- Directed Electives (9 SCH):
  - The list below includes the directed electives that will be accepted by the general academic teaching institution for students transferring.

These are the approved CIP Codes (numerical codes corresponding to specific disciplines or subdisciplines) for the Revised Field of Study:

- 45.1101 - Sociology, General

### Directed Electives Submitted by General Academic Institutions

Below are the directed electives that were submitted by each general academic institution that offers sociology based upon the relevant CIP Codes. Nine institutions reported that they would accept any ACGM course to fulfill the directed electives requirement (9 SCH) at their institution. For those institutions that did not identify 9 SCH to fulfill the directed electives requirement they will accept any other ACGM course to fulfill the requirement.

The following institutions will accept *any ACGM course* for fulfilling the directed electives requirement for the Sociology Field of Study.
