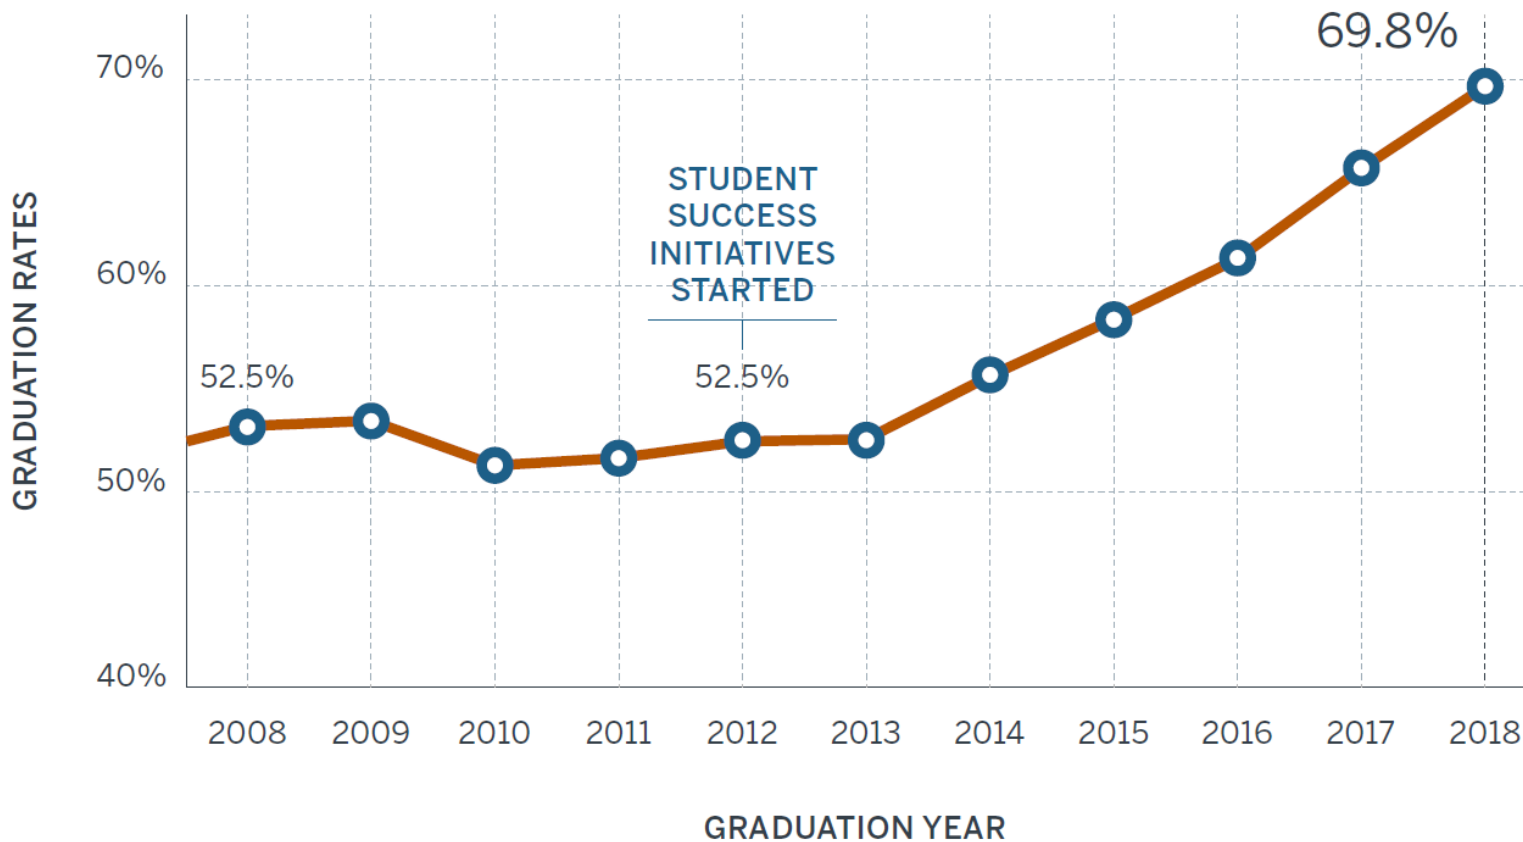

Cassandra Alvarado, PhD

Executive Director, Student Success Initiatives

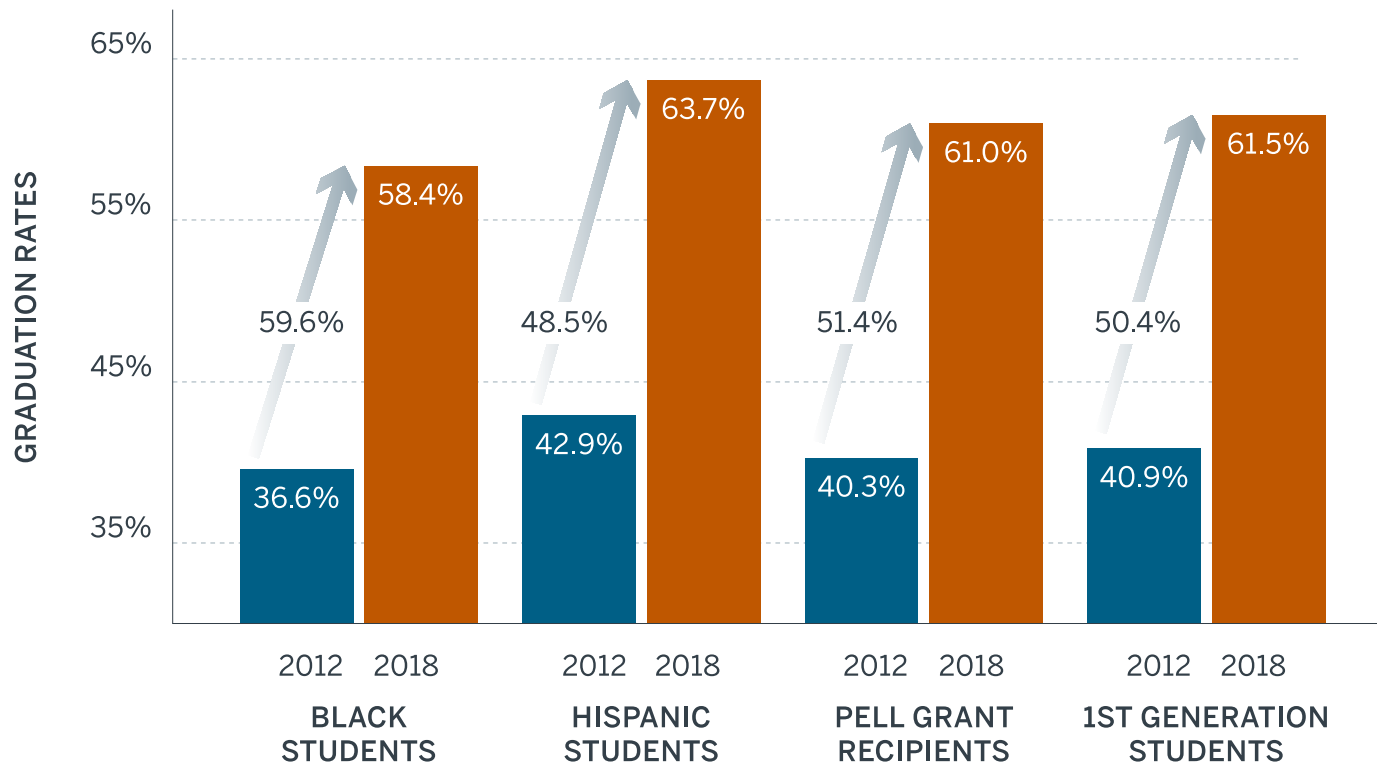

UT AUSTIN 4-YEAR GRADUATION RATES

 The University of Texas at Austin
Enrollment Management

4-YEAR GRADUATION RATE INCREASES

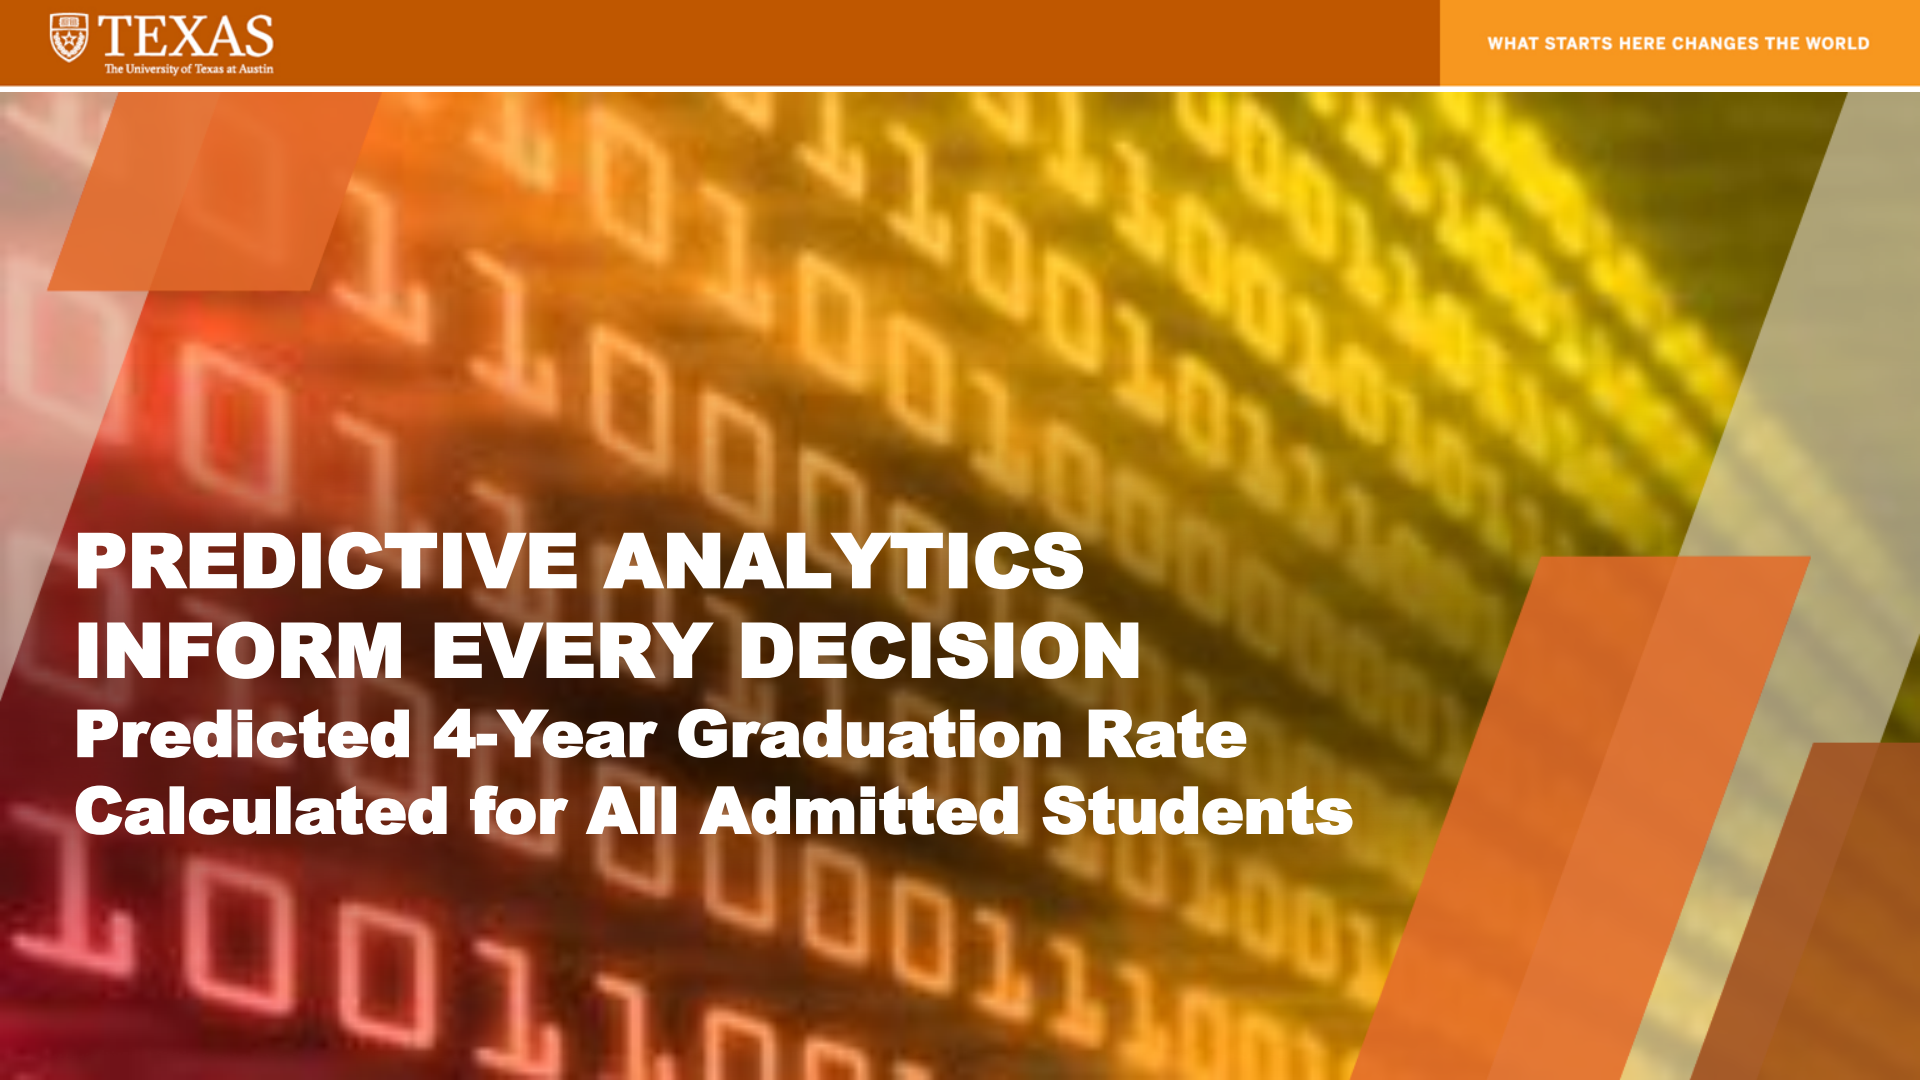

The University of Texas at Austin
Enrollment Management

CULTURE CHANGE AT EVERY LEVEL

- Leadership
- Faculty and Staff
- Students

PREDICTIVE ANALYTICS INFORM EVERY DECISION

Predicted 4-Year Graduation Rate Calculated for All Admitted Students

A photograph of a diverse group of students sitting in a lecture hall, looking towards the front. The image is overlaid with large, semi-transparent orange geometric shapes. The text is in white, bold, sans-serif font.

A STRATEGY FOR IMPROVING GRADUATION RATES

Focus on Freshmen Students First

PROGRESS TO DEGREE

- **Interactive Degree Audit for Students**
- **Counts Courses Toward Their 4-Year Degree**
- **Early Warning System for Advisors**

GRADUATION HELP DESK

- **One-Stop Resource in Provost Office**
- **Helps Resolve Roadblocks to Graduation**
- **Works with Students and Advisors**

CHANGING THE EQUATION

Incentive-Based Scholarships for Low-Income Students

A photograph of graduates in black gowns and caps, seen from behind, seated in an auditorium. One graduate in the center is raising their right hand in a celebratory gesture. The background shows a large, ornate building with classical architecture, likely the UT Tower, under a warm, orange-toned sky. The image is framed by large, diagonal orange and grey geometric shapes.
