2021-22 TASFA			
Texas Application for State Financial Aid			July 1, 2021 – June 30, 2022
<p>The Texas Application for State Financial Aid (TASFA) is a free application that collects information to help determine eligibility for state (or institutional) financial aid programs administered by institutions of higher education in the state of Texas. Students classified as Texas residents who are not eligible to apply for federal financial aid using the Free Application for Federal Student Aid (FAFSA) are encouraged to complete the TASFA. To review the FAFSA filing requirements, visit fafsa.gov or contact the financial aid office at the institution you plan to attend for the 2021-22 award year. Note: The federal application covers federal and state financial aid opportunities. If you meet the FAFSA filing requirements, then you should submit a completed FAFSA. You do not need to complete both the FAFSA and TASFA.</p> <p>The state financial aid priority application deadline for many institutions of higher education is January 15, 2021 for the 2021-22 award year. In order to be considered for the most financial aid that may be available to you, it is important to complete and submit this application with all required documentation to the financial aid office on or before Jan. 15. Note: Texas residency and final eligibility for financial aid can only be determined by the institution that you plan to attend.</p> <p>To complete this application, answer each item within each section. If a question does not apply to you, answer N/A for not applicable. For clarification on certain items, refer to the TASFA Notes on pages 6-8. If you have further questions about this form, contact the financial aid office at your institution. Some institutions have an online version of the TASFA; check with your institution before filling out the pdf or paper version. Note: Personal information collected on the TASFA is protected under the Family Educational Rights and Privacy Act (FERPA) of 1974.</p>

GEER Emergency Educational Grants

- Institutions have until **Nov. 2, 2020**, to disburse all GEER funding for Emergency Educational Grants to eligible students.
- Any unexpended Emergency Educational Grants funds must be returned to the THECB by **Nov. 16, 2020**.

NOTE: Emergency Educational Grant GEER funding is separate from the state grants GEER funding; institutions may NOT transfer funding between the two allocations.

GEER Emergency Educational Grants

Highlights:

- Funds can only be used for a single semester.

- Grant has specific eligibility requirements written into the contract.
- **Unallowable expenses:** An institution is prohibited from using funds for administration costs.

GEER State Grant and Emergency Educational Grant FAQ's

The Texas Higher Education Coordinating Board (THECB) recently received \$57 million through the Governor's Emergency Education Relief (GEER) Fund to support the TEXAS Grant, Texas Educational Opportunity Grant, and Tuition Equalization Grant programs and \$46.5 million in GEER Funds to support Emergency Educational Grants.

General GEER Contract Questions

- + Are electronic signatures allowed when executing the grant contract?
- + Does interest earned on these federal GEER funds need to be tracked and remitted back to the Coordinating Board?
- + May an institution use GEER funding to cover administrative expenses?
- + The e-mail accompanying our GEER contract indicated that the following federal forms must be signed and returned with the grant contracts: Certification Regarding Debarment and Suspension, Certification Regarding Lobbying, Federal Funding Accountability and Transparency Act (FFATA) Certification. There is no signature line on the debarment and suspension form. Must it be returned with the contract? (Added 9/1/2020)
- + Will GEER-funded grants be reported on the FAD? (Added 9/1/2020)

GEER Funding for TEXAS Grant/TEOG/TEG

- + Are any additional restrictions in place for the GEER funds provided for TEXAS Grants/TEOG/TEG?
- + Does the "target" grant level apply to TEXAS Grants funded through the GEER allocation (Added 9/1/2020)
- + May an institution wait until spring semester to use their allocation of GEER funding designated for TEXAS Grant/TEOG/TEG? (Added 9/1/2020)
- + Must an institution use a separate account for their allocation of GEER funding designated for TEXAS Grant or TEOG, or may they use their existing accounts? (Added 9/1/2020)

GEER Funding for Emergency Educational Grants

- + Are private and independent institutions eligible to participate in the Emergency Educational Grant? (Added 9/1/2020)
- + The Emergency Educational Grant section of the grant contract references definitions from Board rules. Where can we find these definitions (Added 9/1/2020)
- + An eligibility criterion for the Emergency Educational Grant states that recipients must "have suffered a financial impact due to the COVID-19 pandemic as determined by the institution." May an institution set its own procedures for determining that a student has met this criterion?
- + May an institution reserve some of the Emergency Educational Grant funding to use during the spring semester. (Revised 9/1/2020)
- + May an institution use Emergency Educational Grant funding to assist students with prior term balances?
- + The Emergency Educational Grant requires that we inform students of the source of and reason for the grant, as well as a clear indication that the grant is for a single semester. May this information be provided electronically?
- + Since we will be receiving our GEER funding in one lump disbursement, does that mean we can use the GEER funding for either TEXAS Grants/TEOG or Emergency Educational Grants?
- + May an institution use Emergency Educational Grants toward the matching requirement for TEXAS Grants/TEOG?
- + May a student who already received gift aid in excess of tuition, fees, and supplemental expenses receive Emergency Educational Grants. (Added 9/1/2020)
- + Are Emergency Educational Grants considered estimated financial assistance? (Added 9/1/2020)
